## **Will You Be Mine** - Lexi Buchanan 2021-01-26

Marriages and babies everywhere drove me to leave town, I just hadn't expected to end up stranded on the Island of St. Martin in the Caribbean nor did I expect to have to share a room with the charter pilot. The one and only, Ford Sinclair, best friend of Ryan Townsend, my sister Amanda's, fiancé. The same man I'd refused to have a one-night stand with at my sister, Robin's wedding. I hadn't left home for anything but peace and quiet, what I found was a troubled man who also happened to be sexy, persuasive and dirty mouthed. The Kincaid Sisters is a Bad Boy Rocker spinoff series about Reece Kincaid's (Past Sins: Spicy) sisters. Book 1 - Meant to be Mine (Jessie Kincaid) Book 2 - You Were Always Mine (Amanda Kincaid) Book 3 - Will You be Mine (Sarah Kincaid)

**The Boy Who Skipped** - Jeff Adkins 2011

*Una Storia Amore* - Mark Toro 2010-07

Toro's debut novel offers a divine love story that takes one man back and forth between the Northeast and Midwest. When Michael leaves New York City and returns to Ohio, where he grew up, his life is a shambles. His ex-wife allows him to stay with her as he gets back on his feet, but their relationship remains broken. However, God intervenes in Michael's life, starting with a miracle that cures his chronic anxiety. Michael then has a vision and falls in love with a girl he's never met and feels prompted by God to woo her. A series of small miracles occurs to assist him; for example, he sends her a photograph of an angel statue that unintentionally includes the digits of his phone number. The path to love is not without trials, and Michael, his ex-wife and his new love interest must go through a healing process before they can find happy endings. Toro tells the story using a rhythmic, poetic style, giving the novel a dreamlike quality that compliments its romantic elements. This style does have its limitations, however; although the book's prayers and dialogue have a pleasant ring, they don't necessarily resemble natural speech. One prayer reads, in part, "I'd like for this ride to end...to put an end to this terrible spin, and start me anew on who you're willing to send...a normal but blessed love about to begin." Some plot details are so finely woven into the prose that casual readers may miss key information. Overall, Michael does a great deal of praying and reflecting--a narrative choice that benefits from the work's rhythmic style--creating a story that focuses more on emotion than action. A marriage of poetry and prose for fans of inspirational and romantic fiction. -- Kirkus Reviews

*Professor Kelli's Guide to Finding a Husband* - M. S. W. Kelli Miller 2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okarats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.

Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change. FLIGHT A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew existed. Isadora, on the other hand, is too busy with her new life to worry about her old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust

into a dangerous game. Her life is now in the hands of her most terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from FLAME in a new tale about growing up, moving on, and finding the courage within. FREEDOM Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? FREEDOM is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?
