Happy Wives Club - Fawn Weaver 2014-01-14
A New York Times Bestseller!
One woman undertakes a worldwide search to learn the secrets of a great marriage—and finds one foundational truth that could change everything. Fawn Weaver was a happily married woman running a successful business—and then something happened. Maybe it was

divorce rate reports on the evening news, *The Real Housewives of Orange County*, or any daytime talk show where husbands and wives dramatically reveal their betrayals. Everywhere she looked, Fawn saw negative portrayals of marriage dominating the airwaves and dooming everyone to failure. Looking at Keith, the love of her life, she knew that wasn't

true. She was determined to find and connect with women just like her—happy and optimistic about marriage, deeply in love with her spouse, and committed to building a strong marriage that stands the test of time. On a whim, she started the blog HappyWivesClub.com and sent the link to a few of new friends. What started as a casual invitation to five women exploded into an international online club with 150,000 members in more than 100 countries. Happy Wives Club is Fawn's journey across the world to meet her friends and discover what makes their marriages great. Join her on this exciting, exotic trip across six continents and through more than eighteen cities. Walk the streets of Mauritius, the historic ruins in Italy, and the vistas of New Zealand and Australia. Go from Cape Town to London, Manila to Buenos Aires, Winnipeg to Zagreb. Along the way, you will meet everyday women whose marriage secrets span cultures. You will hear their stories,

witness their love, and be inspired by the proof that happy, healthy marriages do exist—and yours can be one of them! It turns out great marriages are all around us—when we look for them. Go on a trip with Fawn and learn the best marriage secrets the world has to offer.

The Unveiled Wife - Jennifer Smith 2015-03-03

As a young bride, Jennifer

Smith couldn't wait to build her life with the man she adored. She dreamed of closeness, of being fully known and loved by her husband. But the first years of marriage were nothing like she'd imagined. Instead, they were marked by disappointment and pain. Trapped by fear and insecurity, and feeling totally alone, Jennifer cried out to God: What am I doing wrong? Why is this happening to us? It was as if a veil had descended between her and her husband, and between her and God—one that kept her from experiencing the fullness of love. How did Jennifer and her husband survive the painful times? What did they do when they were tempted to call it quits? How did God miraculously step in during the darkest hour to rescue and redeem them, tearing down the veil once and for all? *The Unveiled Wife* is a real-life love story; one couple's refreshingly raw, transparent journey touching the deep places in a marriage that only God can reach. If you are feeling disappointment or

even despair about your marriage, the heart-cry of this book is: You are not alone.

Discover through Jennifer's story how God can bring you through it all to a place of transformation.

her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved.

Wuthering Heights - Emily

Bronte 2020-09-28

Wuthering Heights is the name of Mr. Heathcliff's dwelling.

Wuthering being a

significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather.

Pure, bracing ventilation they must have up there at all times, indeed: one may guess the

power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house;

and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had

foresight to build it strong: the narrow windows are deeply set in the wall, and the corners

defended with large jutting

stones. Before passing the

threshold, I paused to admire a

quantity of grotesque carving

lavished over the front, and

especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500, and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here the house pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls.

One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

For Married Women Only -

Tony Evans 2010-07-01

How is a wife to love her husband? By learning three things, says Tony Evans: how to submit, seduce, and surrender to her husband. Out of these three principles a godly marriage will grow. In *For Married Women Only*, pastor and author Tony Evans explores these three principles in a straight-forward yet encouraging manner. He unpacks the touchy topic of submission and lays out the rewards inherent in this biblical model. On seduction, Evans looks at the quality of attractiveness and how embodying it can be pleasing to your spouse and to God. And with surrender, readers will examine why a wife is the perfect help mate for her husband and how to combat attitudes opposed to God's design. Originally published in 2002 as *Tony Evans Speaks Out on a Woman's Role in the*
