 A show and tell-all about the erotic and  
 sometimes tender world of kinky sex, swinging,  
 and polyamory. With a distinctly female  
 perspective, the authors weave psychology,  
 fiction and personal insights bringing this little-  
 known world alive. You'll leave a little hot, a  
 little bothered and a little smarter about why  
 your sexual imagination is not monogamous  
 even if you are. This fantasy companion, meant  
 for couples to share and read together, will  
 answer your questions about how and why  
 loving couples open their otherwise conventional  
 relationship to sexual adventure with others, and  
 the fictional stories will stir your erotic  
 imagination long after the last page has been  
 turned. Lisa, an experienced psychotherapist,  
 will shine a keen and clever psychological light  
 on this world covering all the pertinent topics  
 from flirting and jealousy to the appeal of group  
 sex, while Jim shows how it is done in real time
