[Kosher Sex](#) - Shmuley Boteach 2010-05-12

In *Kosher Sex*, Rabbi Boteach pioneers a revolutionary approach to sex, marriage, and personal relationships, drawing on traditional Jewish wisdom. Using his experiences counseling individuals and couples, the author breaks down sexual taboos and openly, yet respectfully, discusses the meanings, emotions, and the hidden power of sex. With his unique anecdotal style, Rabbi Boteach illustrates each and every point, using real couples who have discovered the joys of "kosher sex"--sex based on love, trust, and real intimacy. He profiles the two most common types of couples--best friends and passionate lovers--and suggests ways of synthesizing the best that each type has to offer. Rabbi Boteach also has advice for singles on finding the right partner; for individuals either willing to take their long-term relationship to the next level or unsure about doing so; and for

married couples who may be experiencing problems in their sex life. At a time when three out of every five marriages fail, *Kosher Sex* will have an astonishing and positive impact. With a no-holds-barred conversational style and keen insight, Rabbi Boteach breaks all the taboos and pioneers a new approach to sex, marriage, and personal relationships. He not only brings traditional Jewish wisdom into the twentieth century but makes it relevant to everyone searching for a deeper, more meaningful, and more satisfying love life. --> From the Trade Paperback edition.

*Jewish Choices, Jewish Voices* - Elliot N. Dorff  
2010

In the newest addition to the *Jewish Choices, Jewish Voices* series, co-editors Elliot Dorff and Danya Ruttenberg have brought together a diverse group of Jews to comment on how Judaism affects their views and actions regarding sex. Contributors range from adult movie actor Ron Jeremy, to renowned feminist scholar Martha Ackelsberg, to noted writer and blogger Esther Kustanowitz, as well as rabbis, doctors, social workers, and activists. They discuss issues of monogamy, honesty, and communication in dating and marriage; testing for and disclosure of STDs; abortion, sex education, sex work, and sexuality. Each volume in this series presents hypothetical cases on specific topics, followed by traditional and contemporary sources. Supplementing these are brief essays, written by contributors of various ages, backgrounds, and viewpoints to provoke lively thought and discussion. These voices from Jewish tradition and today's Jewish community present us with new questions and perspectives, encouraging us to consider our own moral choices in a new light.
