

# Unhooked How Young Women Pursue Sex Delay Love And Lose At Both

**Yes Means Yes!** - Jaclyn Friedman 2019-03-05  
This groundbreaking feminist classic dismantles the way we view rape in our culture and replaces it with a genuine understanding and respect for female sexual pleasure. In the original edition, feminist, political, and activist writers alike presented their ideas for a paradigm shift from the "No Means No" model--and the result was the groundbreaking shift to today's affirmative consent model ("Yes Means Yes," as coined by this book). With a timely new introduction, refreshed cover, and the timeless contributions of authors from Kate Harding to Jill Filipovic, Yes Means Yes brings to the table a dazzling variety of perspectives and

experiences focused on the theory that educating all people to value female sexuality and pleasure leads to viewing women differently, and ending rape. Yes Means Yes has radical and far-reaching effects: from teaching men to treat women as collaborators and not conquests, encouraging men and women that women can enjoy sex instead of being shamed for it, and ultimately, that our children can inherit a world where rape is rare and swiftly punished.

**Unhooked** - Laura Sessions Stepp 2008  
Evaluates the sexual experiences of three groups of young women who have responded to America's increasingly sexualized culture

## Unhooked How Young Women Pursue Sex Delay Love And Lose

by engaging in obligation-free intimate relationships rather than navigating the turbulent new dating landscape.

**Supergirls Speak Out** - Liz Funk 2009-03-03

Some girls seem to have it all... The top grades The best clothes A great body A cute boyfriend But they may also have... Exhaustion Anxiety Eating disorders Crippling insecurity From grammar school girls to working women, the pressure to be perfect is spreading like a disease. These Supergirls feel the unrelenting need to succeed -- sometimes at the cost of their own happiness and sanity. A recovering Supergirl herself, Liz Funk exposes the dangerous consequences that can come from striving for perfection. By closely following five girls and interviewing nearly one hundred more, she takes us inside the Supergirl psyche, explaining the causes of this phenomenon and showing how Supergirls can let their (sleek and shiny) hair down and find some time to relax and enjoy life! With

At Both

practical advice, biting humor, and the sensitivity of someone who's been through it all, Funk's *Supergirls Speak Out* is the absolutely necessary companion for any girl who thinks 100 percent just isn't enough.

*Sex and the Seasoned Woman* - Gail Sheehy 2006

In this groundbreaking work, cultural observer Sheehy reveals a hidden phenomenon--increased vitality in women's sex and love lives after fifty. This is a new universe of passionate, liberated women--married and single--who are unwilling to settle for the stereotypical roles of middle age and are now realizing they don't have to. As life spans grow longer and as societal constraints continue to loosen, older women--free of the exhausting demands of young children, needy husbands, and demanding careers--find themselves ready to pursue the passionate life. They embrace their "second adulthood" as a period of reawakening. Combining interviews and research, this book gives voice

## Unhooked How Young Women Pursue Sex Delay Love And Lose

At Both

to more than a hundred colorful women, whose stories tell of wives who reinvigorate their marriages after their children leave the nest, as well as divorced, widowed, and long-single women who find new dreams and new loves.-- From publisher description. [American Hookup: The New Culture of Sex on Campus](#) - Lisa Wade 2017-01-10 "A must-read for any student—present or former—stuck in hookup culture’s pressure to put out." —Ana Valens, Bitch Offering invaluable insights for students, parents, and educators, Lisa Wade analyzes the mixed messages of hookup culture on today’s college campuses within the history of sexuality, the evolution of higher education, and the unfinished feminist revolution. She draws on broad, original, insightful research to explore a challenging emotional landscape, full of opportunities for self-definition but also the risks of isolation, unequal pleasure, competition for status, and sexual violence.

Accessible and open-minded, compassionate and honest, American Hookup explains where we are and how we got here, asking, “Where do we go from here?”

[Chastened](#) - Hephzibah Anderson 2010-02-04

Like most women, Hephzibah wants to find love. But she has just turned thirty and she's single- again. Looking back on her twenties, the years seem a blur of parties and flings. Being footloose and fancy free was supposed to be fun, but somehow it kept ending in tears. Now she wonders- where was the romance? This is a story about rediscovering romance. Forget the fly-by-night cads and unreturned calls, Hephzibah decides. Bring on old-fashioned flirting and the art of courtship. So, she takes a year off sex to find love. She sips cocktails in Manhattan with a dark-eyed musician, and encounters unexpected temptation back in London. Her quest has life-changing consequences when, after all, she discovers romance is still alive and well.

### Text Me When You Get Home - Kayleen Schaefer

2018-02-06

“Text Me has the thrills and laughs of a romantic comedy, but with an inverted message: ‘There just isn't only one love story in our lives,’ Schaefer writes. If you’re lucky, friends will be the protagonists in these multiple love stories. It’s high time that we start seeing it that way.”—NPR.org A personal and sociological examination—and ultimately a celebration—of the evolution of female friendship in pop culture and modern society For too long, women have been told that we are terrible at being friends, that we can’t help being cruel or competitive, or that we inevitably abandon each other for romantic partners. But we are rejecting those stereotypes and reclaiming the power of female friendship. In *Text Me When You Get Home*, journalist Kayleen Schaefer interviews more than one hundred women about their BFFs, soulmates, girl gangs, and queens while tracing this cultural shift

At Both through the lens of pop culture:

Our love for each other is reflected in Abbi and Ilana, Issa and Molly, #squadgoals, the acclaim of *Girls Trip* and *Big Little Lies*, and Galentine’s Day. Schaefer also includes her own history of grappling with a world that told her to rely on men before she realized that her true source of support came from a strong tribe of women. Her personal narrative and celebration of her own relationships weaves throughout the evolution of female friendship on-screen, a serious look at how women have come to value one another and our relationships. *Text Me When You Get Home* is a validation that has never existed before. A thoughtful, heart-soaring, deeply reported look at how women are taking a stand for their friendships and not letting go.

*Why Love Hurts* - Eva Illouz  
2013-05-20

Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to

# Unhooked How Young Women Pursue Sex Delay Love And Lose

At Both

us, being heartbroken when we're abandoned by a lover, engaging in Sisyphean internet searches, coming back lonely from bars, parties, or blind dates, feeling bored in a relationship that is so much less than we had envisaged - these are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or

insufficiently self-aware psyches, but rather the institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy and what people imagine to be the spectrum of their choices: all these aspects of choice have transformed the very core of the will, how we want a partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors. One of Ours - Willa Cather  
2015-08-16  
An American Farm Boy In Search Of Meaning "Life was so short that it meant nothing

## Unhooked How Young Women Pursue Sex Delay Love And Lose

at all unless it were continually reinforced by something that endured; unless the shadows of individual existence came and went against a background that held together.” - Willa Cather, One of Ours Claude tries to escapes from his family firm grasp who want him pious and working at their family farm in Nebraska. He marries in his attempt to escape only to realize that his wife is not interested at all in him. That’s when another opportunity arises: going overseas and fight for the American army in World War One. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you’ll share this book with your friends, neighbors and colleagues and can’t wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. ### **Putting Children's Interests First in U.S. Family Law and Policy** - Helen Alvaré 2018

Putting Children's Interests First in US Family Law and Policy details the rise of federal 'sexual expressionism' policy. *The Shere Hite Reader* - Shere Hite 2011-01-04

The Shere Hite Reader presents wide-ranging analysis on the individual and society from a renowned thinker on psychosexual development. The book includes new science in addition to previously published material, reflecting Hite's three decades of work probing the roots of human identity through questionnaires and theory. For the first time Hite formalizes her thinking on male adolescence, that boys feel tortured by the new social role they are forced to assume at puberty requiring a show of superiority toward females. In new detail Hite advances her understanding that sex is political, linking the expectation on women to achieve orgasm through coitus

## Unhooked How Young Women Pursue Sex Delay Love And Lose

At Both

with broader patterns of oppression. Hite discusses new research on female adolescence, challenging the "virgin" hymen concept, and documenting that sexual awakening often precedes puberty. Hite also argues that pornography misrepresents male sexuality (not to mention female sexuality), depicting it as singular and silly instead of "full of intriguing, nuanced behavior involving the entire body, not just the penis." The authoritative collection of her work, *The Shere Hite Reader* challenges the reader to a new way of seeing.

*Hooking Up* - Kathleen A. Bogle 2008

A closer look into the new sexual culture on college campuses It happens every weekend: In a haze of hormones and alcohol, groups of male and female college students meet at a frat party, a bar, or hanging out in a dorm room, and then hook up for an evening of sex first, questions later. As casually as the sexual encounter begins, so it often ends with no strings attached;

after all, it was "just a hook up." While a hook up might mean anything from kissing to oral sex to going all the way, the lack of commitment is paramount. *Hooking Up* is an intimate look at how and why college students get together, what hooking up means to them, and why it has replaced dating on college campuses. In surprisingly frank interviews, students reveal the circumstances that have led to the rise of the booty call and the death of dinner-and-a-movie. Whether it is an expression of postfeminist independence or a form of youthful rebellion, hooking up has become the only game in town on many campuses. In *Hooking Up*, Kathleen A. Bogle argues that college life itself promotes casual relationships among students on campus. The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper-class sisters and the effects this period has on the sexual

## Unhooked How Young Women Pursue Sex Delay Love And Lose

At Both

and romantic relationships of both men and women after college. Importantly, she shows us that the standards for young men and women are not as different as they used to be, as women talk about “friends with benefits” and “one and done” hook ups. Breaking through many misconceptions about casual sex on college campuses, *Hooking Up* is the first book to understand the new sexual culture on its own terms, with vivid real-life stories of young men and women as they navigate the newest sexual revolution.

*The End of Men* - Hanna Rosin  
2012-10-11

What Betty Friedan, Simone de Beauvoir, Susan Faludi and Naomi Wolf did for feminism, senior editor of *The Atlantic* Hanna Rosin does for a new generation of women: an explosive new argument for why women are winning the battle of the sexes and why men are no longer top dog. Women are no longer catching up with men. By almost every measure, they are out-performing them. We are at an

unprecedented moment in history. In 2010, for the first time, the balance of the British workforce tipped towards women, who now hold around half of the nation's jobs. In the US, meanwhile, for every two men that receive a BA, three women will achieve the same. Not only do women now dominate colleges and professional schools on every continent except Africa, young single women in the US now earn more than their male counterparts, and more than a third of mothers in the UK and the US are their family's main breadwinner. The tides have turned. The 'age of testosterone' is decisively over. At almost every level of society women are proving themselves far more adaptable and suited to a job market that rewards people skills and intelligence, and a world that has a dramatically diminishing need for traditional male muscle. In this landmark, once-in-a-generation book, Hanna Rosin reveals how this new world order came to be and its profound implications for

## Unhooked How Young Women Pursue Sex Delay Love And Lose

At Both

marriage, sex, children, work, families and society.

Unhampered by old assumptions and ideologies and drawing on examples from across the globe, *The End of Men* helps us see how both men and women can - and must - adapt for a radically new era.

'In this bold and inspired dispatch, Rosin upends the common platitudes of contemporary sexual politics with a deeply reported meditation from the unexpected frontiers of our rapidly changing culture' Katie Roiphe, author of *The Morning After* and *Uncommon*

*Arrangements* 'The End of Men describes a new paradigm that can, finally, take us beyond 'winners' and 'losers' in an endless 'gender war.' What a relief! Ultimately, Rosin's vision is both hope-filled and creative, allowing both sexes to become far more authentic: as workers, partners, parents...and people' Peggy Orenstein, author of *Cinderella Ate My Daughter* and *Schoolgirls* Hanna Rosin is a senior editor at *The Atlantic*

magazine and a founder and co-editor of *DoubleX*, *Slate's* women's section. She has written for the *New Yorker*, *The New York Times*, *GQ*, and *The New Republic*, and for a number of years covered politics and religion for the *Washington Post*. In 2009 she was nominated for a *National Magazine Award*, and in 2010 she won one. She is the author of a previous book, *God's Harvard: A Christian College on a Mission to Save America*. Rosin lives in Washington, DC, with her husband, *Slate* editor David Plotz, and their three children.

**Future Sex** - Emily Witt  
2017-01-03

Emily Witt is single and in her thirties. She has slept with most of her male friends. Most of her male friends have slept with most of her female friends. Sexual promiscuity is the norm. But up until a few years ago, she still envisioned her sexual experience achieving a sense of finality, 'like a monorail gliding to a stop at Epcot Center'. Like many people, she imagined

## Unhooked How Young Women Pursue Sex Delay Love And Lose

herself disembarking, finding herself face-to-face with another human being, 'and there we would remain in our permanent station in life: the future'. But, as we all know, things are more complicated than that. Love is rare and frequently unreciprocated. Sexual acquisitiveness is risky and can be hurtful. And generalizing about what women want or don't want or should want or should do seems to lead nowhere. Don't our temperaments, our hang-ups, and our histories define our lives as much as our gender? In *Future Sex*, Witt captures the experiences of going to bars alone, online dating, and hooking up with strangers. After moving to San Francisco, she decides to say yes to everything and to find her own path. From public health clinics to cafe conversations about 'coregasms', she observes the subcultures she encounters with a wry sense of humour, capturing them in all their strangeness, ridiculousness, and beauty. The result is an

open-minded, honest account of the contemporary pursuit of connection and pleasure, and an inspiring new model of female sexuality - open, forgiving, and unafraid.

**Our Last Best Shot** - Laura Sessions Stepp 2001-08-01  
Our Last Best Shot presents the personal stories of twelve girls and boys from across America. Their stories, and Laura Sessions Stepp's extensive research, provide real insight for parents trying to raise well-adjusted children in this difficult age. Filled with wisdom and common sense, based on cutting-edge research, and featuring an invaluable resource list, this is a book that parents and educators cannot afford to be without.

**The Monogamy Gap** - Eric Anderson 2012-03-21  
Whether straight or gay, most men start their relationships desiring monogamy. This is rooted in the pervasive notion that monogamy exists as a sign of true love. Yet despite this deeply held cultural ideal, cheating remains rampant. In

## Unhooked How Young Women Pursue Sex Delay Love And Lose

this accessible book, Eric Anderson investigates why 78% of men he interviewed have cheated despite their desire not to. Combining 120 interviews with research from the fields of sociology, biology, and psychology, Anderson identifies cheating as a product of wanting emotional passion for one's partner, along with a steadily growing desire for emotionally-detached recreational sex with others. Anderson coins the term "the monogamy gap" to describe this phenomenon. Anderson suggests that monogamy is an irrational ideal because it fails to fulfil a lifetime of sexual desires. Cheating therefore becomes the rational response to an irrational situation. The Monogamy Gap draws on a range of concepts, theories, and disciplines to highlight the biological compulsion of our sexual urges, the social construction of the monogamous ideal, and the devastating chasm that lies between them. Whether single or married, monogamous or open, straight or gay, readers

will find **At Both** The Monogamy Gap to be an enlightening, intellectually compelling, and provocative book.

### **Barack Obama's America -**

John White 2009-09-08

"White's Barack Obama's America eloquently captures both the important nuances of the current political scene and its long-term consequences." --- Richard Wirthlin, former pollster for Ronald Reagan  
"This delightfully written and accessible book is the best available account of the changes in culture, society, and politics that have given us Barack Obama's America." --- Stan Greenberg, pollster for Bill Clinton and Chairman and CEO of Greenberg Quinlan Rosner Research "From one of the nation's foremost experts on how values shape our politics, a clear and compelling account of the dramatic shifts in social attitudes that are transforming American political culture. White's masterful blend of narrative and data illuminates the arc of electoral history from Reagan to Obama, making a powerful

## Unhooked How Young Women Pursue Sex Delay Love And Lose

At Both

case for why we are entering a new progressive political era." --Matthew R. Kerbel, Professor of Political Science, Villanova University, and author of Netroots "John Kenneth White is bold. He asks the big questions . . . Who are we? What do we claim to believe? How do we actually live? What are our politics? John Kenneth White writes compellingly about religion and the role it played in making Barack Obama president. White's keen insight into America's many faiths clarifies why Barack Obama succeeded against all odds. It is a fascinating description of religion and politics in twenty-first-century America---a must-read." ---Kathleen Kennedy Townsend, former Lieutenant Governor of Maryland and author of Failing America's Faithful "In Barack Obama's America, John Kenneth White has written the political equivalent of Baedeker or Michelin, the definitive guide to and through the new, uncharted political landscape of our world. White captures and explains what America

means---and what it means to be an American---in the twenty-first century." ---Mark Shields, nationally syndicated columnist and political commentator for PBS NewsHour "John White has always caught important trends in American politics that others missed. With his shrewd analysis of why Barack Obama won, he's done it again." ---E. J. Dionne, Jr., Senior Fellow, Brookings Institution, and University Professor in the Foundations of Democracy and Culture at Georgetown University The election of Barack Obama to the presidency marks a conclusive end to the Reagan era, writes John Kenneth White in Barack Obama's America. Reagan symbolized a 1950s and 1960s America, largely white and suburban, with married couples and kids at home, who attended church more often than not. Obama's election marks a new era, the author writes. Whites will be a minority by 2042. Marriage is at an all-time low. Cohabitation has increased from a half-million couples in 1960 to more

## Unhooked How Young Women Pursue Sex Delay Love And Lose

At Both

than 5 million in 2000 to even more this year. Gay marriages and civil unions are redefining what it means to be a family. And organized religions are suffering, even as Americans continue to think of themselves as a religious people. Obama's inauguration was a defining moment in the political destiny of this country, based largely on demographic shifts, as described in Barack Obama's America. John Kenneth White is Professor of Politics at the Catholic University of America in Washington, D.C. Cover image: "Out of many, we are one: Dare to Hope: Faces from 2008 Obama Rallies" by Anne C. Savage, view and buy full image at

### **A Thousand Splendid Suns** -

Khaled Hosseini 2009-02-24  
Mariam is only fifteen when she is sent to Kabul to marry Rasheed. Nearly two decades later, a friendship grows between Mariam and a local teenager, Laila, as strong as the ties between mother and daughter. When the Taliban

take over, life becomes a desperate struggle against starvation, brutality and fear. Yet love can move a person to act in unexpected ways, and lead them to overcome the most daunting obstacles with a startling heroism.

### **Sex and the Soul, Updated Edition** - Donna Freitas 2015

First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all-new afterword, and offers practical advice for young people struggling with issues of sex

## **Unhooked How Young Women Pursue Sex Delay Love And Lose**

and spirituality and for the adults giving them guidance.

### **Feminism Vs. Women -**

Ashley Herzog 2008

"In practice, the modern feminist movement is not a movement to promote freedom and equality for all women, no matter what their social, political, or religious beliefs may be. It operates as a rigid

**At Both**  
~~ideology dictating what women~~  
should think and how they should live. Although they might claim to speak for all women, many feminists have absolutely no interest in advocating for the majority of them. Instead, they aim to mold all women into loyal, obedient liberals who tow the establishment line"--Cover.
