Stalked by the Kraken -

Lillian Lark 2021-06-28

A matchmaking witch, an ancient sea creature, and the sex contract they make.

Welcome to the Love

Bathhouse where desire and acceptance are in the water.

The Witch Celibacy is a bad look for a matchmaker.

Especially a matchmaker who works at the kind of paranormal bathhouse that would have grandmothers clutching their pearls. A worse look is a matchmaker experiencing a crisis of confidence. I am that matchmaker. We need raw magic, desperately. And now a mysterious man walks into my office, offering me the exact solution I need. The problem is that he wants to be matched... with me. Matching doesn't work for me; I found that out the hard way. The Kraken I saw her and the creature inside me wanted. She doesn't want a relationship. She says that the most we can have are the three nights she promised me, but the dark part of myself isn't

snared its attention go. I found her. I hunted her. She's mine.

**Stalked by the Kraken is a monster romance that features tentacles. This book is a standalone and takes place in the same world as, and prior to the events of, Three of Hearts with some character crossover. Content Warning: Book includes breeding behavior and mentions infertility.

Psychic Self-Defense - Dion Fortune 2020-12-12

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them.

This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune's *Psychic Self-Defense* includes a new forward by Mary K. Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune's writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light.

Blindsight - Peter Watts 2006-10-03

Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelect space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the

Taken Tentacles While My Boyfriend Slept An Alien

Monster Sex Erotica Story English Edition

cosmos like a lighthouse beam.

Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find.

Taken by the Tentacle Alien -
Autumn Crowl 2020-05-05

My days on the deep space station were filled with boredom. As the only human managing robotic equipment on a distant planet, I really had nothing to do but fill my days as best I could without going insane with boredom. Then the space station let out an alarm and suddenly things changed. There was an alien on board and the creature was intent on determining how humans reproduce. That meant rough sexual treatment as it attempted to impregnate me! Warning: This ebook contains very explicit descriptions of sexual activity during a monster sex encounter. It includes very rough sex, reluctant sex, tentacle sex and more. It is intended for mature readers who will not be offended by such content.

SLEPT - CJ Smalls 2020-05-05

Taken Tentacles While My Boyfriend Slept An Alien

Monster Sex Erotica Story English Edition

I'd already gone one round with my boyfriend, and the pleasant afterglow of my orgasm hadn't even faded completely before the tentacles arrived, pushing into my mouth and my pussy without warning. It was impossible, and as they took me and moved within me in ways no human penis could, I was swept away until they lifted me up and suddenly went after my untouched ass. First anal sex was scary enough, but with a monster? It wasn't like I had a choice. I couldn't cry out for help, not with a tentacle pushing into my throat, and the other tentacles bound my body securely. All I could do was take whatever the tentacles gave me, including an intense and incomprehensible double penetration. Warning: This ebook contains very explicit descriptions of sexual activity during an alien monster sex encounter. It includes rough sex, reluctant sex, tentacle sex, first anal sex, tentacle bondage, and double penetration. It is intended for mature readers who will not be offended by graphic depictions

of sex acts between consenting adults.

proposal! This bundle of eldritch erotica is 34,000 words and is for readers 18 and up. Cover art created by TheKite. ~~~~~ Excerpt ~~~~~ From "M,nage ... Tentacle": One rambunctious tentacle wiggled its beak into her deep cleavage and she slapped it like a naughty child. "I said behave, you creep!" The tentacle retreated, beak downcast in an unmistakable sulk. "Ohhh, baby," she intoned. She took it in her hands and gently pried the beak open with her thumb. The tentative tongue reappeared. And with it, the slick pink head. I watched with a curious mixture of disgust and fascination as the tongue slithered into her mouth and gently probed her cheeks. She bit down on it playfully and giggled as it made a sound like a raspberry. The tongue retreated into the glistening slit on the pink head, which Thorn stroked with her satin thumbs and then kissed. Mollified, the head retreated into the beak and the tentacle

sleepy snake. "Grapla are psychoforms," she said. "You and I need material things to survive. Food, water, sunlight. Grapla resonate to life itself. They prefer raw emotions. Fear is particularly potent, which is why they make such effective partners." The Grapla took great pride in what she said. Its tentacles rose in a lethal chorus and trilled a dozen haunting tones that melted and faded and complemented each other. It was a stirring sound, accompanied by the hollow clacks of its deadly beaks opening and shutting like hungry birds. For a moment, the saloon went silent. Large men, cyborgs, and thuggish hybrids of all shapes and sizes, clutched their drinks in fear. The sound had its most visible effect on Thorn. Her cheeks flushed, her bosom lifted with unconcealed longing. She pulled two tentacles from the pack and let them drape across her chest. "But love is their life," she said. "They die quickly without companionship. They don't grow large in the

unconditionally." She kissed the tops of her lover's heads.

"Do you ever miss the touch of your own kind?" I asked.

Another smirk. "I had plenty of lovers, men and women and otherwise, before I began my trial. There were skilled lovers, certainly, but even the greatest geishas on Rao's moons cannot compare to Strabo." The

tentacles, excited by her praise, wriggled beneath her like a bouncing throne. She stroked a thick vein that throbbed beneath its skin. "No one has ever loved me longer, deeper, more completely. No lover has ever trusted me so fully or given me such respect. I am his wife, his mistress, his one and only. And he is my world."
