Deeper Dating - Ken Page 2014-12-30

With exercises, practical tools, and inspiring stories, Deeper Dating will guide you on a journey to find the love—and personal fulfillment—you long for Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In Deeper Dating, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. Deeper Dating guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . Deeper Dating integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

The Secret Diary of Tiddles, Aged 3 3/4 - Gemma Correll 2014-10-14

Get an insight into the mind of a cat with this hilarious journal written from a feline perspective. In arguably the greatest, most enlightening discovery since the Rosetta Stone, cat ambassador Gemma Correll has managed to get hold of the secret diary of Tiddles, a three-year-old moggy, which she has transcribed and illustrated in order to explain to cat owners across the globe what their pet gets up to when left to its own devices. By reading through Tiddles' journal, many of those great unanswered questions you have about your cat's life will be answered, like what does he does for hours on end when he crawls under the

bed just as you leave for work or where has she been when she barges her way through the cat flap and into the kitchen, yowling for attention? It's a true insight into the secret world of cats and a must-have, eye-opening read for any cat owner.

A Dog's Life - Gemma Correll 2013

Gemma Correll's whimsical illustrations capture all Fido's moods from perky scamp to loyal, obedient protector. Although this book does present a vast array of canine shenanigans for our amusement, be forewarned -- you'll also get some startling insights into what your dog is really thinking about you (and, it may not always be complimentary -- not that you will really mind). You see, dogs have insinuated themselves into our lives as no other creatures could. What's more, they know they'll always have a place in our hearts. Why else do we lavish them with yummy treats and belly scratches? There's something about a wagging tail and a soulful stare that's just too hard to resist. Text in English, German and French.

The Hitman's Guide to Making Friends and Finding Love - Alice Winters 2019-08-09

What happens when a snarky hitman and a by-the-book PI cross paths? Leland Being a hitman has its perks, but I never thought getting an accidental mooning by an attractive PI while he's caught on a fence would be one of them. While it's not exactly love at first sight, he's captured my interest and won't let go. Suddenly, I find myself caught in a game of cat and mouse, determined to attract the attention of Jackson, the PI who should be my enemy. He pretends like he's not flattered by my flowers and the mentions of my totally-not-fictitious blow-up doll Randy (or was it Dandy?), but I know better. Why else would he be teaming up with me to bring down Hardek, one of the city's most ruthless criminals? Jackson Even though the cops are telling me that the hitman is a notorious contract killer, I can't help but admit that I'm drawn to him. He's funny, charismatic, and attractive. There's no way this ridiculous man can be the person the cops are after. But when Leland ends up at my doorstep injured, I'm faced with a tough choice. It's my duty to hand him over to law enforcement, but my heart has other plans. I want to keep him. To protect him. To be with him. Though one question remains: why in the world does the man have so many d*mn guns? Contains: shenanigans on a swing that you would NOT find at a playground, a car chase that sadly doesn't have flips or explosions, a horsey ride sans horse, cuddles, an exuberant mutt, a suspicious chief of police, and lots and lots of laughs.
