*Daddy Dates* Greg Wright 2012-09-26 One day motivational leader Greg Wright realized that the four set of pretty young eyes under his own roof were looking to Dad to be strong, fearless, and wise. The reality was, the lone male in an all-girl household ("heck, even the dog was female") was only thirty years old and felt like he had been shoved into the deep end of the estrogen pool without swimming lessons. That's when the love-struck father of four gorgeous pre-teens started searching for a plan for how to be a successful Dad, and did what any sensible guy would do. He bailed. Not only on his family, but into the woods, to seek a "solution." *Daddy Dates* is an entertaining and practical look at how one American father found his sea legs and is navigating through the tricky waters of parenting girls. In this game-changing book, Greg shares his easy-to-follow secrets for how married and single dads can go beyond high-fiving to bridge the gender gap and become the clued-in man who knows his daughter best. Dads have more influence on their girls than anyone. Learn what makes your daughter tick, how to talk to her effectively and connect more profoundly, at any age. If being their hero is your mission, it's not impossible. *Daddy Dates* is your road map to get there. "Hi honey. It's Daddy. I'm calling to see if you'd like to go on a date with me tonight." "Um, yes, Daddy I think I would." It's a phone call Greg Wright has made over and over again. By age thirty, Greg was the overwhelmed father of four beautiful little girls, with one thought running through his mind over and over again: Don't Screw Up. *Daddy Dates* is about a guy taking his best shot at being a successful dad by trying to know his girls?really know their fears, dreams, and opinions?and how he stumbled across an incredible strategy to do that with daughters of any age or stage. This funny, insightful, and relatable book poses the wildly original concept that should be a "duh" for most dads?but isn't. In order to raise a confident woman-to-be, show your daughter what it feels like to be treated with love, respect, and true interest by a man who loves her. *Daddy Dates* is not another "how to" book from a parenting expert. It's a personal, eye-opening, often humorous look at an Average Joe's intentional pursuit of his daughter's hearts and minds, and the love-inspired steps he is taking to solidify Dad's place in each of their lives, forever. Whether married or single, *Daddy Dates* can help you better connect with virtually all of the females in your life. Using Greg's communication cues, you'll be blown away by what you'll learn about your child, and how you can make a powerful, lasting difference?especially during her rocky teenage years. *Daddy Dates* is about one thing?becoming her hero?one date at a time. Endorsements: -Matt Crossman, Senior Writer for SPORTING NEWS magazine (and father of 2 daughters) DADDY DATES wondrously focuses men (and the women who love them) on the affirmation & empowerment a father's creative attention, energy, and love can have on the precious daughters in our lives. -Jan Goldstein, bestselling author of THE BRIDE WILL KEEP HER NAME (and father of 3) It's an easy thing to say that any father with a daughter should read this book. You create both pain and pleasure in quick succession and some times in one sentence like ' You look good but your hair could have been better'. Most guys there focus only on pleasure and fail to deliver emotional ups and downs, which women crave". Read one more about 'Rules of texting' "vii. Never be too available. This is again a test by girl to know your status. If you are always free for her, your value goes down. viii. Never chat with her for longer duration, especially when she is free. She will use you for time pass and dump you! Chat only when she is busy and finds time from her busy slot for you. Create false timestamps and ways to leave conversation early. Tell her beforehand at times that you have to go after 10 minutes. Create time constraints. A common trick used by girls to test your 'nice guy' status is to attract you, give attention for some time and then slowly back off! yes this evil!" Before I go, few TIPS for dealing with women. Be confident. Fake it if you don't have it. No tricks are bigger than genuine confidence. Dress in an stylish manner. Get a haircut from better saloon. Fashion and style are primary weakness of women. However inane they might sound to you but good dressing sense works. Never and I say never let any women know that you are interested in her. She will try all ways to get that interest out of you. Be ambiguous. Flirt but never say explicitly that you love her. Never. It is always more effective to be emotional with women. Find emotion in stray dog and they will love you like addicts. Women are emotional junkies. Never take any word of women on face value. They do rant about things, complain but never feel it that deeply. Never apologize or justify your actions. Say 'I love you' or 'You are cute' in place of explanation.

And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. **How to Win a Girls Heart.** Dr Elizabeth Micheal 2022-09-12 HOW TO WIN A GIRLS HEART. Prevailing upon a young lady is a powerful errand however on the off chance that you've focused on a specific woman who has totally assumed control over your heart, prepare for the wild ride of making her yours! Shared love is something we as a whole fantasy about finding and saving as far as might be feasible. Becoming hopelessly enamored is an overwhelming encounter, on the grounds that a man in adoration can do things he typically wouldn't fantasy about doing. In any case, love has an approach to playing with our brain and making us find out how far we are really able to turn out, once consumed by that unquenchable inclination! To this end it might appear to be troublesome prevailing upon a young lady, when as a matter of fact, the young lady you're so into is likely hoping to find someone who is digging in for the long haul, there's nothing more to it. Nowadays, most men appear to be into the entire 'hit it and quit it' shtick, which gives a terrible standing to those with earnest and veritable expectations. Cheer up by this. You should simply show this young lady that you're keen on her no doubt and goods calls and that those sort of things are the furthest thing from your psyche! The excursion to her heart won't be without its impediments however on the off chance that you're genuinely into her, you'll put forth the attempt and show her what a genuine man is. Demonstrate to her that her confidence in men isn't to no end and show her that the person she's been hanging tight for is not too far off before her. It's valid, there is certainly not a widespread recipe on the most proficient method to prevail upon a young lady essentially yet in view of numerous long periods of involvement, I can sincerely express that there are sure methodologies that will upgrade your possibilities prevailing upon this young lady!
