**100 Reasons Why Sex Must Wait Until Marriage** Dr. D. K. Olukoya 2015-04-24 100 Reasons Why Sex Must Wait Until Marriage Sex is a mystery and unfortunately majority of those who engage in it do not fully understand the mystery behind it. The only thing most people understand about it is the pleasure derived from it and the procreation that can result from it. Many do not understand that when sex is not done within the scripturally prescribed confines of marriage, the temporary pleasure derived can lead to eternal pressure. In this book, Dr. Olukoya has taken time to unlock some of the mysteries of sex. Considerable attention has been given to the after-effects of premarital sex to show why you should wait until marriage before engaging in it. Steps are listed on how you can stay pure and avoid sex until marriage. Sex outside marriage is a killer and it has successfully destroyed millions of destinies. Do not let yours be next!

**Sex and the Ultimate Bliss** Liberacion Narvios Tecson 2014-03 Even before man discovered knowledge about the universe, the tribal days have given us the answers that there is really a God, a Supreme deity that mankind cannot live without. Tribal rituals and beliefs were sexual in nature. Perhaps this is so because their own sexuality caused them so much confusion thus a great mystery to them and only a Supreme Being, they believed, could provide them the answers. We too have in our minds all sorts of questions regarding our sexuality. Why is it so compelling? Why even the old and the aged still crave for this? What has sex got to do with our final destiny which is heaven? Why even the religious people get in trouble with this? Why do we sometime say our sexual experience is "heavenly"? These and many other questions about our sexuality need to have some answers or we would be subjecting ourselves to the desires and urges of our own physical body which sometimes go beyond our control. This book attempts to find the answers to all these questions as the author chronicles her quests starting from childhood curiosity to old age. Walk with her on every page to find for yourself if these questions did indeed find the answers regarding the mysteries of our sexuality.

**Mysteries of Sex** Mary P. Ryan 2009-01-06 In a sweeping synthesis of American history, Mary Ryan demonstrates how the meaning of male and female has evolved, changed, and varied over a span of 500 years and across major social and ethnic boundaries. She traces how, at select moments in history, perceptions of sex difference were translated into complex and mutable patterns for differentiating women and men. How those distinctions were drawn and redrawn affected the course of American history more generally. Ryan recounts the construction of a modern gender regime that sharply divided male from female and created modes of exclusion and inequity. The divide between male and female blurred in the twentieth century, as women entered the public domain, massed in the labor force, and revolutionized private life. This transformation in gender history serves as a backdrop for seven chronological chapters, each of which presents a different problem in American history as a quandary of sex. Ryan's bold analysis raises the possibility that perhaps, if understood in their variety and mutability, the differences of sex might lose the sting of inequality.

**The Arcane IV: the Mystery of Sex Or Sex Polarity** William Walker Atkinson 2018-04-26 All the ancient occult and esoteric fraternities, organizations, and schools agreed upon one point-the Universality of Sex. They realized that the Sex principle was manifest through all the Cosmos, and that it was in activity throughout all the universe. The Phallic Cross symbol is found in use in nearly every occult organization or body, and signifies the teaching that the male and female principles are immanent in each and every form of nature's activities and manifestations.

**Unveiling Mysteries in Sexual Intercourse** Timothy P. Ngwana 2009 Sex education, for long, has been a taboo subject in our societies. Most parents are always shy to give their children any little information they know about sexual intercourse. Many schools give that which they know but in a wrong way. Instead, they somehow condone to students indulging in sexual intercourse as an adventure. The church that could give the truth, gives it poorly. This lack of communication has given the enemy the opportunity to manipulate people through sex that leads to their doom. I say lack of communication because despite the education many have acquired so far, sexually related diseases and disasters have led and are still leading many people quickly to their graves and many married couples do not enjoy God's ordained purpose of sexual intercourse in their homes. We cannot afford to ignore this, knowing that sex is one of the fundamental issues of life. Amongst the ten major stimulus of the body, scientifically, it has been proven that sexual drive is the greatest. Due to too many sexual disasters in our societies today, many people may ask; why is it that God created sexual intercourse? Let me tell you. Any thing created by God is for the good of man, but only becomes bad when misused. Through this book, I will attempt to wipe away indulgence in ignorance from you by unveiling God's purpose for sexual intercourse. There is a mystery about sexual intercourse that many people have not yet known. God

says: my people are destroyed for lack of knowledge. Reading this book will clear that ignorance and you will not enter into sexual activities for the sake of adventure or experiment. You will also know the consequences of wrong sexual relationships and the solutions to liberate yourself if you are in such bondages. This book is a product of many years of experience and research.

**The Arcane IV. the Mystery of Sex Or Sex Polarity** William Walker Atkinson 2017-08-09 All the ancient occult and esoteric fraternities, organizations, and schools agreed upon one point-the Universality of Sex. They realized that the Sex principle was manifest through all the Cosmos, and that it was in activity throughout all the universe. The Phallic Cross symbol is found in use in nearly every occult organization or body, and signifies the teaching that the male and female principles are immanent in each and every form of nature's activities and manifestations. It will be noticed in many of the older writings that the term "gender" is used in preference to sex. This arises from the fact that the primal idea of Sex, as understood in occultism, is that of begetting; bringing forth; procreating, etc.; of which the term "gender" is peculiarly significant and expressive. Occultists realize that the work of procreation is manifest on every plane, physical, mental, and spiritual, and that the "gender" principle is active everywhere, at all times, in all ways. But in this little book we shall use the term "sex" in preference to "gender," for several reasons, the understanding being of course that the term is employed in its widest and most universal sense, rather than as referring to the particular sex manifestation of living things, or the human race in particular.

The Mystery of Joyful Sex LAURA SCOTT 2012-09-10 The text printed on the previous pages is devoted to three issues: the joy of sex, intimate massage, and erotic games and foreplay. Their keystone is intimate touch. Its function cannot be overestimated, not only in its relation to sex but also to health, personal well-being, cheerfulness and life energy, etc. Its most evident role is in intimate massage. Of course, things are different between people dear to one another and strangers. In the first instance, intimate massage can be a prelude to sex, while in the second case it is just a service performed for a specific purpose. This publication is intended just as much for the single audience as it is for couples. This is why sex and massage are intertwined together in this book. However, it does not mean that the author is encouraging sexual intercourse at the end of a massage. Unless, of course, it is a result of the partners closeness and spontaneity. First of all, this publication shows the outstanding role of intimate touch for our health and well-being. Therapeutic intimate massage is not an overstatement for this special kind of massage because, its proper use, leads to the production of large amounts of endorphins which affect our mood. This mechanism of our brain activity was described in Sexual Healing by Barbara Keesling, PhD. It turns out that the same results can be achieved during intimate massage. So, this is why more than 300 ways of erotic and intimate touch are described in the book. One does not have to check out all of them but instead finding a reasonable quantity that corresponds to the temperament is recommended.

**Faith, Sex, Mystery** Richard Gilman 1988 Chronicles his conversion to Catholicism, and his subsequent gradual loss of faith.

**The Mystery of Sex** Elizabeth Keyes 1975 What causes men and women to have almost opposite concepts of the word "love"? Why do men feel superior to women? Why do women find it easier to use intuition than logic? Why can men fight, shake hands and forget it, but women who fight never forget it? Why the importance given virginity in women but not in men? Why have women revolted against their natural role of motherhood? Why homosexuality? Are we missing greater experiences by confining sex to a physical level? These and other questions are answered in this book, from sources of ancient and modern wisdom, gathered by the author over many years of study and research. Sex is one of the most dominating subjects of our time. It is substituted for love; it is used with love and without love. People are confused about it. Some do not know which sex they are. It is the most misunderstood, misused and commercialized force in our culture. Polarity exists on every level, and is essential to the creation of all life. An understanding of this principle brings harmony out of conflict; cooperation instead of competition.
