The Rich Boy - Kylie Scott 2020-03-09

I'm the type of girl who's given up on fairy tales. So when Beck - the hot new busboy at work - starts flirting with me, I know better than to get my hopes up. Happily ever afters aren't for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've

moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. "Rich Boy takes you on a literal ride! Funny. Angry. There's mean rich people and people you root for. It's a definite recommend from me! -Tijan, New York Times bestselling author "Rich Boy was witty, exciting and had the

Ruthless Love - Penelope Bloom 2020-01-05

I'm the girl nobody sees. That is, until I move next door to Parker High's most eligible bastard, Tristan Blackwood. He's gorgeous. Eyes as cold as moonlight. Lips made for cruel kisses. The entire town knows it, too. Apparently being able to throw a football elevates you to god status around here. He could have anything he wanted. Anyone. But somehow, all he wanted was to torment me. Me, trapped in my mom's protective bubble: homeschooled and invisible, stuck in a wheelchair and saddled with more medical issues than I could count. Normal? I might as well wish to be a fairytale princess. There aren't any princesses or knights in my fairytale. Just the dark prince who lives next door. Parker High royalty in the flesh. My very own devil in a

letterman jacket. His life should be a dream, but the only thing he cares about is becoming my nightmare. And when my pride isn't enough for him, he decides he wants my body. He wants my heart. He wants every last inch of me to himself.

Naughty Boss - Whitney G. 2016-12-15

He definitely wasn't supposed to get that email...

Subject: My Boss. Have I already told you that I hate my boss today? Sexy as hell or not, this pompous, arrogant, ASSHOLE asked me to pick up his dry cleaning the second I walked through the door. Then he told me that I needed to take his Jaguar to a car wash that was ten miles outside of the city, but only after I needed to stand in a never-ending line to buy some type of limited, hundred-dollar watch. I honestly can't wait to see the look on his face two months from now when I tell him that I'm quitting his company and that he can kiss my ass. KISS. MY. ASS. All those former fantasies about him kissing me with his "mouth of perfection" or bending me over my desk and filling me with his cock are long over. OVER. Your bestie, Mya PS-- Please tell me your day is going better than mine... Subject: Re: My Boss. No, you haven't already told me that you hate your boss today, but seeing as though you've sent me this email directly, I know now... Yes, I did ask you to pick up my dry cleaning the second you arrived to

work to day. (Where is it?) And I did tell you to take my Jaguar to the car wash and pick up my thousand-dollar watch. (Thank you for taking five hours to do something that could be accomplished in two.) You don't have to wait two months from now to see the look on my face when you tell me you're quitting. I'm standing outside your office at this very moment. (Open the door.) No comment on your "fantasies," although I highly doubt they're "long over." Your boss, Michael PS--Yes. My day is definitely going far better than yours...

contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of ass-holery again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go...
