

The Man And Woman Relationship A New Center For The Universe

Theologizing in Black Celucien L. Joseph 2020-04-15 Theologizing in Black is a creative and rigorous comparative study on black theological musings and liberative intellectual contemplations engaging the theological ethics and anthropology of both continental African theologians (Tanzania, Kenya, Democratic Republic of the Congo) and black theologians in the African Diaspora (Haiti, Trinidad, Jamaica, Antigua and Barbuda, United States). Using the pluralist approach to religion promoted by the philosopher of religion and theologian John Hick, the book is also an attempt to bridge an important gap in the comparative study of religion, Africana Studies, and Liberation theology, both in Africa and its diaspora. The book provides an analytical framework and intellectual critique of white Christian theologians who deliberately disengage with and exclude black and Africana theologians in their theological writings and conversations. From this vantage point, Africana critical theology is said to be a theology of contestation as it seeks to deconstruct white supremacy in the theological enterprise. This book not only articulates a rhetoric of protest about the misrepresentation and underrepresentation of the humanity of African and black people in white theological imagination; it also enunciates a positive image of black humanity and congruently promulgates a constructive representation of blackness. The paramount goal of Africana theological anthropology and ethics is the preservation of life and promotion of human dignity and the sheer acknowledgement that the African people and people of African descent are bearers of the image of God.

The Man and Woman Relationship Christopher Alan Anderson 2012-09-01 A philosophical accounting of the man and woman relationship with its metaphysical, epistemological, and ethical aspects required to form an understanding of the world in which we live. "This structuring or rooting of each man or woman in his or her own universal man and woman relationship will bring forth a consciousness of that other part or sexed half, so that one may know and experience a connection with their sexual other at each moment throughout one's life." *The Man and Woman Relationship: A New Center for the Universe* Author Bio: Christopher Alan Anderson (1950 -) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental/romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love. Mr. Anderson began these writings in 1971. The first writings were published in 1985. On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message was he responded, "Spiritual procreation. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems and why we cannot yet touch the eternal together. The message of man and woman balance brings each of us together in love with our eternal other half right now." keywords: Philosophy, Relationship, Man And Woman, Creation, Thought, Sexual, Balance, Life...

Our Purpose Together Christopher Alan Anderson 2012-09-12 Jesus came to bring the eternal down to earth. Did he fail or did we fail? In the article, the author suggests the center of love was not correctly defined and, as such, the eternal remains separated from us. The author provides us with a procreant center that allows for us to embrace our eternal life together. Freedom from Depression Christopher Alan Anderson 2012-09-11 Depression may be the scourge of our times. It eats away at us from the inside. It is relentless. What can one do? This is the question the author addresses in this article, suggesting that there is hope for those willing to go to that deepest placement in their souls. The Turn to Transcendence Glenn W. Olsen 2012-07-30 "Phenomenal . . . A must read for us who desire to topple the dictatorship of relativism and culture of death and replace it with the only alternative" (The Imaginative Conservative). Especially concerned with the public nature of religion, historian Glenn W. Olsen—author of *Christian Marriage: A Historical Study* and *On the Road to Emmaus: The Catholic Dialogue with American and Modernity*—sets forth an exhaustively researched and persuasive account of how religion has been reshaped in the modern period. *The Turn to Transcendence* traces both the loss of transcendence and attempts to recover it while making its own proposals. Neither reactionary nor modernist, it questions how—under conditions of modern life—some form of the sacred and some form of the secular might both flourish at the same time. But it also provides a warning that a religion unable to maintain itself with its own overt architecture, language, and calendars against an enveloping secular culture is destined for oblivion. "Glenn Olsen's book could hardly be more pivotal or insightful. Confronting the growing amnesia regarding culture's religious origin and transcendent purpose, Olsen proves both a masterful cartographer of modernity and a visionary of a culture that encourages and enables us to seek beyond ourselves." —Carl A. Anderson, Supreme Knight of the Knights of Columbus "A brilliant book. It rests on an amazing amount of scholarship that is wide-ranging in history, literature, art, science, music, theology, and philosophy." —James Hitchcock, professor of history, St. Louis University

The Andromeda Galaxy and the Rise of Modern Astronomy David Schultz 2012-04-23 *The Andromeda Galaxy - Messier's M31 - has an almost romantic appeal. It is the most distant object and the only extragalactic object that is visible to the unaided human eye. Now known to be about 21/2 million light-years away, it appears in the sky to be several times the width of the full Moon under good seeing conditions. The Andromeda Galaxy and the Rise of Modern Astronomy examines the astronomical studies of Andromeda and its importance to our developing knowledge of the universe. The book discusses how M31 was described both by the Ancients, but more importantly, by astronomers from the nineteenth century to the present. While at the start of the twentieth century the universe was thought of as a finite cosmos dominated by the Milky Way, the study of Andromeda galaxy shattered that image, leading ultimately to the conception of an infinite universe of countless galaxies and vast distances. Even today, M31 is a major focal point for new astronomical discoveries, and it also remains one of the most popular (and rewarding) celestial objects for amateur astronomers to observe and study. This book reveals the little-known history of M31 and the scientists who study it. For all who are interested in astronomy, the skies, and perhaps even the origins of the universe, *The Andromeda Galaxy and the Rise of Modern Astronomy* provides a first-of-its-kind accessible, informative, and highly readable account of how the study and observation of this celestial object has driven the development of astronomy from ancient times to the present.*

Spiritual Healing ...of Our Eternal Souls for all Time! Christopher Alan Anderson 2016-01-18 In Spiritual Healing ...of Our Eternal Souls for all Time! the author tackles the question of universal karma/original sin and how we may free ourselves from that, not just in the eternal sense but in the present moment. As American writer Henry David Thoreau stated, "Most men lead lives of quiet desperation and go to the grave with the song still in them." It is the present moment the author wants to address and in so doing, he contends, the eternal takes care of itself. The author presents this writing as a foundational shift (a recalibration of our very souls!) that transcends our current religions and philosophies both East and West. The 2008 - 2009 Articles Christopher Alan Anderson 2012-09-19 This writing comprises thirty-six articles the author wrote primarily during the years 2008 - 2009. The exception being the first article which was written in 2005. These articles are written on a number of different topics for the purpose of enlightening and enlarging the theme of Man and Woman Balance as a metaphysical construct. "Can we now define love? Might we begin with the terms Father and Mother? Or how about Husband and Wife? Procreant balance--(the Omnific term)--and a child, son or daughter, is born. Spiritual procreation--(the Omnific term)--operating everywhere at all times, reflecting back to us the love the resides in our hearts. Two forces, male and female, equal and opposite, dividing and uniting, procreating all the love that exists right now."-- 'I' Will Lift Up Mine Eyes--The 2008 - 2009 Articles Author Bio: Christopher Alan Anderson (1950 -) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. Being in Life Christopher Alan Anderson 2012-09-11 Is Original Sin a metaphysical reality or does its existence arises out of the imbalance in our own souls? Man, Woman, and God Christopher Alan Anderson 2012-09-11 There is a great misunderstanding today concerning the natures of man and of woman, and of the essence of God. This may be the cause of our human relations problem. The purpose of this writing is to clarify this misunderstanding thereby allowing us to know and experience man, woman, and God. "I sought the center of all life yet could not find it until the day I said to myself, 'I shall not seek.' And this is what I saw--a mother with a babe at her breast, a man plowing a field, children playing on a swing, a father taking his last breath, a man and a woman walking down the aisle together--I saw life. And in that moment, I knew that there existed God the Father and God the Mother giving their lives to each other, over and over again, to create one more moment of life." Proposition 8 Christopher Alan Anderson 2012-09-12 The author's discourse and analysis of California's Proposition 8: The Marriage Amendment. The Metaphysics of Sex ...in a Changing World! Christopher Alan Anderson 2014-07-16 Is sex metaphysical? This is to say, does it have a purpose and a nature that is encoded in the very construct of the universe? These are the questions the author takes up in this day and age where most everything is up for grabs. This writing is not without an examination of sensitive issues and explicit terms. Think of it as a third way, if you will. It resides between the "fixed" identity of our declining religions and the "fluid" identity of the emerging L,G,B,T,Q movement. In that it presents to us all another choice. In the end, it is about a construct for sexual balance that any reader can understand and use as a guide for his or her life. Illumination Christopher Alan Anderson 2012-09-11 A metaphysical account as well as the author's own experience of illumination. This writing is a step into the light of a procreative metaphysics as well as being the author's most autobiographical statement. "The Man and Woman Spiritual Center is only expressed in an actual touch between a man and a woman. It cannot be expressed in any other way. That touch may range from a momentary conscious recognition to a full embrace, but a touch, one to another, it is. The Spiritual Center is not expressed through belief, pledge, worship, ritual, or the paying of alms. It is not something that can be institutionalized, dogmatized, or ratified. There isn't any prescribed path to take, master to follow, or status to attain for its expression. There is only a man and a woman, touching and expressing creation together." This writing is the author's socio-economic statement and allows each of us to step beyond the domination and bondage of our current political systems. In a sovereign relationship, both parts are free to choose for each part is equal in right to the other." *The Man and Woman Manifesto: Let the Revolution Begin* Author Bio: Christopher Alan Anderson (1950 -) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. The Collected Works of Witness Lee, 1963, volume 4 Witness Lee 2021-05-28 The Collected Works of Witness Lee, 1963, volume 4, contains the messages and fellowship given by Brother Witness Lee from September 4 through December 31, 1963. In the first part of September Brother Lee spent a few days ministering to the saints in Las Vegas, Nevada. There are indications that he also passed through Albuquerque, New Mexico, for a few days afterward; however, there is no record of his speaking during that time. On the weekend of September 20 and 21 he ministered to the saints in Tyler, Texas, and toward the end of the month he traveled to New York City, where he ministered for more than two weeks. In the month of November Brother Lee returned to Texas for a week to release messages in Tyler and Dallas. The following weekend he stopped briefly in Los Angeles and then traveled up the West Coast to Sacramento and San Francisco, California, giving weeklong conferences in both cities. In December Brother Lee again returned to Los Angeles, where he ministered until the end of the year, sometimes speaking two or three times a day. The contents of this volume are divided into twelve sections, as follows: 1. Four messages given in Las Vegas on September 4 through 7. These messages were published under the title Contacting the Lord, Being Filled in Spirit, and Having Proper Christian Meetings for the Accomplishment of God's Eternal Purpose. There are indications, but no solid evidence, that the last message was given in Albuquerque, New Mexico. 2. Three messages given at a conference in Tyler on September 20 and 21. These messages are included in this volume under the title Experiencing Christ as Life for Our Transformation into His Image. Records indicate that originally four messages were given, but the last two, which were given on the same day and at the same location, were combined into one message. 3. Four messages given at a conference in New York City from September 29 through October 6. These messages are included in this volume under the title The Practical Way to Fulfill God's Eternal Purpose. 4. Four messages given at a conference in New York City on October 11 through 13. These messages were published under the title The Exercise of Our Spirit for the Release of the Spirit. 5. A series of twelve messages given in the Tyler and Dallas area on November 7 through 15. These messages are included in this volume under the title Being Transformed for the Practice of the Church Life. 6. Three messages given in Tyler at various times during the month of November. These messages are included in this volume under the title The Fulfillment of God's Purpose and the Defeat of God's Enemy. 7. Six messages given at a conference in Sacramento on November 22 through 25. These messages were published under the title Experiencing Christ as the Inner Life. 8. Eleven messages given in San Francisco from November 28 through December 1. These messages were published under the title The Relationship of God with Man in God's New Creation. 9. Mind and Spirit Christopher Alan Anderson 2012-09-11 The purpose of Mind and Spirit is to sex (divide into the male and female component parts) that which we call mind and that which we call

spirit. We most often use these terms in a non-sexual or an androgynous way, as if mind and spirit are sexually neutral. I would suggest that that is not the case, that, in fact, mind and spirit are highly sexual, they being either male or female in nature. "The man and woman spiritual center is that center point of touch/spirit between a man and a woman. It comprises the creative process of male and female individualization and unification. It is the living embodiment of a man and woman in their rhythmic balanced interchange." Mind and Spirit Author Bio: Christopher Alan Anderson (1950 -) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental/romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love. Mr. Anderson began these writings in 1971. The first writings were published in 1985. On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message was he responded, "Spiritual procreation. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems and why we cannot yet touch the eternal together. The message of man and woman balance brings each of us together in love with our eternal other half right now." keywords: Mind, Spirit, Sexual Essence, Creative Process, Consciousness

The Case Against Man and Woman - Screenplay Christopher Alan Anderson 2014-10-09 The author's original screenplay on the battle of ideas, the war of world views, and a philosophy on trial. What will be your verdict concerning The Case Against Man and Woman? ...we have never been able to touch the eternal for we have never understood that we can only touch it though each other. A man touches the eternal in a woman when he gives his life to her. That is what the sexual embrace is for a man--he is giving his whole life over to woman. A woman, in receiving that touch, unites with it and, in turn, gives her life to him in the next rebirth of life. You see, the great discovery of our times is that the procreant and the eternal are one. "Urge,urge, urge, always the procreant urge of the world," as Walt Whitman says in his Leaves of Grass. But let us not make the mistake of seeing this procreant process as only physical. It is metaphysical. It is happening right now. Feel it. Feel your other half with you right now. Touch him or her with your heart and never ever let them go. The challenge of our lives is to stand on this procreant love, now and forever. Keywords: Procreant, Balance. Love, Man, Woman, Two Forces, Eternal, Metaphysical, Philosophy, Sex

The Community of Man and Woman Christopher Alan Anderson 2012-09-11 Can we ever find heaven on earth? We strive and seek, why do our visions fail us so? Could it be that the premises we hold, deep within ourselves, preclude the manifestation of the proclaimed vision? This work, The Community of Man and Woman, details a vision and the premises that hold it securely in place. "We are sexual beings residing within a sexual universe. And thus lies our spirituality, our mentality, and our physicality. The creative balance between male and female is as spiritual, mental, and physical as things can get. There isn't anything more real or immediate than that one creative touch between a man and a woman. There isn't any greater love than the love from a man to a woman and from a woman to a man. All that is originates from this sexual love." The Community of Man and Woman Author Bio: Christopher Alan Anderson (1950 -) received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental/romantic tradition, that vein of spiritual creativity of the philosopher and poet.
