Show Your Work! - Austin Kleon 2015-11-04

Kata Edgar Allan Poe, sebagian besar penulis takut jika proses berkaryanya diketahui orang lain. Sementara itu, Pablo Picasso kerap membuat orang yang berkomunikasi dengannya justru kehilangan energi dan motivasi berkarya. Ya, keduanya memang maestro legendaris, tapi sekarang bukan saatnya lagi berkarya ala mereka. Bukan juga zamannya Mozart sang genius musik. Ini eranya kamu, siapa pun kamu, bisa berkarya! Lalu, apa kuncinya? Tunjukkan saja. Di zaman keterbukaan ini, semua orang punya kesempatan sama untuk jadi hebat. Jangan

sembunyikan proses kreatifmu. Undang orang-orang untuk melihatnya. Jangan khawatir kritik, karena itu bahan pelajaran buatmu. Ide yang menurutmu tidak menarik, siapa tahu luar biasa bagi orang lain. Lebih dari itu, karyamu juga bisa menginspirasi orang lain. Jadi, tunggu apa lagi? Tak perlu ragu atau malu. Berbagai karya membuatmu kaya! " ... Semakin banyak kamu memberi, semakin banyak yang kembali kepadamu."-Paul Arden [Mizan, Noura Books, Karya, Hidup, Berkarya, Kerja, Indonesia]

Coffee Boy - Austin Chant 2021-06-30

After graduation, Kieran expected to go straight into a career of flipping burgers-only to be offered the internship of his dreams at a political campaign. But the pressure of being an out trans man in the workplace quickly sucks the joy out of things, as does Seth, the humorless campaign strategist who watches his every move. Soon, the only upside to the job is that Seth has a painful crush on their painfully straight boss, and Kieran has a front row seat to the drama. But when Seth proves to be as respectful and supportive as he is prickly, Kieran develops an awkward crush of his own-one which Seth is far too prim and proper to ever reciprocate.

The Art of Asking - Amanda Palmer 2014-11-11

Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of The Art of Asking. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. The Art of Asking will inspire readers to rethink their own ideas about asking, giving, art, and love.

A Content Filled Life - Tami Brady

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I

say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Two declarations of love and a past that won't set them free. Alexander I had rules. Krystina broke them. That's just the way things were. But that didn't mean I didn't want to make her my wife. She exemplified the triskelion, representing my past, my present, and my future. Without her, I am nothing. But then the past returns to rear its ugly head. As it turned out, I wasn't the only one with a secret. Everything I believed is nothing but a lie. The strangling grip of chaos squeezes until I can't breathe. I don't know who I am anymore. The only thing I can do is go back to being the man I once was—to the only place where I once knew control. Krystina Alexander was the glue holding my shattered soul together. This should've been one of the happiest times in my life, but the darkness still looms. I thought I knew the man I committed myself to but more questions continue to arise. I don't know if Alexander is who he says he is. It all happened so fast. Everything we fought so hard to overcome is

Towpath - Lori De Mori 2020

A lot has changed since *Towpath* first rolled up its shutters 10 years ago on the Regent's Canal in Hackney and everything but the toasted cheese sandwich was cooked from home across the bridge. And a lot hasn't. It is still as much a social experiment as a unique and beloved eatery. What happens when seasonality means you close every year in November, because England's cold, dark winters are simply inhospitable to hospitality from a little perch beside a shallow, manmade waterway that snakes through East London? What if you don't offer takeaway coffees in the hopes that people will decide to stay awhile and watch the coots skittering across the water? If you don't have a phone or a website, because you'd rather people just show up like (hungry) kids at a playground? *Towpath* is a collection of recipes, stories and photographs capturing the vibrant cafe's food, community and place throughout the arc of its season - beginning just before the first breath of spring, through the dog days of summer and culminating - with fireworks! - before its painted shutters are rolled down again for winter.
