Sex Sells - Taye Steele 2023-01-14

Sex, drugs, and rock and roll have never been so delicious. There's nothing quite like the freedom of college. For many young adults, it's their first experience with life on their own, but for Vale Clarke, it's about more than that. It's her one and only chance to carve a new path for herself away from her dysfunctional family. When she loses her scholarship she's faced with two options: come up with the dough, or kiss her future goodbye. Inspiration strikes her when she meets Kaden West. A hot rock prodigy born with a silver spoon in his mouth and a sense of entitlement to match. How far is Vale willing to go to lock down the future she wants?

Sex Sells! - Rodger Streitmatter 2004-09-22

In 1953 when Lucille Ball became pregnant, the censors required the characters on "I Love Lucy" to say only that the wacky redhead was "in

the family way"-they feared the word "pregnant" might conjure up, in the minds of viewers, images of a man and woman having sexual intercourse. Now, some fifty years later, from giant billboards featuring nearly nude models in Times Square to Bill Clinton's creative definition of sex to Madonna and Britney's prime-time kiss, sex pervades virtually every aspect of public life, including the films and television programs we watch, the music we listen to, and the racy ads that bombard us. What happened?Through lively prose and engaging examples, Sex Sells! illuminates this arc from repression to obsession vis-à-vis changing sexual mores during the last five decades. Not only does the author examine how a broad range of media genres have reflected this libidinous journey, but he also shows how the media have played a leading role in propelling the Sexual Revolution. Whether it was the decision by Cosmo editor Helen Gurley Brown to run a photo of a nude Burt Reynolds in 1972 or the recent success of Showtime's sexually explicit "Queer as Folk," the media have led the charge in bringing sex into the mainstream. Along the way, what the author terms "sexual literacy" has become vital, especially for young media consumers. For Rodger Streitmatter, unlike many critics, believes that much of the media's sexual content is beneficial, as it gives parents and educators a jumping-off point from which to discuss such matters as AIDS, sexual identity, and sexual mores. In this age of continuing sexual liberation, such a viewpoint seems especially important and timely.

By way of the words from Scoota Mac, the pimp game lives on. He magnificently pours the passion of a young pimp out onto the pages of Power of the P. "Pimping is pimping and playing is playing, and it's as simple as that." Scoota Mac so eloquently quoted through the voice of Cadillac Mac, a character he birthed within his imagination and spirit of a pimp. Understand, "Pimps don't play, we pimp, and we pimp hard," he expresses, as he gives the good and the bad, the glorious, along with the unfortunate side of the game. Raised by the streets, in a neighborhood where the motto is get it how you live, Scoota Mac leads you on a journey through the ghetto streets to a life that's both bitter and sweet.

**Sex Sells** - Bryton ASHBEE 2019-03-26

FROM MASSAGE, PHONE SEX, WEBCAMS, SELLING YOUR DIRTY UNDIES AND SOCKS, CROSS DRESSING, MARRIED MEN AND BDSM I'VE DONE IT ALL! This book is based on the life of a real person, me! The first thing you should know is that I'm a gay man living and working in female-dominated adult industry. This is unusual in that there are few men that can actually make a living doing this compared to women. This book tells the story of how I ended up here twice and why. The exact same reasons as many women find themselves in this industry! I write about all the experiences I've had with clients and others. Some good and some bad that make me the person I am today. If you think that I'm going to sugar coat anything in this book just so I don't hurt anyone's feelings, then you're reading the wrong type of book and you're in for a BIG shock. These are my own memories, thoughts, feelings, experiences, and opinions based on my own life within this industry. If you are easily offended, want to keep your eyes wide shut and live in "COGNITIVE DISSONANCE LAND" then this book isn't for you. I have written it to be entertaining, deep, insightful, emotional and VERY VERY DIRTY! Be careful what you wish to know, as once you know the truth you can't un-know it. You have been warned!

Since before the invention of photography, the female form has been used in art and various forms of entertainment because, after all, scantily clad women attract attention. Sex Sells takes a look at women in photos and on film. The book contains no nudity, but is intended for adults and

mature young people. From piquant hand-colored "naughty" pictures to biographies of photographers, strippers, pinup girls and movie stars, this lavishly illustrated work will enlighten, amuse and entertain you.

**Sex Sells** - Zazkia Lyndon 2017-08-24

Anastasia Thomas was bored. Last-day-of-the-year-in-the-office-bored. And a Friday! Why did the last day at work have to be a Friday? Why was the office even open still? Typically deserted as another year drew to a close, the directors were in Barbados with others greedily about to tuck into their new holiday quota.
