It all began on a Thursday at precisely 8 a.m. I was standing in the family room of our lovely two-story house, directly across the street from Squirrel Brand Park in Cambridge, Massachusetts. ever see again? ever.

Bad Boys Need Love Too Christa Tomlinson 2014-10-20 "You won't let anybody else have you, Joseph. I won't let anybody else have you. I want you all to myself." - Gage Mason We've all had our experience with him. The Bad Boy. The one we've been warned about. The one with rips in his jeans and a lazy, devil may care smile on his mouth. The one who makes you do bad things that feel so good. For me it was Gage Mason. We met when he worked on my Ducati. I knew immediately he was trouble, but something about that Bad Boy drew me in. Maybe it's his dark eyes that study me like he wants to know everything about me. Maybe it's the way he makes me feel; the rough touch of his hands, his possessive grip on my hair when we kiss, the way he feels deep inside me. Or maybe it's the way he needs me, even though he won't admit it. For once in my life I'm taking a risk.

Despite everything that tells me I shouldn't, I'm taking a chance to be with Gage. I don't know if it will end well, but I do know I can't resist that Bad Boy. Joseph Naderi

The Gods of Gotham Lyndsay Faye 2012-03-15 August 1845 in New York; enter the dark, unforgiving city underworld of the legendary Five Points... After a fire decimates a swathe of lower Manhattan, and following years of passionate political dispute, New York City at long last forms an official Police Department. That same summer, the great potato famine hits Ireland. These events will change the city of New York for ever. Timothy Wilde hadn't wanted to be a copper star. On the night of August 21st, on his way home from the Tombs defeated and disgusted, he is plotting his resignation, when a young girl who has escaped from a nearby brothel, crashes into him; she wears only a nightdress and is covered from head to toe in blood. Searching out the truth in the child's wild stories, Timothy soon finds himself on the trail of a brutal killer, seemingly hell bent on fanning the flames of anti-Irish immigrant sentiment and threatening chaos in a city already in the midst of social upheaval. But his fight for justice could cost him the woman he loves, his brother and ultimately his life...

The Diviners Rick Moody 2007-09-03 During one month in the autumn of election year 2000, scores of movie-business strivers are focused on one goal: getting a piece of an elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls;

a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and more; a word man who coined the phrase -- inspired by a true story; and a supreme court justice who wants to write the script. A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. *The Diviners* is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.

The Experiences of Loveday Brooke Catherine Louisa Pirakis
2020-03 What is a young lady like Loveday Brooke doing in a private detective agency? She's working there, as a clever sleuth, a female Sherlock Holmes of sorts. Excerpts: "Loveday Brooke, at this period of her career, was a little over thirty years of age, and could be best described in a series of negations."She was not tall, she was not short; she was not dark, she was not fair; she was neither handsome nor ugly. Her features were altogether nondescript; her one noticeable trait was a habit she had, when absorbed in thought, of dropping her eyelids over her eyes till only a line of eyeball showed, and she appeared to be looking out at the world through a slit, instead of through a window. Her dress was invariably black, and was almost Quaker-like in its neat primness."But what one could say affirmatively about her was that Loveday Brooke was a naturally talented private detective, a chosen career that had cut her off sharply from her former associates and her position in society

Firewatching Russ Thomas 2021-01-26 "Firewatching and Nighthawking are comparable with the best of Michael Connelly's Bosch books and James Lee Burke's Robicheaux novels, and - naturally - Ian Rankin; but there's an elegiac quality here that reminds me of Kate Atkinson's Jackson Brodie titles and the Dublin Murder Squad series by Tana French."--AJ Finn, author of *The Woman in the Window* A taut and ambitious police procedural debut introducing Detective Sergeant Adam Tyler, a cold case reviewer who lands a high-profile murder investigation, only to find the main suspect is his recent one-night stand . . .
