

The Psychology Of Abusive Predatory Relationships Miranda J Houston

Transgender Marxism Jules Joanne Gleeson 2021-05-20 Transgender Marxism is the first volume of its kind, offering a provocative and groundbreaking synthesis of transgender studies and Marxist theory. Reflecting on the relations between gender and labour, it shows how these linked phenomena structure antagonisms in particular social and historical situations. While no one is spared gendered conditioning, the contributors argue that transgender people nonetheless face particular pressures, oppressions and state persecution. The collection makes a particular contribution to Marxist feminism and social reproduction theory, through both personal and analytic examinations of the social activity demanded of trans people around the world. Exploring trans lives and movements through a Marxist lens, the book also assesses the particular experience of surviving as trans in light of the totality of gendered experience under capitalism. Twinning Marxism with other schools of thought - including psychoanalysis, phenomenology and Butlerian performativity - Transgender Marxism ultimately offers an insight into transgender experience, and an exciting renewal of Marxist theory itself.

Media Worlds Faye D. Ginsburg 2002-10-23 This groundbreaking volume showcases the exciting work emerging from the ethnography of media, a burgeoning new area in anthropology that expands both social theory and ethnographic fieldwork to examine the way media—film, television, video—are used in societies around the globe, often in places that have been off the map of conventional media studies. The contributors, key figures in this new field, cover topics ranging from indigenous media projects around the world to the unexpected effects of state control of media to the local impact of film and television as they travel transnationally. Their essays, mostly new work produced for this volume, bring provocative new theoretical perspectives grounded in cross-cultural ethnographic realities to the study of media.

America's Children and the Environment United States. Environmental Protection Agency 2014-09-18 America's Children and the Environment (ACE) is EPA's report presenting data on children's environmental health. ACE brings together information from a variety of sources to provide national indicators in the following areas: Environments and Contaminants, Biomonitoring, and Health. Environments and Contaminants indicators describe conditions in the environment, such as levels of air pollution. Biomonitoring indicators include contaminants measured in the bodies of children and women of child-bearing age, such as children's blood lead levels. Health indicators report the rates at which selected health outcomes occur among U.S. children, such as the annual percentage of children who currently have asthma. Accompanying each indicator is text discussing the relevance of the issue to children's environmental health and describing the data used in preparing the indicator. Wherever possible, the indicators are based on data sources that are updated in a consistent manner, so that indicator values may be compared over time.

Popular Injustice Angelina Snodgrass Godoy 2006 Popular Injustice focuses on the spread of highly punitive forms of social control (known locally as *mano dura*) in contemporary Latin America, with a particular focus on lynchings in postwar Guatemala.

Land of Necessity Alexis McCrossen 2009-06-19 Published in cooperation with the William P. Clements Center for Southwest Studies, Southern Methodist University. In *Land of Necessity*, historians and anthropologists unravel the interplay of the national and transnational and of scarcity and abundance in the region split by the 1,969-mile boundary line dividing Mexico and the United States. This richly illustrated volume, with more than 100 images including maps, photographs, and advertisements, explores the convergence of broad demographic, economic, political, cultural, and transnational developments resulting in various forms of consumer culture in the borderlands. Though its importance is uncontested, the role of necessity in consumer culture has rarely been explored. Indeed, it has been argued that where necessity reigns, consumer culture is anemic. This volume demonstrates otherwise. In doing so, it sheds new light on the history of the U.S.-Mexico borderlands, while also opening up similar terrain for scholarly inquiry into consumer culture. The volume opens with two chapters that detail the historical trajectories of consumer culture and the borderlands. In the subsequent chapters, contributors take up subjects including smuggling, tourist districts and resorts, purchasing power, and living standards. Others address home décor, housing, urban development, and commercial real estate, while still others consider the circulation of cinematic images, contraband, used cars, and clothing. Several contributors discuss the movement of people across borders, within cities, and in retail spaces. In the two afterwords, scholars reflect on the U.S.-Mexico borderlands as a particular site of trade in labor, land, leisure, and commodities, while also musing about consumer culture as a place of complex political and economic negotiations. Through its focus on the borderlands, this volume provides valuable insight into the historical and contemporary aspects of the big "isms" shaping modern life: capitalism, nationalism, transnationalism, globalism, and, without a doubt, consumerism. Contributors. Josef Barton, Peter S. Cahn, Howard Campbell, Lawrence Culver, Amy S. Greenberg, Josiah McC. Heyman, Sarah Hill, Alexis McCrossen, Robert Perez, Laura Isabel Serna, Rachel St. John, Mauricio Tenorio-Trillo, Evan R. Ward

The Handbook of Social Control Mathieu Deflem 2019-01-22 The Handbook of Social Control offers a comprehensive review of the concepts of social control in today's environment and focuses on the most relevant theories associated with social control. With contributions from noted experts in the field across 32 chapters, the depth and scope of the Handbook reflects the theoretical and methodological diversity that exists within the study of social control. Chapters explore various topics including: theoretical perspectives; institutions and organizations; law enforcement; criminal justice agencies; punishment and incarceration; surveillance; and global developments. This Handbook explores a variety of issues and themes on social control as being a central theme of criminological reflection. The text clearly demonstrates the rich heritage of the major relevant perspectives of social control and provides an overview of the most important theories and dimensions of social control today. Written for academics, undergraduate, and graduate students in the fields of criminology, criminal justice, and sociology, The Handbook of Social Control is an indispensable resource that explores a contemporary view of the concept of social control.

Why Can't My Child Behave? Amber Elliott 2013-07-28 Parenting a child who doesn't know how to be parented is the most difficult job in the world.' *Why Can't My Child Behave?* provides friendly expert advice on how to respond to difficult behaviours and emotions for parents of children with developmental trauma. Each chapter focusses on the common difficulties faced by carers or parents and features quick, applicable ideas with exercises and illustrations. How do you react to a child's difficult behaviour? How do you deal with your own negative emotions? How do you know when to be empathic? The book looks beyond the traditional punishment/reward strategies and aims to provide an explanation for such questions whilst helping the child in the process. This book will prove to be an invaluable resource for parents, foster carers, social workers and professionals working with children who are adopted or fostered.

In The Name of Justice Timothy Lynch 2009-02-24 America's criminal codes are so voluminous that they now bewilder not only the average citizen but also the average lawyer. Our courthouses are so clogged that there is no longer adequate time for trials. And our penitentiaries are overflowing with prisoners. In fact, America now has the highest per capita prison population in the world. This situation has many people wondering whether the American criminal justice system has become dysfunctional. A generation ago Harvard Law Professor Henry Hart Jr. published his classic article, "The Aims of the Criminal Law," which set forth certain fundamental principles concerning criminal justice. In this book, leading scholars, lawyers, and judges critically examine Hart's ideas, current legal trends, and whether the "first principles" of American criminal law are falling by the wayside. Policymakers, academics, and citizens alike will enjoy this lively discussion on the nature of crime and punishment, and how the choices we make in formulating criminal laws can impact liberty, security, and justice.

Urban Informatics Wenzhong Shi 2021-04-06 This open access book is the first to systematically introduce the principles of urban informatics and its application to every aspect of the city that involves its functioning, control, management, and future planning. It introduces new models and tools being developed to understand and implement these technologies that enable cities to function more efficiently - to become 'smart' and 'sustainable'. The smart city has quickly emerged as computers have become ever smaller to the point where they can be embedded into the very fabric of the city, as well as being central to new ways in which the population can communicate and act. When cities are wired in this way, they have the potential to

become sentient and responsive, generating massive streams of 'big' data in real time as well as providing immense opportunities for extracting new forms of urban data through crowdsourcing. This book offers a comprehensive review of the methods that form the core of urban informatics from various kinds of urban remote sensing to new approaches to machine learning and statistical modelling. It provides a detailed technical introduction to the wide array of tools information scientists need to develop the key urban analytics that are fundamental to learning about the smart city, and it outlines ways in which these tools can be used to inform design and policy so that cities can become more efficient with a greater concern for environment and equity.

Violence in Psychiatry Katherine D. Warburton 2016-04-28 The association between violence and mental illness is well studied, yet remains highly controversial. Currently, there does appear to be a trend of increasing violence in hospital settings, including both civilly and forensically committed populations. In fact, physical aggression is the primary reason for admission to many hospitals. Given that violence is now often both a reason for admission and a barrier to discharge, there is a pressing need for violence to be re-conceptualized as a primary medical condition, not as the by-product of one. Furthermore, treatment settings need to be enhanced to address the new types of violence exhibited in inpatient environments and this modification needs to be geared toward balancing safety with treatment. This book focuses on violence from assessment, through underlying neurobiology, to treatment and other recommendations for practice. This will be of interest to forensic psychiatrists, general adult psychiatrists, psychiatric residents, psychologists, psychiatric social workers and rehabilitation therapists.

The Mathematics of Urban Morphology Luca D'Acci 2019-03-23 This edited volume provides an essential resource for urban morphology, the study of urban forms and structures, offering a much-needed mathematical perspective. Experts on a variety of mathematical modeling techniques provide new insights into specific aspects of the field, such as street networks, sustainability, and urban growth. The chapters collected here make a clear case for the importance of tools and methods to understand, model, and simulate the formation and evolution of cities. The chapters cover a wide variety of topics in urban morphology, and are conveniently organized by their mathematical principles. The first part covers fractals and focuses on how self-similar structures sort themselves out through competition. This is followed by a section on cellular automata, and includes chapters exploring how they generate fractal forms. Networks are the focus of the third part, which includes street networks and other forms as well. Chapters that examine complexity and its relation to urban structures are in part four. The fifth part introduces a variety of other quantitative models that can be used to study urban morphology. In the book's final section, a series of multidisciplinary commentaries offers readers new ways of looking at the relationship between mathematics and urban forms. Being the first book on this topic, *Mathematics of Urban Morphology* will be an invaluable resource for applied mathematicians and anyone studying urban morphology. Additionally, anyone who is interested in cities from the angle of economics, sociology, architecture, or geography will also find it useful. "This book provides a useful perspective on the state of the art with respect to urban morphology in general and mathematics as tools and frames to disentangle the ideas that pervade arguments about form and function in particular. There is much to absorb in the pages that follow and there are many pointers to ways in which these ideas can be linked to related theories of cities, urban design and urban policy analysis as well as new movements such as the role of computation in cities and the idea of the smart city. Much food for thought. Read on, digest, enjoy." From the foreword by Michael Batty

Uproarious Cynthia Willett 2019 "Placing theorists in conversation with comedians, *Uproarious* offers a full-frontal approach to the very foundation of comedy and its profound political impact. Here Cynthia Willett and Julie Willett address the four major theories of humor—superiority, relief, incongruity, and social play—through the lens of feminist and game-changing comics Wanda Sykes, Margaret Cho, Hannah Gadsby, Hari Kondabolu, and Tig Notaro."

Theories of Sexual Offending Tony Ward 2006-02-22 This comprehensive text provides an up-to-date review and critique of current theorising about sexual offending. It presents the key ideas underpinning each theory in a clear and accessible manner. Theories are rigorously tested and evaluated, and their merits are examined from both a research and a clinical point of view. Importantly, the emphasis is on providing clear links between theory and practice, and the clinical implications of the different theories and perspectives are explicitly discussed. In addition, a number of new ideas about the aetiology of sexual offending are presented. *Theories of Sexual Offending* is one of the few books to draw all of the disparate strands of theorising together, and is the only one to clearly link theory to practice. It will be a valuable resource for any professional working with sexual offenders, such as clinical and forensic psychologists, psychiatrists, probation officers and social workers. It will also be of interest to students of forensic and clinical psychology.

Raised on the Registry Nicole Pittman 2013 This report details the harm public registration laws cause for youth sex offenders. The laws, which can apply for decades or even a lifetime and are layered on top of time in prison or juvenile detention, require placing offenders' personal information on online registries, often making them targets for harassment, humiliation, and even violence. The laws also severely restrict where, and with whom, youth sex offenders may live, work, attend school, or even spend time.

Viral Loads Lenore Manderson 2021-09-20 Drawing upon the empirical scholarship and research expertise of contributors from all settled continents and from diverse life settings and economies, *Viral Loads* illustrates how the COVID-19 pandemic, and responses to it, lay bare and load onto people's lived realities in countries around the world. A crosscutting theme pertains to how social unevenness and gross economic disparities are shaping global and local responses to the pandemic, and illustrate the effects of both the virus and efforts to contain it in ways that amplify these inequalities. At the same time, the contributions highlight the nature of contemporary social life, including virtual communication, the nature of communities, neoliberalism and contemporary political economies, and the shifting nature of nation states and the role of government. Over half of the world's population has been affected by restrictions of movement, with physical distancing requirements and self-isolation recommendations impacting profoundly on everyday life but also on the economy, resulting also, in turn, with dramatic shifts in the economy and in mass unemployment. By reflecting on how the pandemic has interrupted daily lives, state infrastructures and healthcare systems, the contributing authors in this volume mobilise anthropological theories and concepts to locate the pandemic in a highly connected and exceedingly unequal world. The book is ambitious in its scope - spanning the entire globe - and daring in its insistence that medical anthropology must be a part of the growing calls to build a new world.

Violence and Mental Disorders Bernardo Carpiniello 2019-11-30 This book explores the issue of violence in detail, taking into account the role of contextual factors, as well as the epidemiology, risk factors and clinical aspects of violence related to the main mental disorders. It also offers practical information on its management - from prevention to treatment. Covering all aspects of the problem of violence in mental disorders, the book is divided into four parts: general aspects; risk factors, phenomenology and characteristics of violence in mental disorders; contexts of violence; and prevention and management of violence in mental health. It also discusses violence in the various settings of mental health system, an aspect that has not previously been fully addressed. The volume is intended for all those who are interested in mental health, including scholars, professionals, and students.

Child Pornography and Sex Rings Kenneth V. Lanning 1984

Gun Violence and Mental Illness Liza H. Gold, M.D. 2015-11-17 Perhaps never before has an objective, evidence-based review of the intersection between gun violence and mental illness been more sorely needed or more timely. *Gun Violence and Mental Illness*, written by a multidisciplinary roster of authors who are leaders in the fields of mental health, public health, and public policy, is a practical guide to the issues surrounding the relation between firearms deaths and mental illness. Tragic mass shootings that capture headlines reinforce the mistaken beliefs that people with mental illness are violent and responsible for much of the gun violence in the United States. This misconception stigmatizes individuals with mental illness and distracts us from the awareness that approximately 65% of all firearm deaths each year are suicides. This book is an apolitical exploration of the misperceptions and realities that attend gun violence and mental illness. The authors frame both pressing social issues as public health problems subject to a variety of interventions on individual and collective levels, including utilization of a novel perspective: evidence-based

interventions focusing on assessments and indicators of dangerousness, with or without indications of mental illness. Reader-friendly, well-structured, and accessible to professional and lay audiences, the book: * Reviews the epidemiology of gun violence and its relationship to mental illness, exploring what we know about those who perpetrate mass shootings and school shootings. * Examines the current legal provisions for prohibiting access to firearms for those with mental illness and whether these provisions and new mandated reporting interventions are effective or whether they reinforce negative stereotypes associated with mental illness. * Discusses the issues raised in accessing mental health treatment in regard to diminished treatment resources, barriers to access, and involuntary commitment.* Explores novel interventions for addressing these issues from a multilevel and multidisciplinary public health perspective that does not stigmatize people with mental illness. This includes reviews of suicide risk assessment; increasing treatment engagement; legal, social, and psychiatric means of restricting access to firearms when people are in crisis; and, when appropriate, restoration of firearm rights. Mental health clinicians and trainees will especially appreciate the risk assessment strategies presented here, and mental health, public health, and public policy researchers will find *Gun Violence and Mental Illness* a thoughtful and thought-provoking volume that eschews sensationalism and embraces serious scholarship.

The A-Z of Therapeutic Parenting Sarah Naish 2018-04-16 Therapeutic parenting is a deeply nurturing parenting style, and is especially effective for children with attachment difficulties, or who experienced childhood trauma. This book provides everything you need to know in order to be able to effectively therapeutically parent. Providing a model of intervention, *The A-Z of Therapeutic Parenting* gives parents or caregivers an easy to follow process to use when responding to issues with their children. The following A-Z covers 60 common problems parents face, from acting aggressively to difficulties with sleep, with advice on what might trigger these issues, and how to respond. Easy to navigate and written in a straightforward style, this book is a 'must have' for all therapeutic parents.

Reading Law Antonin Scalia 2012 In this groundbreaking book, Scalia and Garner systematically explain all the most important principles of constitutional, statutory, and contractual interpretation in an engaging and informative style with hundreds of illustrations from actual cases. Is a burrito a sandwich? Is a corporation entitled to personal privacy? If you trade a gun for drugs, are you using a gun in a drug transaction? The authors grapple with these and dozens of equally curious questions while explaining the most principled, lucid, and reliable techniques for deriving meaning from authoritative texts. Meanwhile, the book takes up some of the most controversial issues in modern jurisprudence. What, exactly, is textualism? Why is strict construction a bad thing? What is the true doctrine of originalism? And which is more important: the spirit of the law, or the letter? The authors write with a well-argued point of view that is definitive yet nuanced, straightforward yet sophisticated.

COVID-19 and Education Christopher Cheong 2021-05-28 Topics include work-integrated learning (internships), student well-being, and students with disabilities. Also, it explores the impact on assessments and academic integrity and what analysis of online systems tells us. Preface ix Section I: Introduction 1 Chapter 1: COVID-19 Emergency Education Policy and Learning Loss: A Comparative Study 3 Athena Vongalis-Macrow, Denise De Souza, Clare Littleton, Anna Sekhar Section II: Student and Teacher Perspectives 27 Chapter 2: Classrooms Going Digital – Evaluating Online Presence Through Students’ Perception Using Community of Inquiry Framework 29 Hiep Cong Pham, Phuong Ai Hoang, Duy Khanh Pham, Nguyen Hoang Thuan, Minh Nhat Nguyen Chapter 3: A Study of Music Education, Singing, and Social Distancing during the COVID-19 Pandemic: Perspectives of Music Teachers and Their Students in Hong Kong, China 51 Wai-Chung Ho Hong Kong Baptist University Chapter 4: The Architectural Design Studio During a Pandemic: A Hybrid Pedagogy of Virtual and Experiential Learning 75 Cecilia De Marinis, Ross T. Smith Chapter 5: Enhancing Online Education with Intelligent Discussion Tools 97 Jake Renzella, Laura Tubino, Andrew Cain, Jean-Guy Schneider Section III: Student Experience 115 Chapter 6: Australian Higher Education Student Perspectives on Emergency Remote Teaching During the COVID-19 Pandemic 117 Christopher Cheong, Justin Filippou, France Cheong, Gillian Vesty, Viktor Arity Chapter 7: Online Learning and Engagement with the Business Practices During Pandemic 151 Aida Ghalebeigi, Ehsan Gharraie Chapter 8: Effects of an Emergency Transition to Online Learning in Higher Education in Mexico 165 Deon Victoria Heffington, Vladimir Veniamin Cabañas Victoria Chapter 9: Factors Affecting the Quality of E-Learning During the COVID-19 Pandemic From the Perspective of Higher Education Students 189 Kesavan Vadakalur Elumalai, Jayendira P Sankar, Kalaichelvi R, Jeena Ann John, Nidhi Menon, Mufleh Salem M Alqahtani, May Abdulaziz Abumelha Disabilities 213 Chapter 10: Learning and Working Online During the COVID-19 Pandemic: A Wellbeing Literacy Perspective on Work Integrated Learning Students 215 Nancy An, Gillian Vesty, Christopher Cheong Chapter 11: Hands-on Learning in a Hands-off World: Project-Based Learning as a Method of Student Engagement and Support During the COVID-19 Crisis .. 245 Nicole A. Suarez, Ephemeral Roshdy, Dana V. Bakke, Andrea A. Chiba, Leanne Chukoskie Chapter 12: Positive and Contemplative Pedagogies: A Holistic Educational Approach to Student Learning and Well-being 265 Sandy Fitzgerald (née Ng) Chapter 13: Taking Advantage of New Opportunities Afforded by the COVID-19 Pandemic: A Case Study in Responsive and Dynamic Library and Information Science Work Integrated Learning 297 Jessie Lymn, Suzanne Pasanai Chapter 14: Online Learning for Students with Disabilities During COVID-19 Lockdown 313 Mark Taylor Section V: Teacher Practice 331 Chapter 15: From Impossibility to Necessity: Reflections on Moving to Emergency Remote University Teaching During COVID-19 333 Mikko Rajanen Chapter 16: Business (Teaching) as Usual Amid the COVID-19 Pandemic: A Case Study of Online Teaching Practice in Hong Kong 355 Tsz Kit Ng, Rebecca Reynolds, Man Yi (Helen) Chan, Xiu Han Li, Samuel Kai Wah Chu Chapter 17: Secondary School Language Teachers’ Online Learning Engagement during the COVID-19 Pandemic in Indonesia 385 Imelda Gozali, Anita Lie, Siti Mina Tamah, Katarina Retno Triwidayati, Tresiana Sari Diah Utami, Fransiskus Jemadi Chapter 18: Riding the COVID-19 Wave: Online Learning Activities for a Field-based Marine Science Unit 415 PF Francis Section VI: Assessment and Academic Integrity 429 Chapter 19: Student Academic Integrity in Online Learning in Higher Education in the Era of COVID-19 431 Carolyn Augusta, Robert D. E. Henderson Chapter 20: Assessing Mathematics During COVID-19 Times 447 Simon James, Kerri Morgan, Guillermo Pineda-Villavicencio, Laura Tubino Chapter 21: Preparedness of Institutions of Higher Education for Assessment in Virtual Learning Environments During the COVID-19 Lockdown: Evidence of Bona Fide Challenges and Pragmatic Solutions 465 Talha Sharadgah, Rami Sa’di Section VII: Social Media, Analytics, and Systems 487 Chapter 22: Learning Disrupted: A Comparison of Two Consecutive Student Cohorts 489 Peter Vitartas, Peter Matheis Chapter 23: What Twitter Tells Us about Online Education During the COVID-19 Pandemic 503 Sa Liu, Jason R Harron

A Deep Wound Under My Heart Michael Salter 2020-06-11

Women and Capital Punishment in the United States David V. Baker 2015-11-26 The history of the execution of women in the United States has largely been ignored and scholars have given scant attention to gender issues in capital punishment. This historical analysis examines the social, political and economic contexts in which the justice system has put women to death, revealing a pattern of patriarchal domination and female subordination. The book includes a discussion of condemned women granted executive clemency and judicial commutations, an inquiry into women falsely convicted in potentially capital cases and a profile of the current female death row population.

Multisystemic Resilience Michael Ungar 2021 "Across diverse disciplines, the term resilience is appearing more and more often. However, while each discipline has developed theory and models to explain the resilience of the systems they study (e.g., a natural environment, a community post-

disaster, the human mind, a computer network, or the economy), there is a lack of over-arching theory that describes: 1) whether the principles that underpin the resilience of one system are similar or different from the principles that govern resilience of other systems; 2) whether the resilience of one system affects the resilience of other co-occurring systems; and 3) whether a better understanding of resilience can inform the design of interventions, programs and policies that address "wicked" problems that are too complex to solve by changing one system at a time? In other words (and as only one example among many) are there similarities between how a person builds and sustains psychological resilience and how a forest, community or the business where he or she works remains successful and sustainable during periods of extreme adversity? Does psychological resilience in a human being influence the resilience of the forests (through a change in attitude towards conservation), community (through a healthy tolerance for differences) and businesses (by helping a workforce perform better) with which a person interacts? And finally, does this understanding of resilience help build better social and physical ecologies that support individual mental health, a sustainable environment and a successful economy at the same time?"--

The Wiley Handbook of Disruptive and Impulse-Control Disorders John E. Lochman 2017-10-23 The definitive reference to the policies and practices for treating disruptive and impulse-control disorders, edited by renowned experts The Wiley Handbook of Disruptive and Impulse-Control Disorders offers a comprehensive overview that integrates the most recent and important scholarship and research on disruptive and impulse-control disorders in children and adolescents. Each of the chapters includes a summary of the most relevant research and knowledge on the topic and identifies the implications of the findings along with important next directions for research. Designed to be practical in application, the text explores the applied real-world value of the accumulated research findings, and the authors include policy implications and recommendations. The Handbook address the nature and definition of the disorders, the risk factors associated with the development and maintenance of this cluster of disorders, assessment processes, as well as the evidence-based treatment and prevention practices. The volume incorporates information from the ICD-11, a newly revised classification system, along with the recently published DSM-5. This important resource: Contains a definitive survey that integrates the most recent and important research and scholarship on disruptive and impulse-control disorders in children and adolescents Emphasizes the applied real-world value of the accumulated research findings Explores the policy implications and recommendations to encourage evidence-based practice Examines the nature and definition, risk factors, assessment, and evidence-based practice; risk factors are subdivided into child, family, peer group and broader context Considers changes, advances and controversies associated with new and revised diagnostic categories Written for clinicians and professionals in the field, The Wiley Handbook of Disruptive and Impulse-Control Disorders offers an up-to-date review of the most authoritative scholarship and research on disruptive and impulse-control disorders in children and adolescents as well as offering recommendations for practice.

This Bridge Called My Back Cherríe Moraga 1983 This groundbreaking collection reflects an uncompromised definition of feminism by women of color. 65,000 copies in print.

Primary Documents Mário Pedrosa 2015 The seventh release in an ambitious series of documentary anthologies published under the auspices of MoMA's International Program, this volume offers Anglophone readers an excellent introduction to the work of Mário Pedrosa (1900-81), one of Brazil's most influential art critics and social commentators. Organized in eight thematic groupings, the well-chosen, elegantly translated texts--most of which originally appeared in Brazilian newspapers--range in date from 1927 to 1981 and draw from Pedrosa's extensive writings on art, architecture, the role of criticism and the critic, and the politics of culture and from his professional and personal correspondence. Informative brief essays by critics and scholars, including some who knew and collaborated with Pedrosa, introduce the volume as a whole and preface each of the eight sections. Pedrosa's life and career are detailed in a chronology created by his grandson. This long-overdue volume makes an important contribution to the literature of modernism. -- Choice.

Planet of Slums Mike Davis 2007-09-17 Celebrated urban theorist Davis provides a global overview of the diverse religious, ethnic, and political movements competing for the souls of the new urban poor.

Clinical Neurotoxicology E-Book Michael R. Dobbs 2009-07-22 Clinical Neurotoxicology offers accurate, relevant, and comprehensive coverage of a field that has grown tremendously in the last 20 years. You'll get a current symptomatic approach to treating disorders caused by neurotoxic agents, environmental factors—such as heavy metals and pesticides—and more. Apply discussions of cellular and molecular processes and pathology to clinical neurology. Leading authorities and up-and-coming clinical neurotoxicologists present their expertise on wide-ranging, global subjects and debate controversies in the specialty, including Gulf War Syndrome. Provides a complete listing of neurotoxic agents—from manufactured to environmental—so you get comprehensive, clinical coverage. Covers how toxins manifest themselves according to age and co-morbidity so that you can address the needs of all your patients. Offers broad and in-depth coverage of toxins from all over the world through contributions by leading authorities and up-and-coming clinical neurotoxicologists. Features discussion of controversial and unusual topics such as Gulf War Syndrome, Parkinson's Disease, motor neuron disease, as well as other issues that are still in question.

Health Issues in the Black Community Ronald L. Braithwaite 2009-10-22 Health Issues in the Black Community THIRD EDITION "The outstanding editors and authors of Health Issues in the Black Community have placed in clear perspective the challenges and opportunities we face in working to achieve the goal of health equity in America." —David Satcher, MD, PhD, 16th Surgeon General of the United States and director, Satcher Health Leadership Institute at Morehouse School of Medicine "Eliminating health disparities must be a central goal of any forward thinking national health policy. Health Issues in the Black Community makes a valuable contribution to a much-needed dialogue by focusing on the challenges of the black community." —Marc Morial, Esq., president, National Urban League "Health Issues in the Black Community illuminates comprehensively the range of health conditions specifically affecting African Americans, and the health disparities both within the black community and between racial and ethnic groups. Each chapter, whether addressing the health of African Americans by age, gender, type of disease, condition or behavior, is well-detailed and tells an important story. Together, they offer practitioners, consumers, scholars, and policymakers a crucial roadmap to address and change the social determinants of health, reduce disparities, and create more equal treatment for all Americans." —Risa Lavizzo-Mourey, MD, MBA, president, Robert Wood Johnson Foundation "I recommend Health Issues in the Black Community as a must-read for anyone concerned about the future of the African American community. Health disparities continues to be one of the major issues confronting the black community. This book will help to highlight the issues and keep attention focused on the work to be done." —Elsie Scott, PhD, president of the Congressional Black Caucus Foundation "This book is the definitive examination of health issues in black America—issues sadly overlooked and downplayed in our culture and society. I congratulate Drs. Braithwaite, Taylor, and Treadwell for their monumental book." —Cornel West, PhD, professor, Princeton University

Event Tourism Donald Getz 2013

The Psychology of Conflict and Conflict Management in Organizations Carsten K. W. De Dreu 2013-01-08 This volume in SIOP's Organizational Frontiers Series is a state-of-the-art overview of contemporary conflict research which aims to place conflict research and theory squarely within the realm of industrial and organizational psychology. This volume brings together and integrates classic and contemporary insight in conflict origins, conflict processes, and conflict consequences. In addition, it stimulates modeling conflict at work at relevant levels of analyses: the interpersonal and group, and the organizational. It is appropriate for scholars and practitioners in the areas of industrial-organizational psychology, human resource management, organizational behavior, applied psychology, and social psychology.

Black on Both Sides C. Riley Snorton 2017-12-05 Winner of the John Boswell Prize from the American Historical Association 2018 Winner of the William Sanders Scarborough Prize from the Modern Language Association 2018 Winner of an American Library Association Stonewall Honor 2018 Winner of Lambda Literary Award for Transgender Nonfiction 2018 Winner of the Sylvia Rivera Award in Transgender Studies from the Center for Lesbian and Gay Studies The story of Christine Jorgensen, America's first prominent transsexual, famously narrated trans embodiment in the postwar era. Her celebrity, however, has obscured other mid-century trans narratives—ones lived by African Americans such as Lucy Hicks Anderson and James McHarris. Their erasure from trans history masks the profound ways race has figured prominently in the construction and representation of

transgender subjects. In *Black on Both Sides*, C. Riley Snorton identifies multiple intersections between blackness and transness from the mid-nineteenth century to present-day anti-black and anti-trans legislation and violence. Drawing on a deep and varied archive of materials—early sexological texts, fugitive slave narratives, Afro-modernist literature, sensationalist journalism, Hollywood films—Snorton attends to how slavery and the production of racialized gender provided the foundations for an understanding of gender as mutable. In tracing the twinned genealogies of blackness and transness, Snorton follows multiple trajectories, from the medical experiments conducted on enslaved black women by J. Marion Sims, the “father of American gynecology,” to the negation of blackness that makes transnormativity possible. Revealing instances of personal sovereignty among blacks living in the antebellum North that were mapped in terms of “cross dressing” and canonical black literary works that express black men’s access to the “female within,” *Black on Both Sides* concludes with a reading of the fate of Phillip DeVine, who was murdered alongside Brandon Teena in 1993, a fact omitted from the film *Boys Don’t Cry* out of narrative convenience. Reconstructing these theoretical and historical trajectories furthers our imaginative capacities to conceive more livable black and trans worlds.

A Critical Rewriting of Global Political Economy V. Spike Peterson 2004-03 This book rewrites global political economy by bringing disparate features of globalization into relation and providing an accessible narrative of "how we got here," "what's going on," and "what it means" from a critical vantage point.

Adolescent Risk Behaviors David A. Wolfe 2008-10-01 This book focuses on the crucial role that relationships play in the lives of teenagers. The authors particularly examine the ways that healthy relationships can help teens avoid such common risk behaviors as substance abuse, dating violence, sexual assault, and unsafe sexual practices. Addressing the current lack of effective prevention programs for teens, they present new strategies for encouraging healthy choices. The book first traces differences between the “rules of relating” for boys and girls and discusses typical and atypical patterns of experimentation in teens. The authors identify the common link among risk behaviors: the relationship connection. In the second part of the book, they examine the principles of successful programs used by schools and communities to cultivate healthy adolescent development. An illuminating conclusion describes the key ingredients for engaging adolescents, their parents, teachers, and communities in the effort to promote healthy, nonviolent relationships among teens.

Medical Child Abuse Thomas A. Roesler 2009 Thomas A. Roesler, MD, FAAP and Carole Jenny, MD, MBA, FAAP make the case that the term Munchausen syndrome by proxy should be retired permanently and replaced with a commonsense appreciation that children can be abused by their parents in the medical environment. Physicians who find themselves providing unnecessary and harmful medical care can see the abuse for what it is, another way parents can harm children. the book offers the first detailed and comprehensive description of treatment for this form of child maltreatment.

The Psychology of Abusive/Predatory Relationships Miranda J. Houston 2012-09 In *The Psychology of Abusive/Predatory Relationships* author Miranda J. Houston assists women in increasing their insight and awareness regarding the dynamics of these toxic relationships. She shares valuable information on how women can set themselves free and avoid future drama. This guide will assist women in the following areas: Distinguishing the difference between an abusive relationship and a predatory relationship. Understanding the psyche of a predator Identifying the two most vulnerable spots in a woman’s psyche. Emotional manipulation techniques employed by predators to keep women stuck in predatory relationships. Steps to assist women in repairing damaged instincts. How to disarm and detach from the predator. Changing one’s relationship blueprint. Finally, *The Psychology of Abusive/ Predatory Relationships* assists women in discovering the gifts within themselves, determine what they want out of life and get on a path where they will be able to attract the kind of mate they desire.

The Creek Side Bones George Jared 2017-03-29 This real-life tragedy began on a stormy night with a knock at the front door. A friend needed help with his car. What happened to Carl, Lisa, Gregory, and Felicia that night is worse than any fictional horror story you've ever read or seen on the big screen. Little girls should never have to live in a barrel ... Award-winning journalist and best-selling author George Jared takes readers on a gripping and chilling journey with his latest true-crime book, *The Creek Side Bones* ... Reality is more horrifying than fiction. The book details how the Elliott family in Dalton, Ark., lived in constant fear in the summer 1998. How they met their fates is ghastly. Jared covered two murder trials in connection with the case, and provides his own theories as to how and why the Elliott family was murdered. Four other murder cases are also detailed in the book. Sidney Nicole Randall was a beauty pageant queen, about to enter high school when a monster stole her away in the dark. Bridgett Sellers was a mother of three who vanished without a trace while on a walk down Peace Valley Road. Her fate is incomprehensible. Bob Castleman was a respected attorney and Vietnam War vet until the drugs, murder, a live copperhead snake; Native American artifact fraud consumed his life. The book also includes an update on the unsolved Rebekah Gould case. The 22-year-old college student was murdered Sept. 20, 2004, in Melbourne, Arkansas. There are suspects in the case, but to this day, no one has been jailed for her brutal death. Jared has won numerous first place awards for investigative journalism, feature writing, news stories, and others with the coveted Associated Press Managing Editors and the Arkansas Press Association. His first book *Witches in West Memphis* ... and another false confession detailed his coverage of the internationally famous "West Memphis Three" case. Three Marion, Ark., teens - Damien Echols, Jason Baldwin, and Jessie Misskelley Jr. - were convicted in the 1993 murders Christopher Byers, Stevie Branch, and Michael Moore. The boys' bodies were found nude and bound in a drainage ditch near their homes one day after they disappeared May 5, 1993. Prosecutors claimed the boys were sacrificed in a Satanic ceremony orchestrated by the convicted. There was only one problem. These three didn't do it. It took nearly 20 years to free them. Jared wrote more stories about the case than any journalist in the world. He was cited in *Life After Death*, a New York Times best-selling book about the case. He also received credit for in the Academy Award nominated documentary *Paradise Lost Three ... Purgatory* also about the case. Through the years, the longtime newsman has written thousands of stories on a wide range of topics. Get a copy of *The Creek Side Bones* today.

Returning Home from Iraq and Afghanistan Institute of Medicine 2010-03-31 Nearly 1.9 million U.S. troops have been deployed to Afghanistan and Iraq since October 2001. Many service members and veterans face serious challenges in readjusting to normal life after returning home. This initial book presents findings on the most critical challenges, and lays out the blueprint for the second phase of the study to determine how best to meet the needs of returning troops and their families.

You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

Understanding The Psychology Of Abusive Predatory Relationships Miranda J Houston

Before you embark on your journey to find The Psychology Of Abusive Predatory Relationships Miranda J Houston online, it's essential to grasp the concept of The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook formats. The Psychology Of Abusive Predatory Relationships Miranda J Houston come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks in these formats.

The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook Websites and Repositories

One of the primary ways to find The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks online is through dedicated eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook and discuss important considerations of The Psychology Of Abusive Predatory Relationships Miranda J Houston.

Popular eBook Websites

1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

The Psychology Of Abusive Predatory Relationships Miranda J Houston Legal Considerations

While these The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

Copyright: Ensure that you respect copyright laws when downloading and sharing The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks. Public domain The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks are generally safe to download and share, but always check the copyright status.

Terms of Use: Familiarize yourself with the terms of use and licensing agreements on these websites. The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks may have specific usage restrictions.

Support Authors: Whenever possible, consider purchasing The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

Public Domain eBooks

Public domain The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks online.

The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover The Psychology Of Abusive Predatory Relationships Miranda J Houston across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

Effective Search The Psychology Of Abusive Predatory Relationships Miranda J Houston

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

1. Use Precise Keywords:

Be specific with your search terms. Include the book title The Psychology Of Abusive Predatory Relationships Miranda J Houston, author's name, or specific genre for targeted results.

2. Utilize Quotation Marks:

To search The Psychology Of Abusive Predatory Relationships Miranda J Houston for an exact phrase or book title, enclose it in quotation marks. For example, "The Psychology Of Abusive Predatory Relationships Miranda J Houston."

3. The Psychology Of Abusive Predatory Relationships Miranda J Houston Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "The Psychology Of Abusive Predatory

Relationships Miranda J Houston eBook."

4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find The Psychology Of Abusive Predatory Relationships Miranda J Houston in your preferred format.

5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

Google Books and Beyond

Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free The Psychology Of Abusive Predatory Relationships Miranda J Houston available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free The Psychology Of Abusive Predatory Relationships Miranda J Houston.

You can search by title The Psychology Of Abusive Predatory Relationships Miranda J Houston, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for The Psychology Of Abusive Predatory Relationships Miranda J Houston and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of The Psychology Of Abusive Predatory Relationships Miranda J Houston, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

Search Engines: These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

Websites: eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles The Psychology Of Abusive Predatory Relationships Miranda J Houston or genres. They serve as powerful tools in your quest for the perfect eBook.

The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook Torrenting and Sharing Sites

The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore The Psychology Of Abusive Predatory Relationships Miranda J

Houston eBook torrenting and sharing sites, how they work, and how to use them safely.

Find The Psychology Of Abusive Predatory Relationships Miranda J Houston Torrenting vs. Legal Alternatives

The Psychology Of Abusive Predatory Relationships Miranda J Houston Torrenting Sites:

The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks directly from one another.

While these sites offer The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

The Psychology Of Abusive Predatory Relationships Miranda J Houston Legal Alternatives:

Some torrenting sites host public domain The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks legally.

Staying Safe Online to download The Psychology Of Abusive Predatory Relationships Miranda J Houston

When exploring The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook Sources:

Be cautious when downloading The Psychology Of Abusive Predatory Relationships Miranda J Houston from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks that you have the right to access.

The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook Torrenting and Sharing Sites

Here are some popular The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While The Psychology Of Abusive Predatory Relationships Miranda J Houston eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to The Psychology Of Abusive Predatory Relationships Miranda J Houston eBooks.

The Psychology Of Abusive Predatory Relationships Miranda J Houston:
