What God Has to Say about Our Bodies - Sam Allberry 2021-07-08

"God's eternal plan for us involves our body. We can't write off our physical life as spiritually irrelevant." —Sam Allberry There's a danger in focusing too much on the body. There's also a danger in not valuing it enough. In fact, the Bible has lots to say about the body. With the coming of Jesus, "The Word became flesh and dwelt among us"—flesh that was pierced and crushed for the sins of the world. In *What God Has to Say about Our Bodies*, Sam Allberry explains that all of us are fearfully and wonderfully made, and should regard our physicality as a gift. He offers biblical guidance for living, including understanding gender, sexuality, and identity; dealing with aging, illness, and death; and considering the physical future hope that we have in Christ. In this powerfully written book, you'll gain a new understanding for the immeasurable value of our bodies and God's ultimate plan to redeem them.

What's the Big Deal? - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything or answer all of their questions. *What's the Big Deal?* was written to help parents provide the answers to their 8-to-12-year-olds. This book explains the basic facts about sex and related issues such as: Why God made adults so that they want to have sex What God actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

Sex and the Supremacy of Christ - John Piper 2005-06-14

The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to do both: celebrate and struggle. This book has something for all-men and women, married and single—from contributors like John Piper, C. J. and Carolyn Mahaney,

Mark Dever, Al Mohler, Carolyn McCulley, and others.

The Book of Margery Kempe - Kempe Margery 1985

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

What Is the Meaning of Sex? - Denny Burk 2013-10-31

Sex is a big deal. And as the spirit of the age moves rapidly away from traditional sexual norms, Christians are feeling the pressure to abandon their ancient beliefs to conform to society's evolving views on sexuality and gender. Responding to the pressure with conviction and clarity, this book spells out the Bible's teaching on sex, arguing that the ultimate goal of all human sexuality is the glory of God. After outlining key biblical standards and explaining the true purposes for sex (procreation, pleasure, love, etc.), the latter portion of the book explores controversial issues such as homosexuality, queer theory, and polygamy. Firmly rooted in the pages of Scripture, this book sets forth a compelling vision of human sexuality that is both soul-satisfying and God-glorifying.

Building a solid marriage and nurturing our precious children should be the top priority today. For some it is a priority - others are searching. This book is for the searchers.

The Second Sex - Simone de Beauvoir 1997

Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. THE SECOND SEX

stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

How To Think More About Sex - Alain de Botton 2012-05-10

Think more about sex by thinking about it in a different way. In this rigorous and supremely honest book Alain de Botton helps us navigate the intimate and exciting - yet often confusing and difficult - experience that is sex. Few of us tend to feel we're entirely normal when it comes to sex, and what we're supposed to be feeling rarely matches up with the reality. How To Think More About Sex argues that 21st-century sex is ultimately fated to be a balancing act between love and desire, and adventure and commitment. Covering topics that include lust, fetishism, adultery and pornography, Alain de Botton frankly articulates the dilemmas of modern sexuality, offering insights and consolation to help us think more deeply and wisely about the sex we are, or aren't, having. Shine Bright - Kristen Clark 2021-04-20

It's defined by our loving God, who made us and calls us his redeemed daughters. God has a good plan for our beauty, femininity, relationships, and identity and wants to help us thrive in his freeing design. That's what Kristen Clark and Bethany Beal have been sharing in their popular books, videos, podcast, and blog. Now they offer this 60-day devotional to help you find your entire identity in Christ. Beautifully designed and filled with uplifting Scripture, sincere encouragement, questions for reflection, some good laughs, and room to journal, Shine Bright makes a lovely and thoughtful gift--for a friend, a mom, a daughter, or yourself!

Revelations - Elaine Pagels 2012-03-06

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds--Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

God and Sex - Michael Coogan 2010-10-01

An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

Unprotected Texts - Jennifer Wright Knust 2011-01-25

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar." —Bart Ehrman, author of *Misquoting Jesus* Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.
