Cognitive-Behavioral Therapy for Sexual Dysfunction - Michael E. Metz 2017

This book provides clinicians and clinical graduate students with a comprehensive description of readily useful, practical, and empirically-based treatments for the specific sexual dysfunctions most commonly encountered in clinical practice with couples and individuals. In providing guidelines for best clinical practices, Metz and Epstein emphasize cognitive-behavioral treatments and incorporate scientific evidence about sexual dysfunctions and sex therapy interventions. Each chapter incorporates research and theoretical foundations and includes a discussion of the issues that commonly arise when working with clients with sexual problems. This book also provides explanations of the clinician's role in dealing with clients with sexual dysfunction to enhance the clinician's competence and comfort; strategies for conceptualizing sexual dysfunction and choosing the appropriate interventions; and specific treatment details for male and female sexual dysfunctions. Numerous case examples throughout the text illustrate the clinical sex therapy process, and clinical aides, handouts, educational materials, and resources are included in appendices.

The Art of Loving - Gary Garfield McFarlane 2011-08-17

The Art of Loving A Book for singles, partners, marrieds and for those thinking of or preparing for marriage. If you want to refresh, revitalize, rekindle, refresh, resurrect your relationship; if you are about to enter a relationship or marriage; long time in a relationship or very very long term married or in a relationship, then this book is for you! What do you do and what happens when your whole world - as you know it - comes toppling down? All the foundations which society say are important such as career, professionalism, marriage, finance, children, house, health, Church life & social life as you know them and quality of life are shaken to their core. These are the book content chapters:

Chapter 1: First thing first Chapter 2: Masks and games people play Chapter 3: Pain hurts Chapter 4: Unconscious needs which influence the journey - some tools Chapter 5: Not ready yet for change - Changing your mind (1) Chapter 6: Ready now - Changing your mind (2) Chapter 7: Stages of change Chapter 8: Conflicts Chapter 9: LOVE: Rebuilding, Refreshing, Resurrecting, Rekindling, Refreshing Chapter 10: Love me in five ways (1) Chapter 11: Love me in five ways (2) Chapter 12: Love me in five ways (3) Chapter 13: Love me in five ways (4) Chapter 14: Love me in five ways (5) Chapter 15: When the Five loves disappear Chapter 16: Communication or Miscommunication? (1) Chapter 17: Communication or Miscommunication? (2) Chapter 18: Communication or Miscommunication? (3) Chapter 19: A Lifetime love affair. A tall order or realistic? ebook is yours for only £7.99 Endorsements "Any couple in relationship difficulty and those who just want to improve the intimacy of their marriage will find plenty of practical help in this down to earth guide which combines many years of deep insight with lots of case examples and tasks to do individually or together" - Dr Trevor Stammers FRCGP, former GP for 27 years and author of "Saving Sex: Answers to Teenagers", "The Family Guide to Sex and Intimacy" and "Love Lies Bleeding: Abuse in the Family". Not a book for a quick read through! Gary McFarlane has packed boatloads of wisdom and practical advice in here. This is a book that could begin a relationships-transforming journey for many - Revd Professor John Nolland BSc ThL BD PhD, Academic Dean, Director of Research, Tutor, Trinity College, Bristol.

Relationship Therapy with Same-Sex Couples - Jerry Bigner 2014-01-14

Use new knowledge of the LGBT culture to ably counsel same-sex couples! Relationship Therapy with Same-Sex Couples provides psychologists, therapists, social workers, and counselors with an overview of the array of treatment issues they may face when working with couples from the LGBT community. This book highlights the experiences of therapists who have encountered concerns particular to LGBT clients—especially those in intimate relationships. This intriguing resource covers clinical issues, sex therapy, special situations, and

training issues for helping therapists successfully counsel same-sex couples. *Relationship Therapy with Same-Sex Couples* explores the therapist's role in working through universal issues in couples therapy—such as communication problems, infidelity, and decision-making—with a focus on how therapy should differ for same-sex couples. This important guide also identifies which problems are unique to couples as an aspect of their sexual orientation, including gender role socialization and societal oppression. With this book, you will be able to provide appropriate therapy without over- or under-attributing a couple's problems to their LGBT status. This book shows how experienced therapists have developed methods for working with: gay and lesbian parents heterosexual spouses and ex-spouses couples in HIV serodiscordant relationships "lesbian bed death" couple and family dynamics supporting transgender and sexual reassignment issues and more! *Relationship Therapy with Same-Sex Couples* contains several features for you to utilize in your own practice, including the Sexual Orientation Matrix for Supervision (SOMS) to assist supervisors and trainers in preparing supervisees to work with lesbian, gay, and bisexual clients. The book also offers guidelines for heterosexual therapists who plan to work with same-sex couples and how to overcome any residual homophobia or heterosexual guilt. Lastly, this essential sourcebook reviews several articles, book chapters, books, and Web sites that are relevant to same-sex couples and the therapists who work with them.

Sex Matters for Women - Sallie Foley 2011-12-13

A guide to help women understand how their bodies work and to take charge of their sexuality, discussing anatomy, body image, trauma, overcoming difficulties, and related topics.

Enhancing Sexuality - John Wincze 2009-04-24

Sexual dysfunction can cause significant distress in both men and women and their partners. This therapist guide presents a comprehensive program for assessing and treating sexual dysfunction in couples or single individuals, regardless of sexual orientation. It outlines pathways for therapy and gives recommendations for formulating a treatment plan. Therapists are encouraged to be flexible in their approach while guiding

clients through this step-by-step program. The guide and corresponding workbook present information on a number of sexual problems including low sexual desire, difficulty becoming sexually aroused, premature or quick ejaculation, erectile dysfunction, trouble achieving orgasm, and pain or discomfort during sex. Clients are educated about sexual development and common sexual myths. They also learn about factors that influence sexual functioning in order to create favorable conditions for sex. For each topic, this guide offers an overview of principles underlying treatment and main concepts to convey to clients. Case vignettes illustrate key points and important tips for the therapist are highlighted throughout. The corresponding workbook includes chapter review quizzes, exercises, and worksheets to reinforce client understanding and couple participation. Enhancing sexuality is a worthy goal for couples and individuals, and clinicians will find this a rewarding program to put into practice.

Facing the Complexities of Women's Sexual Desire - Vera S. Maass 2006-11-22

This book focuses on a problem frequently encountered by sex and family therapists, psychologists and primary care physicians: women's sexual desire or lack thereof. The book covers both research and clinical interventions, and outlines factors that contribute to the decline in sexual desire in women of various ages. The text describes therapeutic steps which can be undertaken with the guidance of a therapist or by the woman herself.

Just About Sex - Ann Christopher 2017-03-07

I Love You. Now What? - Mabel Iam 2008-06-23

World-renowned sex therapist and romance expert Mabel Iam offers a groundbreaking guide to creating long-lasting romantic relationships. Often we enter into a relationship and say, "I love you," but then wonder, "Now what?" Feeling love for someone is not enough to keep the spark alive. Successful relationships must be based upon a solid foundation that's rooted in a continuous exchange of emotions, ideas, wills, beliefs, actions, reactions, vibrations, thoughts and objectives. Often this can be

difficult and complicated to achieve, but *I Love You. Now What?* offers easy-to-follow methods for enjoying the benefits of a lasting relationship. Through exploring why we fall in love, reflecting upon the emotional stages we experience and examining issues that can negatively influence our relationships—including communication, trust and sex—Mabel reveals how love can not only survive, but thrive. Mabel's clear and thoughtful advice, her exclusive recipes for great sex and fascinating testimonials from her clients will help readers achieve the ultimate joy in life: long, lasting love.

Ten Keys to Successful Sexual Partnering - Barnaby B. Barratt 2005-03
Dr. Barratt is to be congratulated on distilling so much practical wisdom into such a small volume -- by focusing on 'Sexual Partnering' and not just good sex, he shows how to make both possible. Marty Klein, Ph.D Sex therapist, author, and publisher of *Sexual Intelligence* "In *Ten Keys to Successful Sexual Partnering*, Dr. Barnaby Barratt offers specific suggestions about ways to achieve more successful sexual experiences with a partner. This helpful guide offers direct, non-judgmental recommendations for people of all orientations and practices." Beverly Whipple, PhD, RN, FAAN Professor Emerita, Rutgers University; Vice-President, World Association for Sexology; Past-president, American Association of Sex Educators, Counselors, and Therapists. [[AUTHOR HEADSHOT PHOTO]] Barnaby B. Barratt, PhD, DHS is a certified psychoanalyst, sexuality educator, sex therapist, and tantric facilitator. Elected President of the American Association of Sex Educators, Counselors, and Therapists, Dr. Barratt was previously Professor of Family Medicine, Psychiatry and Behavioral Neurosciences at Wayne State University School of Medicine.

A Happy Life in an Open Relationship - Susan Wenzel 2020-03-10
Discover the secrets to successful open relationships. *A Happy Life in an Open Relationship* is a handbook to healthy nonmonogamous relationships. For anyone curious about open relationships, here is a valuable handbook from an expert in love, sex, and communication. Relationship therapist Susan Wenzel—who is in an open marriage herself—delivers skillful advice on how to navigate the complex

emotional landscape of multi-partner relationships, from polyamory to swinging. • Filled with of compelling personal stories, anecdotes from clients, and practical exercises • A guide to cultivating harmonious and fulfilling open relationships • Author Susan Wenzel is a sex and relationship therapist with years of experience counseling patients on issues related to monogamy, intimacy, and trust. *A Happy Life in an Open Relationship* will help you develop your trust and communication skills, explore sexuality and desire, build your confidence and self-worth, set healthy boundaries, overcome jealousy, and so much more. People interested in making changes in their relationships will appreciate the positive tone, helpful advice, and expert wisdom from an accomplished relationship therapist who has gone through the experience herself. • A great gift for anyone interested in testing the boundaries of monogamy and exploring the world of polyamory • An accessible and inviting guide for couples to build an open relationship that is strong and lasting • Perfect for fans of *Mating in Captivity: Unlocking Erotic Intelligence* and *The State of Affairs: Rethinking Infidelity* by Esther Perel, *The Commitment: Love, Sex, Marriage, and My Family* by Dan Savage, and *Sex at Dawn: How We Mate, Why We Stray, and What It Means for Modern Relationships* by Christopher Ryan

ADHD After Dark - Ari Tuckman 2019-07-03

This pioneering book explores the impact of ADHD on a couple's sex life and relationship. It explains how a better sex life will benefit your relationship (and vice versa) and why that's especially important for couples with one partner with ADHD. Grounded in innovative research, *ADHD After Dark* draws on data from a survey of over 3000 adults in a couple where one partner has ADHD. Written from the author's unique perspective as both an expert in ADHD and a certified sex therapist, the book describes the many effects of ADHD on couples' sex lives and happiness, covering areas such as negotiating sexual differences, performance problems, low desire, porn, making time for sex, infidelity, and more. The book outlines key principles for a great sex life for couples with ADHD and offers strategies and treatment interventions where specific issues arise. Written in a readable and entertaining style, ADHD

After Dark offers clear information on sexuality and relationships and is full of valuable advice on how to improve both. This guide will be an essential read for adults with ADHD, as well as their partners or spouses, and therapists who work with ADHD clients and couples.

Three in a Bed: Conversations with a sex therapist (HarperTrue Desire - A Short Read) - Joanna Benfield 2016-01-14

A frank insight into the lives of those who come into sex therapy and how it changes their world.

Sexual Exploitation in Professional Relationships - Glen O. Gabbard 1989
 "Research suggests that as many as 10-20% of male therapists have transgressed the sexual boundaries of the therapeutic relationship. More than half of all therapists will encounter patients who have been sexually intimate with a previous therapist. Central to treating the victims of these exploitative encounters is an understanding of the subsequent emotional damage. Burdened by feelings of guilt, isolation, and suppressed rage, these victims, overwhelmingly women, are often at high risk for suicide. Often they return to therapy with an inability to trust. 'Sexual exploitation in professional relationships' considers prevalence data and clinical, ethical, and medicolegal issues that arise when sexual intimacy encroaches on a professional relationship. Supported by multidisciplinary contributors - psychiatrists, social workers, clergy, and attorneys - this volume explores the issue of professional incest across the broad spectrum of helping professions. Building on a psychoanalytic perspective of the dynamics of therapist-patient sex, this book puts forth clinical guidelines for understanding and treating both the victim and the offender. The "lovesick" therapist is illustrated in thoughtful detail as an emotionally dependent man, plagued by middle-age woes and excited by a flirtation with social proscription. The victim, is often cast in a role reversal as the healer, emerges emotionally labile, isolated, and sexually confused. Clearly denouncing sexual intimacy in professional relationships, editor Glen Gabbard, M.D. and the many additional contributors further consider the ethical and legal consequences of sexual intimacy after termination of treatment. Based on a thorough review of medicolegal cases and litigation, guidelines are recommended

for both therapists and attorneys in assessing damage and screening victims. In an age when sexual exploitation cases are the leading cause of all professional practice litigation - an age when 87% of surveyed therapists acknowledge feeling sexually attracted to their patients - an informed professional community may be the best solution to this pervasive problem." -- book cover.

Sex, Sexuality and Therapeutic Practice - Catherine Butler 2009-10-26
 Sexuality is an important area of clients' lives yet it is often neglected, both in the consulting room and in training. This book examines issues of sexuality in a positive and affirming light and considers how sexuality-related issues can be introduced into therapy and training. Sex and sexuality are important to consider in psychotherapy, psychology, counselling and health provision across a variety of contexts and are relevant to clinicians and therapists working in health and mental health settings as well as in specialist services such as sexual and reproductive health and HIV. *Sex, Sexuality and Therapeutic Practice* opens with a general discussion of sex and sexuality before considering how the therapists can think and talk about sexuality in practical and self-reflective ways in different circumstances. Each chapter in the book focuses on a specific topic with areas covered including: sexual diversity across the lifespan health and disability sexual and gender minority issues how culture and sexuality interact. The manual provides up-to-date information, further reading, handouts for clients, self-reflective exercises and examples of training exercises for workshops and teaching. It is an essential resource for health professionals, therapists, clinicians, academics and trainers, and will support the practicing therapist as well as those in training.

PSYCHOSEXUAL MEDICINE - R Lincoln 1998-09-04

Sexual problems that cannot be explained by obvious illness or disease are likely to remain untreated. The standard undergraduate medical curriculum do not usually include teaching on the subject.

Sex Therapy - Cate Campbell 2022-09-23

Sex Therapy: The Basics offers an introduction to modern sex therapy and is essential reading for anyone working professionally with sexual

issues or just interested in sex. This book contains all you need to know to get started, find more information or learn how and when to refer. Current approaches to sex therapy are described, along with detailed interventions and approaches which address an array of sexual issues to bring qualified sex therapists up to date and introduce learners to the essentials. Helping the reader make informed choices about professional development and to find the most appropriate solutions for patients and clients, this book answers all your sex therapy questions. As well as being essential reading for those considering or interested in sex therapy, this book is a valuable resource for both trainee and experienced therapists, offering contemporary information and advice about assessing and treating a wide range of sexual problems.

Sex Outside the Lines - Chris Donaghue 2015-07-14

It's socially acceptable to spend a day watching sports or sitcoms, but it's shameful and embarrassing to admit to the same about erotic media. Why is it that sex is so often deemed "inappropriate" and considered something we must keep private or even ignore? Our culture is afraid of sex. We feel the need to label what is normal and what isn't, and as a result, we live in a relational and sexually unhealthy culture. In reality, far more harm is caused by labeling sexual expression as "obscene" than by celebrating it. In *Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture*, Chris Donaghue, PhD, explores and challenges the negative ideals that have warped society's view of sex. *Sex Outside the Lines* is not a dogmatic rule book, but a valuable guide to help you on your journey to sexual self-discovery and, most important, self-acceptance. Donaghue encourages you to not only explore your capacity for pleasure, but to be proud of it and to take a look at how you could be living. In his years of training in sex and couples therapy, Donaghue has developed highly successful methods for freeing clients from sexual hang-ups, enabling them to let go of shame and embarrassment. The goal isn't to be "normal"—there is no such thing. Donaghue pulls apart cultural phobias with a sex-positive therapy practice, as well as a kind of sexual deprogramming that helps people see and accept that the desires they have—even if they don't align with

society's expectations—are actually natural, healthy, and part of having a great sex life. *Sex Outside the Lines* addresses our diversity, challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders, and disregards conventional advice from leading experts. It isn't advocating a "liberal" approach to modern concepts—it is seeking to redefine them altogether.

Working with the Developmental Trauma of Childhood Neglect - Ruth Cohn 2021-08-31

This book provides psychotherapists with a multidimensional view of childhood neglect and a practical roadmap for facilitating survivors' healing. Working from a strong base in attachment theory, esteemed clinician Ruth Cohn explores ways therapists can recognize the signs of childhood neglect, provides recommendations for understanding lasting effects that can persist into adulthood, and lays out strategies for helping clients maximize therapeutic outcomes. Along with extensive clinical material, chapters introduce skills that therapists can develop and hone, such as the ability to recognize and discern non-verbal attempts at communication. They also provide an array of resources and evidence-based treatment modalities that therapists can use in session. *Working with the Developmental Trauma of Childhood Neglect* is an essential book for any mental health professional working with survivors of childhood trauma.

Issues In Therapy With Lesbian, Gay, Bisexual And Transgender Clients - Charles Neal 2000-07-16

"A diverse and extremely useful set of chapters at the cutting edge of thinking on work with sexual minorities...An important and too often neglected aspect of therapist's and counsellor's training which this book does much to correct." - Susie Orbach, author of 'The Impossibility of Sex' "This book takes the reader inside the multiple worlds of lesbian, gay, bisexual and transgender people, and examines the different kinds of 'problems in living' that can confront counsellors working with clients from these groups. The book is humanistic, in the broad sense of representing and reinforcing the human capacity to relate, to choose, and to live in accordance with values. Issues are explored through the

unfolding of personal and interpersonal dilemmas. 'Issues in therapy' is a welcome addition to the 'Pink Therapy' series edited by Dominic Davies and Charles Neal; they are essential reading for practitioners and trainees." - John McLeod, Professor of Counselling, University of Abertay Dundee "An excellent resource for trainees, trainers and practitioners. Readers will find coverage of a wide number of areas, not before easily accessible at all, and certainly not in a single volume. This book helps the reader think critically about many 'received notions' within the field of therapy. Irrespective of their theoretical approach, I believe this volume not only aids practitioners to work more effectively and ethically with Lesbian, Gay, Bisexual and Transgender clients but also makes a contribution to anti-oppressive practice generally." - Paul Hitchings, Chair BPS Counselling Psychology Division Many readers of Pink Therapy (1996 Open University Press) found the affirmative approaches and detailed discussions there of numerous issues of particular concern to lesbian, gay and bisexual clients invaluable. This volume has twelve further areas discussed in clear and informative style by practitioners from their own professional experience and offers guidelines for good practice as well as full references and further resources. With Pink Therapy and Therapeutic Perspectives on Working with Lesbian, Gay and Bisexual Clients, from the same editors and publishers, professionals interested in treating clients from these minorities equitably will find a

wealth of support, information and guidance not previously readily available.

Secrets of Sex and Marriage - Shaunti Feldhahn 2023-02-07

"I highly recommend this insightful book to all married couples."--GARY CHAPMAN, PhD, author of The 5 Love Languages Let's Talk about Sex Most people are curious about sex and would love a few answers. "Are we normal?" "Why isn't my spouse as interested in sex as I am?" "I don't want to feel pressured, but don't want to disappoint my spouse either--what do I do?" "How do we handle the impact of medication, menopause, porn, ED, pain . . . ?" Most importantly: "How can we get on the same page and create a thriving intimate life?" Sex is one of the most common marriage issues (for example, almost 80% of couples are mismatched in how often they want it), but it doesn't have to be that way. Relationship researcher Shaunti Feldhahn and renowned sex therapist Dr. Michael Sytsma have identified eight simple, transformational factors to help you move from disconnection to delight. This is knowledge you can trust, based on vast clinical experience and their breakthrough research, including the largest nationally representative study ever conducted with married couples about sex. This book is not a "sex manual"; it is a fascinating, practical field guide that will help you intimately understand your spouse and create the marriage you've always wanted.
