Daughters of the Gods - Tamara Gill 2022-04-03  
BANISHED Chloe, beautiful and privileged daughter of a powerful god, literally has the world at her feet. Until she falls in love with a Scottish druid. Her enraged father sentences her to an endless cycle of birth and death; each life spent yearning for a man she no longer knows or remembers. Scottish druid, Cian McKay searches the world for his long lost love, only to have her appear at the local pub in his highland hometown. Cian must win Chloe's heart again but without the ability to tell her who she is. Back in the place where she first loved Cian and fell from grace, Chloe's memory haunts her with images that could not possibly be true. She must find the truth and the only way is a confrontation with the Deity who banished her a thousand years before - her father, Zeus. GUARDIAN Can love conquer hate, revenge and even family duty? Caitlin, daughter of the most powerful god Zeus, has one mission. Hunt down the Titan who betrayed her father and kill him. But what if your target is more human than deity, more wickedly attractive and sexy than anyone you'd ever met? But Zeus is a god who does not forgive and Caitlin swore to obey the decree of Olympus. Can she complete the quest asked of her? Or will a Titan, a sworn enemy, show this goddess that true love really can conquer all...  
FALLEN Sara Daniels needs to change her life, so she sets out to run her late grandmother's farm. With no man at her side, and deserted by friends who can't abide her obsession with mythology, it's the perfect time to escape. Hermes, favoured son of Zeus, has been framed by his hateful stepmother, Hera. Fleeing Olympus with his life, he finds himself in an abandoned farmhouse in the middle of nowhere. It's the ideal place to hide from Zeus that is until the owner- a woman with long, flaming red hair and the darkest blue eyes he's ever seen - decides to move in. Sara's family has divine secrets that even she's not privy to. Hermes' secrets, however, have the power to shatter their lives. And with a god as your farmhand, it's

only a matter of time before those secrets are revealed in all their destructive glory. But the wild attraction that blazes between these two souls will not be denied...even if the outcome threatens to doom them both.

*Negotiating Difference in French Louisiana Music* - Sara Le Menestrel 2014-12-19  
Sara Le Menestrel explores the role of music in constructing, asserting, erasing, and negotiating differences based on the notions of race, ethnicity, class, and region. She discusses established notions and brings to light social stereotypes and hierarchies at work in the evolving French Louisiana music field. She also draws attention to the interactions between oppositions such as black and white, urban and rural, differentiation and creolization, and local and global. Le Menestrel emphasizes the importance of desegregating the understanding of French Louisiana music and situating it beyond ethnic or racial identifications, amplifying instead the importance of regional identity. Musical genealogy and categories currently in use rely on a racial construct that frames African and European lineage as an essential difference. Yet as the author samples music in the field and discovers ways music is actually practiced, she reveals how the insistence on origins continually interacts with an emphasis on cultural mixing and creative agency. This book finds French Louisiana musicians navigating between multiple identifications, musical styles, and legacies while market forces, outsiders' interest, and geographical mobility also contribute to shape musicians' career strategies and artistic choices. The book also demonstrates the decisive role of non-natives' enthusiasm and mobility in the validation, evolution, and reconfiguration of French Louisiana music. Finally, the distinctiveness of South Louisiana from the rest of the country appears to be both nurtured and endured by locals, revealing how political domination and regionalism intertwine.  
**Performing Ethnomusicology** - Ted Solis

2004-08-13

'Performing Ethnomusicology' is the first book to deal exclusively with creating, teaching, & contextualizing academic world music performing ensembles. 16 essays discuss the problems of public performance & the pragmatics of pedagogy & learning processes.

**"If Each Comes Halfway"** - Kathryn S. March  
2018-08-06

For twenty-five years, Kathryn S. March has collected the life stories of the women of a Buddhist Tamang farming community in Nepal. In "If Each Comes Halfway", she shows the process by which she and Tamang women reached across their cultural differences to find common ground. March allows the women's own words to paint a vivid portrait of their highland home. Because Tamang women frequently told their stories by singing poetic songs in the middle of their conversations with March, each book includes a CD of traditional songs not recorded elsewhere. Striking photographs of the Tamang people accent the book's written accounts and the CD's musical examples. In conversation and song, the Tamang open their sem—their "hearts-and-minds"—as they address a broad range of topics: life in extended households, women's property issues, wage employment and out-migration, sexism, and troubled relations with other ethnic groups. Young women reflect on uncertainties. Middle-aged women discuss obligations. Older women speak poignantly, and bluntly, about weariness and waiting to die. The goal of March's approach to ethnography is to place Tamang women in control of how their stories are told and allow an unusually intimate glimpse into their world.

**Well, This Is Exhausting** - Sophia Benoit  
2021-07-13

"Like so many women, Benoit spent her formative years struggling to do the 'right' thing—to make others comfortable, to take minimal and calculated risks, to live up to society's expectations—only to realize that there was so little payoff to this tiresome balancing act. Now, in [this book], she shares her journey from aspiring good girl to proud feminist, and addresses the constantly shifting goalposts of what exactly it means to be 'good' in today's world. [Includes] topics as varied and laugh-out-loud funny as how to be the life of the party

(even when you have crippling anxiety), navigating the disappointments of the dating world, and why no one should judge you for having an encyclopedic knowledge of reality TV stars"--

*Billboard* - 1999-09-04

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Bibliographie du Québec** - 2001-03

Venus Besieged - Andrews 2008-02-01

Why can't Teague Richfield and the love of her life, psychic astrologer Callie Rivers, get away together without the otherworld following them? Teague and basset hound Elmo head for Sedona and the sensual arms of Callie Rivers, but their romantic reunion is interrupted by unearthly forces and a dangerous journey into the metaphysical realm. A provocative female shaman from Callie's past involves the duo in shape-shifting, disembodied attacks, the murders of Native American women, and a spiritual battle that takes place on a level even higher than the mystical red rocks of Sedona.

**What Do I Say to a Friend Who's Gay?** -

Emily Parke Chase

With real-life stories and answers from a Christian perspective, this text teaches young adults how to openly minister to gay friends and deal with personal questions regarding the social ambiguities of homosexuality.

**You, Me & Her** - Tanya Chris

Nate wasn't made to be monogamous, a fact he never fails to disclose to his partners. No matter how much he loves the women he's with, he sees potential in others. Does that make him a horrible person? His on-again, off-again lover and current co-star, Deb, certainly thinks so. But his other co-star, Joshua, understands. Joshua, who's fast becoming the best friend Nate ever had, doesn't even mind when Nate hooks up with his wife, Sherry. Well, he does mind a little, but only because he has the hots for Nate himself. Nate's always known he's polyamorous, but is he also bi? He loves being with Joshua. He loves being with Sherry. He definitely loves

Downloaded from

by guest

being with Joshua and Sherry together. Can he make the transition from loves-being-with to just-plain-loves? And even if he can, how does he fit into another couple's relationship?

Meanwhile, the situation with Deb is growing ever more toxic, the future of their show is at stake, and not all of Nate's friends are on board with the whole poly/bi thing. It's a minefield Nate can only navigate with the help of one very special man. Content warning for alcoholism. This book describes an open relationship that remains open after a romantic bond is formed. It's not suitable for readers who consider open relationships to be cheating. This book includes both M/F and M/M on-page interactions.

*Fatropolis* - Tracey L. Thompson 2012-11-01

The alternative history, paranormal romantic adventure of a young fat woman with low self esteem who falls into another world where fat people lead happy, normal, guilt-free lives. Most of her life Jenny has felt she's not good enough, not attractive enough, because she's fat. Then one day she stumbles through a portal between a world that values thinness and one that values roundness. Sometimes falling can wake you up.

*Globalizing American Studies* - Brian T. Edwards 2010-12-15

The essays collected here offer a comparative, multilingual, or multisited approach to ideas and representations of America. The contributors explore unexpected perspectives on the international circulation of American culture.

**Continuum Encyclopedia of Popular Music of the World Volume 8** - John Shepherd 2012-03-08

**Country Music Annual** - 2000

*Exploring Dance Forms and Styles* - Helene Scheff 2010

This text and DVD package helps you to introduce students to a variety of dances without having to leave the classroom! It includes 39 dance performances and resources for 21 more dance forms.

*The Other* - Ece Vahapoglu 2016-06-26

It examines the secular/religious tensions in Turkish society, through the eyes of two different women.

*Never Give Up* - Rue Lennox 2023-01-31

He says there can never be anything between

us... but I still want him. Devastation and devotion are two sides to the same coin, and Brian Miller flips the coin to my heart without even trying. He thinks he's not good enough—that I deserve better than a damaged single father. But his demons can't be any worse than the one stalking my every move in our small town—the one no one can bring to justice.

Despite the age difference between us, I'm not a little girl, and I know the truth. Brian will never forgive himself for not being there when I needed him most. But he's the only man who can rescue me now.

**Cultural Memory and Popular Dance** - Clare Parfitt 2021-12-02

This book focuses on the myriad ways that people collectively remember or forget shared pasts through popular dance. In dance classes, nightclubs, family celebrations, tourist performances, on television, film, music video and the internet, cultural memories are shared and transformed by dancing bodies adapting yesterday's steps to today's concerns. The book gathers emerging and seasoned scholarly voices from a wide range of geographical and disciplinary perspectives to discuss cultural remembering and forgetting in diverse popular dance contexts. The contributors ask: how are Afro-diasporic memories invoked in popular dance classes? How are popular dance genealogies manipulated and reclaimed? What is at stake for the nation in the nationalizing of folk and popular dances? And how does mediated dancing transmit memory as feelings or affects? The book reveals popular dance to be vital to cultural processes of remembering and forgetting, allowing participants to pivot between alternative pasts, presents and futures.

*Feels Like Home* - Vicki Lewis Thompson 2012-07-24

"City slicker Rafe Locke is no cowboy. When he arrives at the Last Chance Ranch for his brother's wedding, Rafe refuses to buy into the whole cowboy thing. That is, until he sees engineer Meg Seymour whoopin' it up—a city girl gone country—and she hits his libido with a bull's-eye! Meg grabs life by the horns, and it's not long before she's enticed Rafe into riding, roping, country dancing ... and gettin' naked in bed! But as they get tangled up in the sheets—and each other!—Rafe has to keep reminding himself

that this cowboy life is just a fling. Or is it?"--  
Cover verso.

*A Boy Named Sue* - Diane Pecknold 2010-10-01  
From the smiling, sentimental mothers portrayed in 1930s radio barn dance posters, to the sexual shockwaves generated by Elvis Presley, to the female superstars redefining contemporary country music, gender roles and imagery have profoundly influenced the ways country music is made and enjoyed. Proper male and female roles have influenced the kinds of sounds and images that could be included in country music; preconceptions of gender have helped to determine the songs and artists audiences would buy or reject; and gender has shaped the identities listeners made for themselves in relation to the music they revered. This interdisciplinary collection of essays is the

first book-length effort to examine how gender conventions, both masculine and feminine, have structured the creation and marketing of country music. The essays explore the uses of gender in creating the personas of stars as diverse as Elvis Presley, Patsy Cline, and Shania Twain. The authors also examine how deeply conventions have influenced the institutions and everyday experiences that give country music its image: the popular and fan press, the country music industry in Nashville, and the line dance crazes that created the dance hall boom of the 1990s. From Hank Thompson's "The Wild Side of Life" to Johnny Cash's "A Boy Named Sue," from Tammy Wynette's "Stand by Your Man" to Loretta Lynn's ode to birth control, "The Pill," *A Boy Named Sue* demonstrates the role gender played in the development of country music and its current prominence.
