**Ground Zero: (Zero Hour Book One)** - Aimee Nicole Walker 2019-09-18

Ground zero, noun: the center or origin of rapid, intense, or violent activity or change. Heat, humidity, and homicide are things veteran detective Sawyer Key expects to encounter on his first day with the Savannah Police Department, but the hostile reception from his new partner catches him by surprise. Sawyer isn't a stranger to heartache and recognizes that Royce Locke is a wounded man who's reeling from a devastating loss. Relentless and patient in all things, Sawyer is determined to make the new partnership work. Savannah, Georgia is known for her quirky people, oak trees draped in Spanish moss, and antebellum architecture. Beneath the Southern charm and hospitality, festering hatred and violence is soaring with the summer temperatures. Locke and Key find themselves at the epicenter when their first case involves the death of a former shock jock who appears to be the victim of vigilante justice. Opposites in nearly every way, the two detectives set aside their differences to take back their city and restore law and order. From this reluctant truce, an intense attraction grows that will either tighten or shatter their tenuous bond. Falling for his partner spells inevitable disaster, but Sawyer's always been a sucker for wounded things. Sawyer could be the key to the life Royce has always wanted, if he's brave enough to trust him. The fuse is lit, the clock is running, and the zero hour is upon them. Tick tock. Ground Zero is the first book in the Zero Hour series, which follows Locke and Key's investigations and evolving relationship. Ground Zero has a happy-for-now ending with no cliffhanger. It contains mature language and sexual content intended for adults 18 and older.

THIS TITLE HAS BEEN REVISED AND REEDITED. An additional 6k words have been added to the original text. Detective Cashel 'Cash' Godfrey is big, tattooed and angry so people typically keep their distance. He's fresh out of the police academy, however, no one is looking to partner with the six foot four beast with a huge chip on his shoulder and an inability to trust. When Cash scans the orientation room he wasn't expecting to find sexy hazel eyes locked onto him. Eyes of the handsome Detective Leonidis 'Leo' Day. Leo is charming, witty, hilariously sarcastic and the only one that can make Cash smile. He's proud, out and one bad-ass detective. Together Cash and Leo become the most revered and successful narcotics detectives Atlanta's ever seen. Able to communicate and understand each other, without even having to voice it, they quickly climb up the promotional ranks. When Cash saves Leo's life in a raid that turns deadly, Leo begins to see something in the big man that no one else does...something special. But Leo fears he'll never break through the impenetrable wall that protects Cash's heart. Nothing Special takes the reader through various emotions throughout the richly fulfilling plot that's full of erotic gay romance, heartache, passion, trials and tribulations, police action scenes, and an intriguing twist that comes to an amazing ending that's impossible to see coming. **Tangled Sheets** - Michael Thomas Ford 2012-12-10

Hot And Bothered From Michael Thomas Ford, the critically acclaimed author of Last Summer and Alec Baldwin Doesn't Love Me, comes this sizzling collection of fantasies culled from more than a decade of his best erotic work. These stories of heat, lust, desire, need, and transformation--an Olympian bacchanal, a chance meeting in the men's room, an S&M-fueled "coaching" session, a police officer who'll do what it takes to get a confession--are as incredibly hot as they are exquisitely crafted. There's "Becoming Al," an "X-rated Flannery O'Connor story" that takes place on the stage at a male peep show. The mosh pit of an underground club brings two punks to the edge and over in the adrenaline-charged "Diving the Pit." A gorgeous window washer gives a worker drone some high-rise sex in "Washing Up." And the power of a young man's first sexual awakening--and the reunion it inspires twenty years later--lies at the heart of the achingly sensual "The Boys of Summer." Along the way, Ford turns up the heat by confessing the naughty personal thoughts that inspired his steamiest erotica. A visit to his incredibly sexy dentist led to Ford's delicious story of one explosive oral exam in "The Check Up." The summer sounds drifting up from the New York City streets on a hot summer night influenced Ford's sinfully sexy voyeuristic fantasy, "Wednesday, 2 A.M." A hunky conductor on a commuter train gave Ford lustful thoughts and a whole new meaning for the term "Riding the Rails." And the discovery of anonymous nude Polaroids gave birth to the no-holds-barred "Dirty Pictures." Hard-core, tender, imaginative, candid, and just plain hot, these stories prove that when it comes to erotica that's down-and-dirty AND intelligent, nobody does it better than Michael Thomas Ford.

Chronological entries discuss each work's plot, significance for gay identity, and publication history, along with a brief biography of the author.

*Don't Judge* - A E Via 2019-07-25

Detective Austin Michaels didn't think life could get any better after he was accepted into the most notorious narcotics task force on the East Coast, headed up by two of the baddest Lieutenants with the Atlanta Police Department - Cashel Godfrey and Leonidis Day. Michaels knew he would fit right in as the team's sniper, having received his fair share of commendations for marksmanship. He was just as badass as the rest of the twenty brothers that made up their team. But when Michaels lets their prime suspect get away from a huge bust with over a quarter of a million dollars in drugs, he's willing to do whatever it takes to make it right. Left with no other options, God chooses to bring in outside help, calling on his long-time friend and bounty hunter, Judge Josephson. Judge was considered one of the best trackers during his enlistment in the United States Marine Corps. After retiring, he used those skills to become one of the most sought out fugitive trackers in the country. When Judge gets a call from his old friend needing his help, he quickly tells God, yes. Still embarrassed, and intent to prove himself, Michaels immediately volunteers to partner up with Judge to get their suspect back quickly and quietly. Neither man wanted or needed a partner. But, after Judge and Michaels get on the road, the hate/lust relationship they quickly develop between them will either make them heroes... Or get them killed.

Detective Douglas Brody has only ever known the life of a cop. Raised strict but fair by his police chief father, he joined the academy right out of school, climbed the ranks hard and fast, and now works homicide for the City of Charleston. The job is his entire life. For years it's kept him happy enough to minimize the side of him that craves what he believes is wrong. An accident on the job puts him on medical leave and everything in Brody's world changes. He has to prove himself once more to be best cop in the department, all while dealing with Zack--his persistent, sexy, and out-of-the-closet physical therapist. Zack is tan skin, big grins, floppy hair, and tackles his job with the same full-blown enthusiasm he does everything else. When the "patient from hell" is thrown his way by another PT who can't handle him, Zack is committed to achieving the impossible. His new patient is a headstrong and hot-as-hell homicide detective, who oozes as much resentment as he does sex appeal. Any involvement with a patient, especially a man who is so deep in the closet he can't see light, is something Zack swore he'd never do. But Brody slowly proves too much to resist...
