**Conjure Tales** Charles Waddell Chesnutt 1973

The Conjure Woman Charles Waddell Chesnutt 2017-05-07 Full text. This collection of short stories is first Chesnutt's book and an important work of African American literature. The seven stories deal with the racial issues facing the South after the war, often through the comments of the character of Uncle Julius McAdoo. A freed slave, he tells the stories to John and Annie, a white couple from the North, who are visiting in their search for property, as they are thinking of moving south (because of Annie's health) and of buying an old plantation in "Patesville", North Carolina. Uncle Julius's stories are derived from African-American folk tales and include many supernatural occurrences built around hoodoo conjuring traditions. They are less idealistic and romanticized than John's understanding of Southern culture. They tell of black resistance to and revenge against white culture. The stories' basis in folk traditions earned publication of the collection. Chesnutt had originally submitted a proposed collection that included only two or three conjure tales, but the editors felt that these were the best and most innovative part of the collection. They asked him to write more in order to have enough for a full book.

**The Conjure Woman** Charles W. Chesnutt 2019-08-27 Originally released in 1899, this seminal collection of short stories present the complexities of the Black-American experience in the Postbellum South. Chesnutt's often subversive tales challenge popular representations of racial identity.

**The Conjure Woman and Other Conjure Tales** Charles W. Chesnutt 2011 Charles W. Chesnutt (1858-1932) was an author, essayist and political activist whose works addressed the complex issues of racial and social identity at the turn of the century.

Chesnutt's early works explored political issues somewhat indirectly, with the intention of changing the attitudes of Caucasians slowly and carefully. His characters deal with difficult issues of miscegenation, illegitimacy, racial identity and social place. The stories in "The Conjure Woman and Other Conjure Tales" were Chesnutt's first great literary success. This collection of thirteen short stories is told by a former slave named Uncle Julius to a white couple who have recently moved to the South. Uncle Julius's tales feature supernatural elements such as haunting, transfiguration, and conjuring that were typical of southern folk tales. In this collection, "Po' Sandy" recounts how a woman changed her lover into a tree to try and protect him. Another story, "Sis' Becky's Pickaninny," tells the tragic story of a slave woman who is parted from her baby when the plantation owner sells her for a race horse.

Conjure Tales and Stories of the Color Line Charles W. Chesnutt 2000-06-01 Unlike the popular "Uncle Remus" stories of Joel Chandler Harris, Charles W. Chesnutt's tales probe psychological depths in black people unheard of before in Southern regional writing. They also expose the anguish of mixed-race men and women and the consequences of racial hatred, mob violence, and moral compromise. This important collection contains all the stories in his two published volumes, *The Conjure Woman* and *The Wife of His Youth*, along with two uncollected works: the tragic "Dave's Neckliss" and "Baxter's Procustes", Chesnutt's parting shot at prejudice. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. observant daughter Rue, who is reluctant to follow in her mother's footsteps as a midwife; and their master's daughter Varina. The secrets and bonds among these women and their community come to a head at the beginning of a war and at the birth of an accursed child, who sets the townspeople alight with fear and a spreading superstition that threatens their newly won, tenuous freedom. Magnificently written, brilliantly researched, richly imagined, *Conjure Women* moves back and forth in time to tell the haunting story of Rue, Varina, and May Belle, their passions and friendships, and the lengths they will go to save themselves and those they love. **LOGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE** "[A] haunting, promising debut . . . Through complex characters and bewitching prose, Atakora offers a stirring portrait of the power conferred between the enslaved women. Atakora structures a plot with plenty of satisfying twists. Life in the immediate aftermath of slavery is powerfully rendered in this impressive first novel."—Kirkus Reviews (starred review)

*The Conjure Woman* Charles W. Chesnutt 2014 *The Conjure Woman* African-American Folk Tales Voodoo, Hoodoo and Slave Magic By Charles W. Chesnutt *The Conjure Woman* is the title of an 1899 collection of seven stories by Charles W. Chesnutt, an important African-American writer from the post-Civil War South; it was his first book. The stories deal with the racial issues facing the South after the war, often through the comments of the character of Uncle Julius McAdoo. A freed slave, he tells the stories to John and Annie, a white couple from the North, who are visiting in their search for property, as they are thinking of moving south (because of Annie's health) and of buying an old plantation in "Patesville", North Carolina. Uncle Julius's stories are derived from African-American folk tales and include many supernatural occurrences built around hoodoo conjuring traditions. They are less idealistic and romanticized than John's

understanding of Southern culture. They tell of black resistance to and revenge against white culture. The stories' basis in folk traditions earned publication of the collection. Chesnutt had originally submitted a proposed collection that included only two or three conjure tales, but the editors felt that these were the best and most innovative part of the collection. They asked him to write more in order to have enough for a full book. The book was adapted by Oscar Micheaux as a silent film released as *The Conjure Woman* in 1926.

**The Conjure Woman and Other Tales** Charles Waddell Chesnutt 2011-06-01 The stories in *The Conjure Woman* were Charles W. Chesnutt's first great literary success, and since their initial publication in 1899 they have come to be seen as some of the most remarkable works of African American literature from the Emancipation through the Harlem Renaissance. Lesser known, though, is that the *The Conjure Woman*, as first published by Houghton Mifflin, was not wholly Chesnutt's creation but a work shaped and selected by his editors. This edition reassembles for the first time all of Chesnutt's work in the conjure tale genre, the entire imaginative feat of which the published *Conjure Woman* forms a part. It allows the reader to see how the original volume was created, how an African American author negotiated with the tastes of the dominant literary culture of the late nineteenth century, and how that culture both promoted and delimited his work. In the tradition of Uncle Remus, the conjure tale listens in on a poor black southerner, speaking strong dialect, as he recounts a local incident to a transplanted northerner for the northerner's enlightenment and edification. But in Chesnutt's hands the tradition is transformed. No longer a reactionary flight of nostalgia for the antebellum South, the stories in this book celebrate and at the same time question the folk culture they so pungently portray, and ultimately convey the pleasures and anxieties of a world in transition. Written in the late nineteenth century, a time of enormous growth and change for a country

only recently reunited in peace, these stories act as the uneasy meeting ground for the culture of northern capitalism, professionalism, and Christianity and the underdeveloped southern economy, a kind of colonial Third World whose power is manifest in life charms, magic spells, and ha'nts, all embodied by the ruling figure of the conjure woman. Humorous, heart-breaking, lyrical, and wise, these stories make clear why the fiction of Charles W. Chesnutt has continued to captivate audiences for a century.

**Tales of Conjure and The Color Line** Charles Waddell Chesnutt 2023-04-11 A pioneer in the development of fiction giving voice to the African-American experience, Charles Waddell Chesnutt (1858-1932) found literary success with his "conjure tales" - vignettes from black folk life, recounted partially in the vernacular - and later with his "stories of the color line," which addressed more directly the problems of race in America. This outstanding, affordable volume presents a selection of the best of both conjure and color line tales. Ten stories include "The Goophered Grapevine," widely considered Chesnutt's best work, "Po' Sandy," "Sis' Becky's Pickaninny," "The Doll," "The Wife of His Youth," "Dave's Neckliss," "The Passing of Grandison," "A Matter of Principle," "The Sheriff's Children," and a wry look at the American intelligentsia, "Baxter's Procrustes." Brimming with wit, charm, and insight, these stories testify to the qualities that have earned Chesnutt an enduring place in American literature and

have made his fiction required reading for scholars and students of African-American history and culture. This edition features an informative Introduction by African-American literature expert Joan Sherman that provides valuable background information on Chesnutt and his work.

**The Conjure Woman - Short Stories** Charles Waddell Chesnutt 2007-12 Charles Chesnutt was an African American writer. Chesnutt was an early pioneer in writing about African American folklore and racial identity. He wrote about lynchings, segregation and the hypocrisy of American values in the post Civil War South. The stories in *The Conjure Woman* are written in a frame narrative. The outer frame is told by John a white northerner who bought a vineyard in North Carolina after the Civil War. John and his wife listen to stories told by Julius a former slave who works for them. The stories told by Julius are filled with hauntings, transfiguration, and conjurings. Chesnutt's stories gave 19th century white readers a critical glimpse at slavery. Chesnutt and his publishers did not tell the reader that Chesnutt was African American for fear of the acceptance of the book.

**The Conjure Woman** Charles Waddell Chesnutt 2020-01-02 Chesnutt wrote the collection's first story, "The Gophered Grapevine," in 1887 and published it in *The Atlantic Monthly*. Later that year, Chesnutt traveled to Boston and met with Walter Hines Page, an editor at the Houghton Mifflin Company. Page asked Chesnutt to forward some of his writing, which was the beginning of a multiple-year correspondence between the two. Chesnutt wrote three more of the stories between 1887 and 1889 he called "Conjure Tales," two of which would eventually appear in *The Conjure Woman*. The stories were "Po' Sandy" published in *The Atlantic Monthly* in 1888, and "The Conjuror's Revenge" published in *Overland Monthly* in June 1889. In March of 1898, Page wrote Chesnutt to inform him that Houghton Mifflin would consider publishing a short-story collection with "the same

original quality" as "The Gophered Grapevine" and "Po' Sandy." Over the next two months, Chesnutt wrote six additional stories, four of which were selected by Page and other editors at Houghton Mifflin to appear in *The Conjure Woman*, including "Mars Jeems's Nightmare," "Sis' Becky's Pickaninny," "The Gray Wolf's Ha'nt," and "Hot-Foot Hannibal."

*Cultures of Letters* Richard H. Brodhead 1993 Richard H. Brodhead uses a great variety of historical sources, many of them considered here for the first time, to reconstruct the institutionalized literary worlds that coexisted in nineteenth-century America: the middle-class domestic culture of letters, the culture of mass-produced cheap reading, the militantly hierarchical high culture of the post-Civil War decades, and the literary culture of post-emancipation black education. Moving across a range of writers familiar and unfamiliar, and relating groups of writers often considered in artificial isolation, Brodhead describes how these socially structured worlds of writing shaped the terms of literary practice for the authors who inhabited them. *The Conjure Woman* Charles W Chesnutt 2020-01-09 *The Conjure Woman* is a collection of short stories by African-American fiction writer, essayist, and activist Charles W. with the tastes of the dominant literary culture of the late nineteenth century, and how that culture both promoted and delimited his work. *Paul Marchand, F.M.C.* Charles W. Chesnutt 2014-07-14 Evoking the atmosphere of early-nineteenth-century New Orleans and the deadly aftermath of the San Domingo slave revolution, this historical novel begins as its protagonist puzzles over the seemingly prophetic dream of an aged black praline seller in the famous Place d'Armes. Paul Marchand, a free man of color living in New Orleans in the 1820s, is despised by white society for being a quadroon, yet he is a proud, wealthy, well-educated man. In this city where great wealth and great poverty exist side by side, the richest Creole in town lies dying. The family of the aged Pierre Beaufort eagerly, indeed greedily, awaits disposition of his wealth. As the bombshell of Beaufort's will explodes, an old woman's dream takes on new meaning, and Marchand is drawn

ever more closely into contact with a violently racist family. Bringing to life the entwined racial cultures of New Orleans society, Charles Chesnutt not only writes an exciting tale of adventure and mystery but also makes a provocative comment on the nature of racial identity, self-worth, and family loyalty. Although he was the first African-American writer of fiction to gain acceptance by America's white literary establishment, Charles W. Chesnutt (1858-1932) has been eclipsed in popularity by other writers who later rose to prominence during the Harlem Renaissance. Recently, this pathbreaking American writer has been receiving an increasing amount of attention. Two of his novels, *Paul Marchand, F.M.C.* (completed in 1921) and *The Quarry* (completed in 1928), were considered too incendiary to be published during Chesnutt's lifetime. Their publication now provides us not only the opportunity to read these two books previously missing from Chesnutt's oeuvre but also the chance to appreciate better the intellectual progress of this literary pioneer. Chesnutt was the author of many other works, including *The Conjure Woman & Other Conjure Tales*, *The House Behind the Cedars*, *The Marrow Tradition*, and *Mandy Oxendine*. Princeton University Press recently published *To Be an Author: Letters of Charles W. Chesnutt, 1889-1905* (edited by Joseph R. McElrath, Jr., and Robert C. Leitz, III). Originally published in 1999. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. American fiction writers. This Norton Critical Edition of *The Conjure Stories* arranges the tales chronologically by composition date, allowing readers to discern how Chesnutt experimented with plots and characters and with the idea of the conjure story over time. With one exception, the text of each tale is that of the original publication. (The text of "The Dumb Witness" was established from two typescripts held at the archives of Fisk University.) The stories are accompanied by a thorough and thought-provoking introduction, detailed explanatory annotations, and illustrative materials. "Contexts" presents a wealth of materials chosen by the editors to enrich the reader's understanding of these canonical stories, including a map of the landscape of the conjure tales, Chesnutt's journal entry as he began writing fiction of the South, as well as writings by Chesnutt, William Wells Brown, and Paul Laurence Dunbar, among others, on the stories' central motifs-folklore, superstition, voodoo, race, and social identity in the South following the Civil War. "Criticism" is divided into two parts. "Early Criticism" collects critical notices for *The Conjure Woman* that suggest the volume's initial reception, assessments by William Dean Howells and Benjamin Brawley, and a biographical excerpt by the author's daughter, Helen Chesnutt. "Modern Criticism" demonstrates rich and enduring interest in *The Conjure Stories* with ten important essays by Robert Hemenway, William L. Andrews, Robert B. Stepto, John Edgar Wideman, Werner Sollors, Houston A. Baker, Eric J. Sundquist, Richard H. Brodhead, Candace J. Waid, and Glenda Carpio. A Chronology of Chesnutt's life and work and a Selected Bibliography are also included.

**The Conjure Woman.** Charles W. Chesnutt 2018-05-21 The Conjure Woman is an 1899 collection of short stories by American writer Charles W. Chesnutt. It is Chesnutt's first book, and an important work of African American literature. The seven stories deal with the racial issues facing the South after the war, often through the comments of the character of Uncle Julius McAdoo. A freed slave, he tells the stories to John and Annie, a white couple from the North, who are visiting in their search for property, as they are thinking of moving south (because of Annie's health) and of buying an old plantation in "Patesville," North Carolina. Uncle Julius's stories are derived from African-American folk tales and include many supernatural occurrences built around hoodoo conjuring traditions. They are less idealistic and romanticized than John's understanding of Southern culture. They tell of black resistance to and survival within white culture

The Conjure Woman Charles Waddell Chesnutt 2013-01-03 The Conjure Woman is the title of an 1899 collection of seven stories by Charles W. Chesnutt, an important African American writer from the post-Civil War South; it was his first book. The stories deal with the racial issues facing the South after the war.

**The Conjure Woman** Charles Waddell Chesnutt 1969 Uncle Julius' stories about the post-Civil War South not only show the magical world of conjuring but reveal the cruelties administered to slaves.

The Journals of Charles W. Chesnutt Charles Waddell Chesnutt 1993 Born on the eve of the Civil War, Charles W. Chesnutt grew up in Fayetteville, North Carolina, a county seat of four or five thousand people, a once-bustling commercial center slipping into

postwar decline. Poor, black, and determined to outstrip his modest beginnings and forlorn surroundings, Chesnut kept a detailed record of his thoughts, observations, and activities from his sixteenth through his twenty-fourth year (1874-1882). These journals, printed here for the first time, are remarkable for their intimate account of a gifted young black man's dawning sense of himself as a writer in the nineteenth century. Though he achieved literary success in his time, Chesnut has only recently been rediscovered and his contribution to American literature given its due. The only known private diary from a nineteenth-century African American author, these pages offer a fascinating glimpse into Chesnut's everyday experience as he struggled to win the goods of education in the world of the post-Civil War South. An extraordinary portrait of the self-made man beset by the urgencies and difficulties of self-improvement in a racially discriminatory society, Chesnut's journals unfold a richly detailed local history of postwar North Carolina. They also show with great force how the world of the postwar South obstructed--and, unexpectedly, assisted--a black man of driving intellectual ambitions.
