

Rainmaker Awakening The Essence Of Gods Love Within Your Relationship

The 7 Laws of Magical Thinking - Matthew Hutson 2012-07-01

Why do rational people buy notions that seem utterly incredulous? (And that includes you.) Everyone - even the most jaded and sceptical - believes in 'magic', in the form of luck, mind over matter, the power of similarities, jinxes, and destiny. In this wonderful exploration of psychology, Matthew Hutson takes us on a fascinating tour of magical thinking in everyday life, revealing the healing power of John Lennon's piano; the reason gamblers kiss their tickets; and why admitting you have no free will staves off addiction.

Healing the Heart & Soul: A Five-Step, Soul-Level Healing Process for Transforming Your Life - Michael Mirdad 2011-05

This book contains an invaluable secret-a process that leads to deeper healing than most people have ever experienced or dreamed possible. Healing the Heart & Soul offers the essential ingredients for personal, life transformation, as well as providing a deeper understanding as to why some people don't seem to heal. It also covers the roles of forgiveness, mirroring, and miracles in relation to healing. Then it shares the specific technique of the five-step, Soul-Level Healing Process that will, in nearly every case, uncover the "real" cause (or causes) hidden behind any particular challenge or problem (physical, emotional, mental, financial, and even within relationships), thus making room for true transformation and healing. Soul-Level Healing can be defined as "a two-part process of Emptying one's cup of faulty belief systems AND Refilling this cup with new, healthy, and loving belief systems."

Kingship and the Gods - Henri Frankfort 1971

Possessing the Treasure - Mike Ratliff 2005-12-01

The Spirit-led Christian is living in a world that is diametrically opposed to every value of God. The maturing believer is called by God Himself to jettison all values that are not His so the believer's character can become Christ-like. Possessing the Treasure looks closely at our "Spiritual Treasure." We are called to submit entirely to the regenerative process through which the Lord takes all of His true children. Those who endure the fires of sanctification will become the Christ-like believers who recognize their Treasure. The Christian walk of faith is accomplished successfully by those who understand they have entered into a blood covenant with their Savior. They value their citizenship in the Kingdom of God as their most valuable treasure.

The Enlightened Mind - Stephen Mitchell 1993-04-16

A magnificent compilation of sacred writings from all traditions and the perfect companion to Stephen Mitchell's poetry collection, The Enlightened Heart, and the bestselling Tao Te Ching.

Jewish Theology - Kaufmann Kohler 1968

The Zen of Love - Peter Cutler 2017-03

The Zen of Love is a love letter that awakens the infinite unconditional love that lies deep within your heart. It will heal and transform all your relationships, especially the one you have with yourself. Much more than a book, "it is a true living miracle." Relationships can be tricky. But that's because we don't understand the profound power of love that's going on "behind the scenes". Let this book enlighten you and change the way you see relationships, the world and yourself. "The Zen of Love is one of the

clearest books ever written on the fundamentals of spirituality and personal growth." - Michael Mirdad, *Healing the Heart and Soul* "If you're seeking a book about spiritual enlightenment that contains more than just words, you've found it." - J. Steward Dixon, *Blue Collar Enlightenment* "The open-hearted message of love positively beams from every page." - Rosina Wilson, Book Editor

The Privileges - Jonathan Dee 2010-05-27

Smart, socially gifted, and chronically impatient, Adam and Cynthia Morey are so perfect for each other that united they become a kind of fortress against the world. In their hurry to start a new life, they marry young and have two children before Cynthia reaches the age of twenty-five. Adam is a rising star in the world of private equity and becomes his boss's protégé. With a beautiful home in the upper-class precincts of Manhattan, gorgeous children, and plenty of money, they are, by any reasonable standard, successful. But the Moreys' standard is not the same as other people's. The future in which they have always believed for themselves and their children - a life of almost boundless privilege, in which any desire can be acted upon and any ambition made real - is still out there, but it is not arriving fast enough to suit them. As Cynthia, at home with the kids day after identical day, begins to drift, Adam is confronted with a decision that tests how much he is willing to risk to ensure his family's happiness and to recapture the sense that, for him and his wife, the only acceptable life is one of infinite possibility. *The Privileges* is an odyssey of a couple touched by fortune, changed by time, and guided above all else by their epic love for each other. Lyrical, provocative, and brilliantly imagined, it is a timely meditation on wealth, family, and what it means to leave the world richer than you found it.

Cargo Cult - Lamont Lindstrom 2019-03-31

Who is not captivated by tales of Islanders earnestly scanning their watery horizons for great fleets of cargo ships bringing rice, radios and refrigerators - ships that will never arrive? Of all the stories spun about the island peoples of Melanesia, tales of cargo cult are among the most fascinating. The term cargo cult, Lamont Lindstrom contends, is one of anthropology's most successful conceptual offspring. Like culture,

worldview and ethnicity, its usage has steadily proliferated, migrating into popular culture where today it is used to describe an astonishing roll-call of people. Its history makes for lively and compelling reading. The cargo cult story, Lindstrom shows, is more significant than it at first appears, for it recapitulates in summary form three generations of anthropological theory and Pacific studies. Although anthropologists' enthusiasm for the notion of cargo cult has waned, it now colors outsiders' understanding of Melanesian culture, and even Melanesians' perceptions of themselves. The repercussions for contemporary Islanders are significant: leaders of more than one political movement have felt the need to deny that they are any kind of cargo cultist. Of particular interest to this history is Lindstrom's argument that accounts of cargo cult are at heart tragedies of thwarted desire, melancholy anticipation and crazy unrequited love. He makes a convincing case that these stories expose powerful Western scenarios of desire itself—giving cargo cult its combined titillation of the fascinating exotic and the comfortably familiar.

The Language of Faith in Southern Africa: Spirit World, Power, Community, Holism - Hermen Kroesbergen 2019-12-12

The aim of this book is to provide a way to do justice to an African language of faith. In systematic theology, anthropology and philosophy of religion, similar debates about how to interpret an African language of faith are ongoing. Trying to avoid the "othering" discourses of past generations, scholars are careful to take seriously what people in Africa say without portraying people's beliefs as weird or backward. Yet, in their desperate attempts to avoid othering, these theologians, anthropologists and philosophers often painfully misconstrue the language of faith in Africa. Understanding the language of faith in Southern Africa is not an easy task. How should we take seriously the form of language that often seems so strange and different? I argue that, after African inculturation theology and black liberation theology, a better way to make sense of being a Christian in Southern Africa is to pay close attention to people's language of faith. The way in which people speak of the spirit world or powers in Africa appears strange to

outsiders, and the sense of community and the holistic worldview differentiates the African way of life from its Euro-American counterparts. When proper attention is paid to the use of concepts like spirit world, power, community and holism, language of faith in Southern Africa is neither as strange as it may seem, nor as romantic. By investigating these distinguishing concepts that colour language of faith in Southern Africa, this book contributes to future projects of both fellow theologians who try to construct a contemporary African theology and those who are interested in theology in Africa given the well-known southward shift of the centre of gravity of Christianity.

Radical Happiness: A Guide to Awakening - Gina Lake 2007-09

Radical Happiness is for seekers who are ready to be finders and anyone asking the question, Who am I really? Radical Happiness provides the keys to experiencing the happiness that is always present and not dependent on circumstances. This happiness doesn't come from getting what you want but from wanting what already is. It comes from realizing that who you think you are is not who you really are. This is a radical perspective! Radical Happiness describes the nature of the egoic state of consciousness, the mind's role in maintaining it, how this interferes with happiness, what awakening and enlightenment are, and how to live in this world following awakening. Exercises are included to help you apply the information and transform your experience of life--and become happier.

The Religious Sentiment - Daniel Garrison Brinton 1876

Small Press Record of Books in Print - 1992

The Rationale of Punishment - Jeremy Bentham 1830

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in

the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Krishnamurti's Notebook - Jiddu Krishnamurti 2008

"The first edition was published in 1976 by Victor Gollancz Ltd., but additional pages in Krishnamurti's handwriting were found in 2000."

A Sociable God - Ken Wilber 2005-02-22

In one of the first attempts to bring an integral dimension to sociology, Ken Wilber introduces a system of reliable methods by which to make testable judgments of the authenticity of any religious movement. *A Sociable God* is a concise work based on Wilber's "spectrum of consciousness" theory, which views individual and cultural development as an evolutionary continuum. Here he focuses primarily on worldviews (archaic, magic, mythic, mental, psychic, subtle, causal, nondual) and evaluates various cultural and religious movements on a scale ranging from egocentric to ethnocentric to worldcentric to Kosmic. By using this integral view, Wilber hopes, society would be able to discriminate between dangerous cults and authentic spiritual paths. In addition, he points out why these distinctions are crucial in understanding spiritual experiences and altered states of consciousness. In a lengthy new introduction, the author brings the reader up to date on his latest integral thinking and concludes that, for the succinct and elegant way it argues for a sociology of depth, *A Sociable God* remains a clarion call for a greater sociology.

Rainmaker - Rachele M. Smith 2014-10-31

Rachele Smith has a passion to see relationships deepen through their intimacy with God and experience a fulfilling life that is rewarding now

and for eternity. Rachelle is the author of her first book Rainmaker, devoted wife and mother. The inspiration for this book came from popular speakers at conferences, church as well as her ministry within the hearts who are hungry to understand Gods principals. Rachelle's husband, Simon, is also a passionate follower of Jesus, a man never ceasing the opportunity to chase after Gods own heart. Together a phenomenal couple, together shaking the planet, together seeing upgrade in peoples lives. Together with her husband and family they reside in Victoria, Australia. You are our Lord of Lords, you are our King of Kings, you are our mighty God, Lord of everything, you are our Emmanuel, you are the great I AM, you are the prince of peace who is the lamb, you are our living God, you are our saving grace, you will reign forever, you are ancient of days, you are the Alpha, Omega, Beginning and the End, you are our savior, our messiah, our redeemer and our friend. You are our prince of peace and we will Rain your love for you.

Rachelle M. & Simon J. Smith

Beyond Jesus - Patricia A. Pearce 2018-07-03

In the crucible of grief following a friend's death, Presbyterian pastor Patricia Pearce sensed a dimension of existence beneath her ordinary perception-and became resolved to discover it. She soon found herself in a vortex of revelatory dreams, synchronicities, energy openings, and insights that shattered her worldview, exposed a unified Reality of Love, and unveiled the illusory nature of the ego and the world it has created. Faced with these discoveries, she struggled to remain in a religion that, she now realized, has been shaped by the very ego consciousness Jesus transcended and urged others to abandon. Enlightening, revelatory, and bold, Beyond Jesus reveals how our political and religious institutions are an outward manifestation of the inner beliefs we hold about who we are, and that beneath the layers of dogma about Jesus lies a key to our spiritual evolution and the astonishing possibility it holds for the future.

The Gospel of Buddha - Paul Carus 2012

This is the extended and annotated edition including * an extensive annotation of more than 10.000 words about the history and basics of Buddhism * many illustrations * an interactive table-of-contents * perfect

formatting for electronic reading devices The best evidence that this book characterizes the spirit of Buddhism correctly can be found in the welcome it has received throughout the entire Buddhist world. It has even been officially introduced in Buddhist schools and temples of Japan and Ceylon. The eminent feature of the work is its grasp of the difficult subject and the clear enunciation of the doctrine of the most puzzling problem of ātman, as taught in Buddhism. So far as we have examined the question of ātman ourselves from the works of the Southern canon, the view taken by Dr. Paul Cams is accurate, and we venture to think that it is not opposed to the doctrine of Northern Buddhism. Contents: Buddhism Rejoice! Samsāra And Nirvāna. Truth The Saviour. Prince Siddhattha Becomes Buddha The Bodhisatta's Birth The Ties Of Life. The Three Woes. The Bodhisatta's Renunciation. King Bimbisāra. The Bodhisatta's Search. Uruvelā, The Place Of Mortification. Māra The Evil One. Enlightenment. The First Converts. Brahmās Request. The Foundation Of The Kingdom Of Righteousness. Upaka. The Sermon At Benares. The Sangha. Yasa, The Youth Of Benares. Kassapa. The Sermon At Rājagaha. The King's Gift. Sāriputta And Moggallāna. Anāthapindika. The Sermon On Charity. Jetavana. The Three Characteristics And The Uncreate. The Buddha's Father. Yasodharā. Rāhula. Consolidation Of The Buddha's Religion. Jīvaka, The Physician. The Buddha's Parents Attain Nirvāna. Women Admitted To The Sangha. The Bhikkhus' Conduct Toward Women. Visākhā. The Uposatha And Pātimokkha. The Schism. The Re-Establishment Of Concord. The Bhikkhus Rebuked. Devadatta. Name And Form. The Goal. Miracles Forbidden. The Vanity Of Worldliness. Secrecy And Publicity. The Annihilation Of Suffering. Avoiding The Ten Evils. The Preacher's Mission. The Teacher. The Dhammapada. The Two Brahmans. Guard The Six Quarters. Simha's Question Concerning Annihilation. All Existence Is Spiritual. Identity And Non-Identity. The Buddha Omnipresent. One Essence, One Law, One Aim. The Lesson Given To Rāhula. The Sermon On Abuse. The Buddha Replies To The Deva. Words Of Instruction. Amitābha. The Teacher Unknown. Parables And Stories. Parables. The Widow's Two Mites And The Parable Of The Three Merchants. The Man Born Blind. The Lost Son.

The Giddy Fish. The Cruel Crane Outwitted. Four Kinds Of Merit. The Light Of The World. Luxurious Living. The Communication Of Bliss. The Listless Fool. Rescue In The Desert. The Sower. The Outcast. The Woman At The Well. The Peacemaker. The Hungry Dog. The Despot. Vāsavadattā. The Marriage-Feast In Jambūnada. A Party In Search Of A Thief. In The Realm Of Yamarāja. The Mustard Seed. Following The Master Over The Stream. The Sick Bhikkhu. The Patient Elephant. The

Last Days. The Conditions Of Welfare. Sāriputta's Faith. Pātaliputta. The Mirror Of Truth. Ambapālī. The Buddha's Farewell Address. The Buddha Announces His Death. Chunda, The Smith. Metteyya. The Buddha's Final Entering Into Nirvāna. Conclusion. The Three Personalities Of The Buddha. The Purpose Of Being. The Praise Of All The Buddhas.
