Una Via de Escape - Neil T. Anderson
1995-01-01

Young, Woke and Christian - Victoria Turner
2022-02-28

Young people are often referred to as the church's 'missing generation'. But perhaps it is not them that are missing from God's mission, but the church itself. 'Young, Woke and Christian' brings together young church leaders and theologians who argue that the church needs to become increasingly awake to injustices in British society. It steers away from the capitalistic marketing ideas of how to attract young people into Christian fellowship and proclaims that the church's role in society is to serve society, give voice to the marginalised and stand up to damaging, dominating power structures. Covering themes such as climate change, racial inclusivity, sexual purity, homelessness, food poverty, sexuality, trans identity, feminism, peace-making, interfaith

relations, and disability justice, the collection is a cry for the reform of the church to not ally with 'woke' issues because they are popular with youth, but because they are gospel issues. With a powerful prologue from Anthony Reddie.

JIMMY EVANS, Founder & CEO, MarriageToday.com Are you a Christian, but continue to struggle with sexual temptation and lust? Is pornography a reoccurring struggle in your life? Read this book immediately, and send to all the men you know! Many will be set free." LARRY TITUS, Author, International Speaker and President of Kingdom Global Ministries "Every church leader and every man in your church needs to read this book and heed the warning within. We must get the message of Unmuzzled out and recognize the only way out of this problem is through the Word of God.
