Great Sex Notes - John Leslie Wolfe 2006-11-01

In the tradition of Laura Corn's 101 Nights of Great Sex, Great Sex Notes includes notes for her to give him and for him to give her. With short introductory text to get communication and intimacy flowing, each note includes an enticing activity for lovers to share. For example: Come with Me, Outside Outside feels different than inside, and having sex outside feels different than having sex inside. Differences are fun and exciting. So, whether you have a house with a big backyard, an apartment with a little balcony, or only have access to your roof from your apartment, find some way to get outside with your partner for some very fun sex. The idea isn't to be public, it's just to be outside, although the risk of being seen may add to the excitement. It may be difficult to go all the way with it, in terms of comfort, availability of a place to lie down, etc. But you'll improvise, and you can always get off to a good start outside and then move inside for more comfort. There is just something about the fresh air and having no walls around you that is very stimulating.

The Guide to Great Sex: How to Get Better in Bed and Take Your Sex Life to the Next Level - Michael Karp 2016-01-25

Everyone deserves to discover and experience what great sex means for them. The Guide to Great Sex is a manuscript of sexual knowledge written by a former sex columnist who studied human sexuality and openly shared details of his sex life with readers. This guide is the culmination of knowledge gained during that experience as a sex writer. You will learn: What it means to have great sex. The science behind pleasure

and orgasms. A complete breakdown of foreplay. Oral sex: fellatio and cunnilingus techniques. 16 of the best sex positions for the hottest sex and deepest intimacy. How sex toys can improve your sex life and which ones the author recommends. The one simple yet rare act that can take your sex life to the next level. How to master multitasking in the bedroom. The balance of dominance and submission. How to communicate openly with your partner about sexual issues. How to unlock sexual fantasies and fetishes within you and your partner. How to overcome 9 different sexual anxieties and insecurities. 3 little-known sexual concepts and how to take advantage of them. And much, much more to help you take your sex life to the next level. The tips and advice in The Guide to Great Sex are 100% gender and sexual orientation neutral. The author phrases terms and describes certain acts to allow everyone to feel included in the conversation. Anyone can learn from these pages, because the author believes that everyone deserves to have great sex. "I started the book 3 hours ago and I just jammed through it. This is both a compliment as to how entertaining it was as well as how easy of a read it is. Making it gender/sexual orientation neutral was an excellent choice and I don't feel like it ever distracted me in any way. As I read through I couldn't help but think I'm going to send this to my little brother in two years when he first steps foot on a college campus as a student. This is a great accomplishment and I'm especially excited to see where you go from here with your site and whatever else you publish. I was thoroughly entertained and definitely informed." -- Jordan From The Author: "I firmly believe that sex is a fundamental need of human beings, and it's an act that should be enjoyed by everyone. I worked hard to improve my sex life. I worked through my sexual anxiety and insecurities, I made myself vulnerable, I read books just like this one, and I made some of the best memories I will ever have. Now my hope is that you will take this knowledge and apply it to your own sex life, to experience what great sex means to you." -- Michael Karp, Author of The Guide to Great Sex
