Twelve - Nick McDonell 2014-12-18

Waterstones' Books of the Year Nick McDonell's electrifying novel tells the story of a fictional drug called Twelve and its devastating effects on the beautiful rich and desperate poor of New York City. From page one, this novel pulsates towards its apocalyptic climax. Twelve is cool, cruel and utterly compulsive. Twelve has been adapted for film by Hollywood director Joel Schumacher starring Chace Crawford, Emma Roberts, and 50 Cent. Praise for Twelve 'As fast as speed, as relentless as acid' -- Michiko Kakutani , New York Times 'The hype is all true' -- Sunday Telegraph 'Bret Easton Ellis territory...an extraordinary assured debut' -- Harper & Queen 'McDonell is an authentic talent and, long after the storms of hype have died away, his novel will endure as a snapshot of his generation' -- Observer 'Consistently brilliant... One of the most exciting new writers around' -- Independent on Sunday 'A brilliant satirical debut' -- Time Out 'A compulsive elegy to wasted, privileged youth, lives up to the hype... lean, elegant and bleakly witty' -- Elle

The Courage to Heal - Ellen Bass 2002

Based on the experiences of hundreds of survivors & partners, this book profiles victims who share the challenges & triumphs of their personal healing processes. It offers mental, emotional & physical support to all those who are rebuilding their lives.

Choke - Chuck Palahniuk 2011-06-30

Victor Mancini has devised a complicated scam to pay for his mother's hospital care: pretend to be choking on a piece of food in a restaurant and the person who 'saves you' will feel responsible for you for the rest of their lives. Multiply that a couple of hundred times and you generate a healthy flow of cheques, week in, week out. Victor also works at a theme park with a motley group of losers, cruises sex addiction groups for action, and visits his mother, whose Alzheimer's disease now hides what may be the startling truth about his parentage.

Haunted - Chuck Palahniuk 2011-05-31

Haunted is a novel made up of stories: twenty-three of the most horrifying, hilarious, mind-blowing, stomach-churning tales you'll ever encounter. They are told by the people who have all answered an ad headlined 'Artists Retreat: Abandon your life for three months'. They are led to believe that here they will leave behind all the distractions of 'real life' that are keeping them from creating the masterpiece that is in them. But 'here' turns out to be a cavernous and ornate old theatre where they are utterly isolated from the outside world - and where heat and power and, most importantly, food are in increasingly short supply. And the more desperate the circumstances become, the more desperate the stories they tell - and the more devious their machinations to make themselves the hero of the inevitable play/movie/non-fiction blockbuster that will certainly be made from their plight.

A Little Life - Hanya Yanagihara 2016

Moving to New York to pursue creative ambitions, four former classmates share decades marked by love, loss, addiction, and haunting elements from a brutal childhood.

In the Realm of Hungry Ghosts - Gabor Maté 2018-10-04

To heal addiction, you have to go back to the start... Featured on Russell Brand's podcast Under the Skin Dr Gabor Maté is one of the world's most revered thinkers on the psychology of addiction. His radical findings - based on decades of work with patients challenged by catastrophic drug addiction and mental illness - are reframing how we view all human development. In this award-winning modern classic, Gabor Maté takes a holistic and compassionate approach to addiction, whether to alcohol, drugs, sex, money or anything self-destructive. He presents it not as a discrete phenomenon confined to a weak-willed few, but as a continuum that runs through (and even underpins) our society; not as a medical 'condition', but rather the result of a complex interplay of personal history, emotional development and brain chemistry. Distilling cutting-edge research from around the world, In the Realm of Hungry Ghosts avoids glib self-help remedies, instead promoting self-understanding as the first key to healing and wellness. Blending personal stories and science with positive solutions, and written in spellbinding prose, it is a must-read that will change how you see yourself, others and the world. 10th anniversary edition, updated with new chapter on the Opioid crisis *The Lives of John Lennon* - Albert Goldman 1989

Profiles John Lennon from his childhood to his death, reveals the offstage Lennon and the violence that shaped his tortured life, discusses Lennon's hidden existence with Yoko, and assesses his impact as a

Rational Recovery - Jack Trimpey 1996-11

Offers a self-recovery program for substance abuse based on the Addictive Voice Recognition Technique.

The Myth of Sex Addiction - David J. Ley 2014-07-10

In this controversial book, David Ley debunks the myth of sex addiction, showing how labeling it a disorder has wrested responsibility away from philandering men and excused their bad behavior as being out of their control. He takes on those who would label it a disease and ch...

Guide to Getting it On! - Paul Joannides 2000

More irreverent than ever, the popular guide to fully understanding and enjoying sex has now been revised with new chapters such as "Sex When You're Really Old, " "When Sex Gets Boring, " and "How to Be Cool When You're Not." 65 illustrations.

Can I Say - Travis Barker 2015-10-20

Travis Barker's soul-baring memoir chronicles the highlights and lowlights of the renowned drummer's art and his life, including the harrowing plane crash that nearly killed him and his traumatic road to recovery—a fascinating never-before-told-in-full story of personal reinvention grounded in musical salvation and fatherhood. After breaking out as the acclaimed drummer of the multiplatinum punk band Blink-182, everything changed for Travis Barker. But the dark side of rock stardom took its toll: his marriage, chronicled for an MTV reality show, fell apart. Constant touring concealed a serious drug addiction. A reckoning did not truly come until he was forced to face mortality: His life nearly ended in a horrifying plane crash, and then his close friend, collaborator, and fellow crash survivor DJ AM died of an overdose. In this blunt, driving memoir, Barker ruminates on rock stardom, fatherhood, death, loss, and redemption, sharing stories shaped by decades' worth of hard-earned insights. His pulsating memoir is as energetic as his acclaimed beats. It brings to a close the first chapters of a well-lived life, inspiring readers to follow the rhythms of their own hearts and find meaning in their lives.

Junk - Melvin Burgess 2014-04-03

This 20th Anniversary edition of the classic novel comes with an introduction from former children's laureate Malorie Blackman and bonus content following its controversial history, from its writing to when it won both the Carnegie Medal and the Guardian Children's Fiction Prize. It was a love story. Me, Gemma and junk. I thought it was going to last forever. Tar loves Gemma, but Gemma doesn't want to be tied down. She wants to fly. But no one can fly forever. One day, finally, you have to come down. Melvin Burgess' most ambitious and complex novel is a vivid depiction of a group of teenagers in the grip of addiction. Told from multiple viewpoints, Junk is a powerful, unflinching novel about heroin. Once you take a hit, you will never be the same again.

Clinical Management of Sex Addiction - Patrick J. Carnes 2019-11-28

Clinical Management of Sex Addiction's newest edition updates many of the original chapters from 28 leaders in the field with new findings and treatment methods in the field of sex addiction. With a growing awareness of sex addiction as a problem, plus the advent of cybersex compulsion, professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation. This is the first book distilling the experience of the leaders in this emerging field. It additionally provides new chapters on emerging areas of interest, including partner counseling, trauma and sexual addiction, and adolescent sex addiction. With a focus on special populations, the book creates a current and coherent reference for the therapist who faces quickly escalating new constellations of addictive sexual behavior. Readable, concise and filled with useful interventions, it is a key text for professionals new to the field and a classic reference for all clinicians who treat sex addiction.

Love and Addiction - Stanton Peele 2014-05

In Love and Addiction, published 40 years ago and sold as a mass-market paperback on love, Stanton Peele and Archie Brodsky laid out every major issue confronting the addiction field today. This pioneering classic, which was excerpted in Cosmopolitan and spawned the codependence movement, is the first-and still the definitive-book on addictive love. But it is much more than that; it is the book that explains why addiction is not what we think it is. Love and Addiction focuses on dependent love relationships to explore what both love and addiction really are-psychologically, socially, and culturally. Addiction is an overgrown, dependent,

destructive relationship. Love is the opposite, a sharing, growth-inspiring one. The authors' analysis makes clear that an addiction is an experience that takes on meaning and power in light of a person's needs, desires, beliefs, expectations, and fears. By showing how addiction grows out of ordinary human experience, Peele and Brodsky offer a liberating understanding of all addictions-to alcohol, drugs, tobacco, food, gambling, shopping, electronic media, sex, or love. In 1975, *Love and Addiction* boldly proposed ideas whose truth is only now being recognized: Addiction is not limited to drugs, and drugs are not necessarily addictive. AA's 12 steps are not the last word in addiction treatment. On the contrary, practically oriented addiction treatments are more effective. The goal of addiction treatment and recovery is not abstinence to the exclusion of all else, but to build a life that rules out addiction. Love is the opposite of the self-protective constriction of addiction; it is the expansion of your spirit with another human being. Remarkably, all of these issues-the widespread application of the addiction diagnosis, the limited value of AA and its disease theory, the possibility that people can continue using but still eliminate addiction (harm reduction)-are as hotly debated today as when Peele and Brodsky first analyzed addiction forty years ago. Most remarkably of all, the answers Peele and Brodsky arrived at in *Love and Addiction* are only now being embraced by progressive thinkers in the field. "Destined to become a classic " *Psychology Today* proclaimed in 1975. Rereading *Love and Addiction* 35 years later, addiction researcher Rowdy Yates wrote that the book "still reads absolutely true as an understanding of addictive behavior." Reading today this clairvoyant analysis of the most challenging issues we face in the twenty-first century-the meaning of love and the cure for addiction-you will recognize both the current relevance and enduring value of *Love and Addiction*, now reissued with a new (2015) Authors' Preface, the Authors' Preface written for the 1991 paperback reissue, and a brief new introduction to each chapter. Otherwise, nothing has been changed in the original book.

The River Ophelia - Justine Ettler 2017-11-09

A disturbing tale about a young university student who loses herself in a destructive relationship, *The River Ophelia* will provoke, sadden and engage. Unconventional, compelling and controversial, this postmodern account of domestic violence deservedly became an instant best-seller making its author a household name. Justine loves Sade but Sade loves sex; indeed, he's a brutish sex addict. Despite this, Justine can't seem to leave: for all her education, she's looking for love and commitment in all the wrong places. While the feminist lore of previous generations seems to work well in theory, Justine can't seem to make it work in practise. Owning her power and experimenting with her own sexuality only leaves her feeling more empty and despairing than before. Both a parodic homage to and subversion of de Sade's Justine and Shakespeare's Hamlet, Justine Ettler's second novel recalls the work of Kathy Acker and Bret Easton Ellis. A dark anti-romance whose sparse, Spartan prose sparks with all the suspenseful chill of a thriller, this twentieth century classic of Australian literature is an electric, confronting read.

The Queen's Gambit - Walter Tevis 2016-04-14

NOW A MAJOR NETFLIX SERIES starring Anya Taylor-Joy from Academy-Award nominee Scott Frank and BAFTA nominee Allan Scott 'Superb' Time Out 'Mesmerizing' Newsweek 'Gripping' Financial Times 'Sheer entertainment. It is a book I reread every few years - for the pure pleasure and skill of it' Michael Ondaatje 'Don't pick this up if you want a night's sleep' Scotsman When she is sent to an orphanage at the age of eight, Beth Harmon soon discovers two ways to escape her surroundings, albeit fleetingly: playing chess and taking the little green pills given to her and the other children to keep them subdued. Before long, it becomes apparent that hers is a prodigious talent, and as she progresses to the top of the US chess rankings she is able to forge a new life for herself. But she can never quite overcome her urge to self-destruct. For Beth, there's more at stake than merely winning and losing. 'Few novelists have written about genius - and addiction - as acutely as Walter Tevis' *The Telegraph*

Erotic Intelligence - Alexandra Katehakis 2010-05-03

ENJOYABLE, EXCITING SEX IS POSSIBLE AFTER SEX ADDICTION In the journey to sexual sobriety, many sex addicts find themselves wondering, 'How am I going to have a normal relationship?' or 'Will it be possible to repair my marriage now that I've confessed my destructive behavior?' and 'Will I ever have great sex again?' As a sex, marriage, and family therapist, Alexandra Katehakis introduces a successful program for sufferers and their loved ones that will help them hone their erotic intelligence by making sense of the past, creating healthy habits in the present, and looking toward a more intimate relationship that nurtures honesty and closeness. With Katehakis's help, sex addicts can get in touch with their healthy sexual side—and embrace true intimacy and acceptance in themselves and in their mates. - Features true stories of people coming to terms with their sexuality on the other side of sex addiction, as well as couples finding a new path to sexual trust and fulfillment - Helps to build the four cornerstones of intimacy that are essential for healthy relationships

Addicted - Zane 2014-08-26

The New York Times bestseller Adapted into a major motion picture distributed through Lionsgate From the Queen of Erotica, *Addicted* tells the provocative story of one married woman's struggle to deal with the fall-out of her forbidden desires. The world of *Addicted* is continued in the New York Times bestseller *Nervous*, and Zane's highly-anticipated upcoming novel *Vengeance*, available May 24, 2016. For successful businesswoman Zoe Reynard, finding the pleasure she wants, the way she wants it, is not worth the risk of losing everything she has: a charmed marriage to her childhood sweetheart, a thriving company, and three wonderful children. But Zoe feels helpless in the grip of an overpowering addiction...to sex. After finding a compassionate therapist to help her, Zoe finally summons the courage to tell her torrid story, a tale of guilt and desire as shocking as it is compelling. From the sensitive artist with whom she spends stolen hours on ruffled sheets, to the rough and violent man who leads her toward destruction, Zoe is desperately searching for fulfillment—and, perhaps, something darker and deeper. As her life spins out of control and her sexual escapades carry her toward a dangerous fate, Zoe races to uncover the source of her "fatal attraction." Chilling secrets tumble forth and perilous temptations build toward a climax that could threaten her sanity, her marriage...and her life.

Sexual Anorexia - Patrick J Carnes 2009-08-07

A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. Author Dr. Patrick Carnes begins by defining sexual anorexia and demonstrating how it and its parallel disorder, sexual addiction and compulsivity, often arise from a background of childhood sexual trauma, neglect, and other forms of abuse, Carnes explores the numerous dimensions of sexual health, examining key issues which must be addressed and resolved for recovery to proceed. Utilizing extensive research and elucidating case studies, Carnes develops concrete tasks and plans for restoring nurturing and sensuality, building fulfilling relationships, exploring intimacy, and creating healthy sexuality. Woven throughout the book are stories of recovery which illustrate sexual healing principles, model new behavior, and support motivation for change. Sexual Anorexia enables those suffering from this disorder to recognize that sex need not be a furtive enemy to be fought and defeated but, instead, a deeply sensual, passionate, fulfilling, and spiritual experience that all human beings are innately entitled to.
