

This Is Sex

What IS Sex? - Alenka Zupancic 2017-09-08

Why sexuality is at the point of a “short circuit” between ontology and epistemology. Consider sublimation—conventionally understood as a substitute satisfaction for missing sexual satisfaction. But what if, as Lacan claims, we can get exactly the same satisfaction that we get from sex from talking (or writing, painting, praying, or other activities)? The point is not to explain the satisfaction from talking by pointing to its sexual origin, but that the satisfaction from talking is itself sexual. The satisfaction from talking contains a key to sexual satisfaction (and not the other way around)—even a key to sexuality itself and its inherent contradictions. The Lacanian perspective would make the answer to the simple-seeming question, “What is sex?” rather more complex. In this volume in the Short Circuits series, Alenka Zupančič approaches the question from just this perspective, considering sexuality a properly philosophical problem for psychoanalysis; and by psychoanalysis, she means that of Freud and Lacan, not that of the kind of clinician practitioners called by Lacan “orthopedists of the unconscious.” Zupančič argues that sexuality is at the point of a “short circuit” between ontology and epistemology. Sexuality and knowledge are structured around a fundamental negativity, which unites them at the point of the unconscious. The unconscious (as linked to sexuality) is the concept of an inherent link between being and knowledge in their very negativity.

The New Tantra Simple and Sexy - Susan Crain Bakos 2008-10-01

The next step in the Western evolution of an Eastern classic, *The New Tantra* will transform your sex life. In this newly adapted and improved take on Tantra, internationally acclaimed sex author Susan Crain Bakos extracts the best and hottest techniques from the ancient traditions of the Kama Sutra and traditional Tantric teachings and combines them with the latest thinking and research on sex. The

result is an exciting new Tantra designed for today's modern couple that shows you, step by step, how to strengthen arousal, sustain erection, and intensify and prolong orgasm - all without any rigorous chants or "chakra clearings." In no time at all, you'll be enjoying longer sex, stronger orgasms, and a deeper connection with your lover. You'll learn things you won't find in any other Tantra or sex book on the market, including: Creative intercourse positions - illustrated through beautiful photography - made to suit your bodies and provide the most sensation Powerful ways to embrace your sexual energy and move it around at will No-fail techniques to intensify orgasms Quick fixes for encouraging her orgasm and delaying his The New Tantra is your guide to the best sex of your life. You don't have to commit a lot of time to learning the techniques. There are no rules. This is the intense and thrilling erotic Tantra you've been searching for - the one your sex life can't be without.

The Routledge Handbook of Philosophy of Sex and Sexuality - Brian D. Earp 2022-05-23

This Handbook covers the most urgent, controversial, and important topics in the philosophy of sex. It is both philosophically rigorous and yet accessible to specialists and non-specialists, covering ethics, political philosophy, metaphysics, the philosophy of science, and the philosophy of language, and featuring interactions with neighboring disciplines such as psychology, bioethics, sociology, and anthropology. The volume's 40 chapters, written by an international team of both respected senior researchers and essential emerging scholars, are divided into eight parts: I. What is Sex? Is Sex Good? II. Sexual Orientations III. Sexual Autonomy and Consent IV. Regulating Sexual Relationships V. Pathologizing Sex and Sexuality VI. Contested Desires VII. Objectification and Commercialized Sex VIII. Technology and the Future of Sex The broad scope of coverage, depth in insight and research, and accessibility in language make The

Routledge Handbook of Philosophy of Sex and Sexuality a comprehensive introduction for newcomers to the subject as well as an invaluable reference work for advanced students and researchers in the field.

The Cambridge Handbook of Sexual Development - Sharon Lamb 2018-12-20

The Cambridge Handbook of Sexual Development is a carefully curated conversation that brings together the top researchers in child and adolescent sexual development to redefine the issues, conflicts, and debates in the field.

The Handbook is organized around three foundational questions: first, what is sexual development? Second, how do we study sexual development? And third, what roles might adults - including the institutions of the media, family, and education - play in the sexual development of children and adolescents? As the first of its kind, this collection integrates work from sociology, psychology, anthropology, history, education, cultural studies, and allied fields. Writing from different disciplinary traditions and about a range of international contexts, the contributors explore the role of sexuality in children's and adolescents' everyday experiences of identity, family, school, neighborhood, religion, and popular media.

What Is the Meaning of Sex? - Denny Burk 2013-10-31

Sex is a big deal. And as the spirit of the age moves rapidly away from traditional sexual norms, Christians are feeling the pressure to abandon their ancient beliefs to conform to society's evolving views on sexuality and gender. Responding to the pressure with conviction and clarity, this book spells out the Bible's teaching on sex, arguing that the ultimate goal of all human sexuality is the glory of God. After outlining key biblical standards and explaining the true purposes for sex (procreation, pleasure, love, etc.), the latter portion of the book explores controversial issues such as homosexuality, queer theory, and polygamy. Firmly rooted in the pages of Scripture, this book sets forth a compelling vision of human sexuality that is both soul-satisfying and God-glorifying.

Sex Positions for Couples - Kaylee Reed 2020-04-28

Are you looking for a guide to improve your sex positions? Then keep reading... Well, you can

accomplish this if you want; however, it's not as easy as ABC because you and your partner need to get to know each other from within. It starts from pre-oral games, to sexual intercourse and viable sexual positions to use. It is a guide that helps each individual. Hoping to take advantage of this opportunity? GET IT NOW!!!

Branding Is Sex: Get Your Customers Laid and Sell the Hell Out of Anything - Deb Gabor 2016-05-29

If you hate making money and the feeling of a mind-blowing, toe curling orgasm-stay far away from this book. In "Branding is Sex," brand dominatrix Deb Gabor explains how proper brand positioning gets your customers in the

mood. In just seven short and sweet chapters, Deb covers these juicy topics and more: How the most successful brands in the world get their customers laid How to never fail The Bullshit Test Who your brand should hop in the sack with (and it's not who you think) Don't rot in the brand graveyard like Blackberry, Oldsmobile, Circuit City, Compaq, Blockbuster Video, and Pets.com. Get your sexy back and move from being "just friends" with your customers to being long-term "friends with benefits." "Branding is Sex" provides you with a concrete foundation and a basic how-to plan for building or re-igniting your brand without needing a PhD.

This Is Your Brain on Sex - Kayt Sukel

2013-03-26

Draws on the latest findings beyond cultural perceptions to reveal how the brain processes love and interpersonal relationships, addressing such questions as the practicality of monogamy, and whether or not the "seven-year itch" actually exists.

[The Rough Guide to Sex](#) - James McConnachie

2010-01-04

Has any big subject ever generated so many myths, lies and unfounded claims as sex? The Rough Guide to Sex is the antidote to the cynical hype, noisy boasts and all those embarrassed silences. It tells it how it is - for men and women, gay and straight from touch and masturbation to sexual positions with accessible 'how to do it' advice. Honest and informative, author James McConnachie gets up close and personal, covering not just body parts, techniques and accessories, but sexual health, attitudes, expectations and beliefs. Amply illustrated, this is a book for the curious, dealing with everything you know and don't know about sex- and beyond. It unveils the nature of desire, the meaning of fantasy, the science of orgasm - what works and what doesn't for both him and her. It tells how scientists and gurus, writers and lovers, perverts and priests have all contributed to the story of sex. Above all, it looks at how sex really figures in people's lives. Myth-busting, witty, thoughtful, and candid, The Rough Guide to Sex uncovers the facts of life without the fiction.

Is Sex Tax-Deductible? - Bernard I. Murstein

2008-11

Is Sex Tax-Deductible? is the fascinating memoir of an internationally known researcher and

professor, detailing his history, travels, and encounters that span almost eighty years and three different cultures. From communism to cuisine, sex to stocks, radio to radishes, beggars to bourgeois, Paris to publishing, misers to the temple of Mammon (the bank), Bernard Murstein dazzles and delights as he relates how he stepped outside the world of academia to fulfill his long-held fantasies. Who else would think of saving his ticket stubs to pornographic movies as a legitimate tax deduction for a sex researcher? Who else could become a research analyst of stocks without a degree in finance, or review restaurants for a newspaper with no training in the culinary arts? Who else, at age seventy-one, would hold his own in a limited sparring session with a boxing champion? Through vivid descriptions and intriguing details, Murstein describes his adventures and observations while traveling through France, the Soviet Union, and Morocco where he poses questions about treatment of women and receives the most surprising answers. Murstein's captivating compilation of historical overviews and witty interpretations will inspire anyone who dreams of a better tomorrow to begin turning their own fantasies into reality.

Why Is Sex Fun? - Jared Diamond 2014-03-20

A fascinating insight into how human sexuality came to be the way it is now - Jared Diamond explains why we are different from the animal kingdom. Why are humans one of the few species to have sex in private? Why do humans have sex any day of the month or year, including when the female is pregnant, beyond her reproductive years, or between her fertile cycles? Why are human females one of the few mammals to go through menopause? Human sexuality seems normal to us but it is bizarre by the standards of other animals. Jared Diamond argues that our strange sex lives were as crucial to our rise to human status as were our large brains. He also describes the battle of the sexes in the human and animal world over parental care, and why sex differences in the genetic value of parental care provide a biological basis for the all-too-familiar different attitudes of men and women towards extramarital sex.

[A Curious History of Sex](#) - Kate Lister

2020-02-06

This is not a comprehensive study of every

by guest

sexual quirk, kink and ritual across all cultures throughout time, as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow - hopefully for the better - but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project Whores of Yore, and written with her distinctive humour and wit, *A Curious History of Sex* draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.

[This Is Not A Sex Book](#) - Chusita Fashion Fever
2017-07-13

YouTube sensation Chusita Fashion Fever explores every aspect of sexuality for teenagers, covering everything from how to tell if he or she likes you, to sexual orientation, kissing, your first time and the difference between on-screen sex and what to expect #IRL (in real life). And this is real life - Chusita is addressing the actual questions and concerns posed by her teenage fans. This is no ordinary old school sex book - its a bright, bold and uncensored manual for all things intimate. Every page looks sensational with hot hand-drawn comic book illustrations, checklists, tips, quizzes, glossaries and naughty emojis that will leave you laughing out loud. Satisfaction 100% guaranteed!

to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated *What Makes a Baby*, from sex educator Cory Silverberg and artist Fiona Smyth, *Sex Is a Funny Word* reimagines "sex talk" for the twenty-first century.

What Is Sex? - Kate E. Reynolds 2021-11-29

This carefully written and illustrated book provides an explanation of sex for people with autism and special education needs and disabilities (SEND). It helps readers to understand the physical processes as well as important issues such as consent and sexual safety, helping them to develop positive relationships. Many people with autism and SEND have or will have intimate relationships. Often sex is alluded to, rather than being carefully explored. This can create confusion around consent, sexual health, and pregnancy, and cause people to turn to dubious online information. This book frankly explains sex so that the reader has a clear understanding of what constitutes sex, knowledge of the proper names for sexual organs and sexual activities, and is aware of the potential physical consequences of having sex.

Is Sex Bad? - Subhrashis Adhikari 2019-04-01

Humans ascended to the top of the food chain through their uncanny ability to weave stories. Some stories are hardwired in our brains, while some we create over time. It is such stories that have steered the history of the world. While technologies are bringing disruptive changes and global warming is threatening our existence, it is more imperative than ever before to craft a global story that benefits all. This book discusses one profound question whose answers will lay the foundation of future stories, and those stories will decide the fate of inquisitive apes. Is sex bad? Are we naturally monogamous?

Sex at Dawn - Christopher Ryan 2021-01-05

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's

fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

The Sex Myth - Brooke Magnanti 2012-05-03

Why everything the media tells us about sex is wrong ... Is there any truth to the epidemic of sex addiction? Are our children really getting sexualised younger? Are men the only ones who like porn? Brooke Magnanti looks at all these questions and more - and proves that perhaps we've all been taking the answers for granted. Brooke Magnanti is no stranger to controversy. As *Belle de Jour* she enthralled and outraged the nation in equal measure. Now her real identity is out in the open, Brooke's background as a scientist and a researcher can come to bear in her fascinating investigation into the truth behind the headlines, scandals and moral outrage that fill the media (and our minds) when it comes to sex. Using her entertaining and informed voice, Brooke strips away the hype and looks at the science behind sex and the panic behind public policy. Unlike so many media column inches, Brooke uses verifiable academic research. This is fact not fiction; science not supposition. So sit back, open your mind and prepare to be shocked ...

The Right to Sex - Amia Srinivasan 2021-08-19

extraordinary . . . A bracing revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction book I have read this year' PANDORA SYKES -----
----- How should we talk about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo many have fixed on consent as the key framework for

achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity - its deep ambivalences, its relationship to gender, class, race and power - we need to move beyond 'yes and no', wanted and unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, *The Right to Sex* is a landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.
