Inheritance - M V Taylor 2019-02-06

The day Melissa Carlile turns the key in the lock of The Old Manor House on the ancient de Braose Estate she has no idea how her life is about to change. Lord Edward de Braose, his grandson William and the faithful Mr & Mrs Podger all support her in coming to terms with the death of her artist great aunt, Hetty, and the subsequent discoveries regarding her inheritance. When Lord Edward dies suddenly, his son Tobias inherits both the title and the de Braose estate and sells it. The purchaser is a company called Kuckelimat Baquecks Development Ltd and the plan is to turn the estate into a select golf club and spa. But is this development all what it seems? A campaign is

launched to stop the development and William and Melissa find they are up against anonymous very rich investors from the murky world of offshore tax havens, tax evasion and money laundering. Can they beat the power of big money to save the endangered species and rare chalk grassland from the bulldozers?

Bold Venture - James Exparza 2013-03-31

Mark Williams must go through an agonizing and totally unexpected divorce. Quitting his job and moving back to his birth home in Buffalo Gap, South Dakota, he must resolve his divorce, and his infatuation with Alice, a beautiful Vice-principal of the local school. Alices background, which is part Native American Sioux, adds consternation to the story. Mary, his first wife, is

portrayed as a selfish, carousing individual who loses all. The relationship between Mark and Alice adds romance, conflict, and comedy. Dennis, the youngest son, continually adds embarrassment to Mark, Alice, and himself. Mark eventually finds himself in an enviable position, which will enable him to develop his hybrid Bison-blend cattle.

Pranked Straight - Eric Hertz

Ex-con ruins racist gang! He pranks the hell out of them. Comic, yet touching. (This is subtle literary fiction.) Members of an all-white prison gang threaten Patrick, a white ex-con who deals meth in San Diego and who likes all races. Patrick quits crime and befriends the police. Then he and a con artist legally prank and harass the racists. When a law-abiding Asian American woman informs Patrick that he got her pregnant, he immediately marries her. Asians now in his family, Patrick destroys the racist gang, pranking them with a vengeance, until they get hurt, go straight, or get arrested.

Review: Watch out! Eric Hertz is a master of satire. Pranked Straight is a scathing lampoon, and Eric's wit is extra dry (so bitterly dry you might not notice it). But the story is rolling, fluid, and exciting. This is an interracial adventure. It's like George Orwell meets Joseph Wambaugh (with a dash of Harper Lee). But this story is written in a modern style, set in San Diego. I especially admire the endearing way Mr. Hertz portrays Mexican gangsters in this novel. Juan Neptune - Mexico City Literary Club

Love Letters - John Wesley Anderson, Jr.
2014-10-10

Love Letters is a host of expressions and thoughts of love I wrote to my future wife whom I met overseas. Most of the letters have little nuggets of truth I feel any couple could use to gain a clear insight into the inner workings of a mutually advantageous relationship.

Richard'S Eleven - Richard Segal 2013-05-31
It is often said that childhood maketh the man. Maybe or maybe not, but its definitely good source material for amusing stories. From characters such as pre-teen lumberjack in science class and aunt who doesnt believe she will age beyond 29, to Richard himself, an accidental insomniac, who was destined for a career as stand-up comic and newspaper humorist, after half a career gathering anecdotes in a nine to five job. As could many of us, given the absurdities of it all, but theres plenty of time to think and compose when youre awake half the night. A short summer assignment brings him to London where he has to cope with, you guessed it, more freaks and despair, as he tries to escape into his local pub's paperback selection. However, he can't quite get comfortable in his own skin, at all. Was he born that way, or did something set him off? Richard's Eleven calls to mind top selling books dealing with depression, but this is how he'd have

doodled one of them, shorter and to the point. This is a spiritual journey arguably better to watch than to live, but can mass transit be passive aggressive and can depressed people be funnier than normal people? Read on.

spark of true love? Such is the dilemma facing Paul Ollenson, a UN lawyer for Human Rights. Set against the rich and verdant background of the summertime countryside in Provence, Guard Thy Heart takes readers along with Paul as he faces tragedy and experiences a resurrection of love in the depth of his soul. We struggle with Paul as he endures an emotional internal battle between Good and Evil, and faces the far-reaching consequences of the heart transplant that saved his life as a teenager. Rendered in shimmering details Guard Thy Heart brings the beauty of Southern France to life as it sweeps the reader into the whirlwind of Paul's turbulent heart, and weaves an emotionally compelling tale of love, loss, and the importance of searching for one's true self. "A beating heart is such a remarkable thing; people ought to stop and relish each individual beat. Regardless of the circumstances, it should never become a force of hate and radicalism." -Siwar al-Assad

The Lighthouse Keeper I - Teri Raes

2020-11-06

Throughout history there have been individuals and groups of the elite that have strived to control others, destroying countries and humanity for profit. These profiteers often clashed with the unexpected protectors of the unknowing. These thorns of the elite had the foresight in 'control' we're looking not to benefit humanity but to profit at the expense of the masses. Project Nine came into fruition in the early twentieth century. Their hierarchy of collective genius and a

A Cowboy in the Kitchen - Meg Maxwell

2016-02-23

COOKING UP AN INSTANT FAMILY Rancher West Montgomery thought he needed Annabel Hurley's help just with cooking lessons. But the widowed single dad required more than great culinary skills to secure custody of his young daughter. Her maternal grandparents wanted little Lucy in a more stable environment. What could be more perfect than West's loving home...with his new wife? Marry West

Montgomery? That had once been Annabel's dream...until West had up and wed someone else. But now the cowboy needed her help--and was willing to save her family's business in return. She'd do anything to keep Hurley's Homestyle Kitchen open. Still, living in the same house with West, and adding his adorable daughter into the mix? This was surely a recipe for another broken heart.
