Sexuality in America - Robert T. Francoeur 1999-08-01

Now available in a new paperback edition, this survey is different in both breadth and scope from all other reports on sexuality in the United States. It covers every topic imaginable, from a multicultural point of view, in order to reflect fully the complex society in which we live: the biological, psychological, social, and spiritual aspects of our sexual lives.

Communication Yearbook 19 - Brant R. Burleson 2012-03-22

Communication Yearbook 19, originally published in 1996 provides rich overviews of key developments in theory, method, and application. The volume contains ten integrative research reviews on diverse topics, including communication and the elderly, compliance gaining in organizations, interpersonal violence, communication technologies, media access and consumption as well as three reviews addressing sex and gender issues. Each review synthesizes findings of past research, discusses current controversies and identifies challenges for future scholarship.

Gender Myths V. Working Realities - Theresa M Beiner 2005

Both the courts and the public seem confused about sexual harassment—what it is, how it functions, and what sorts of behaviors are actionable in court. Theresa M. Beiner contrasts perspectives from social scientists on the realities of workplace sexual harassment with the current legal standard. When it comes to sexual harassment law, all too often courts (and employers) are left in the difficult position of grappling with vague legal standards and little guidance about what sexual harassment is and what can be done to stop it. Often, courts impose their own stereotyped view of how women and men “ought” to behave in the workplace. This viewpoint, social science reveals, is frequently out of sync with reality. As a legal scholar who takes social science seriously, Beiner provides valuable insight into what behaviors people perceive as sexually harassing, why such behavior can be characterized as discrimination because of sex, and what types of workplaces are more conducive to sexually harassing behavior than others. Throughout, Beiner offers proposals for legal reform with the goal of furthering workplace equality for both men and women.

Preventing and Mitigating AIDS in Sub-Saharan Africa - National Research Council 1996-03-28

The AIDS epidemic in Sub-Saharan Africa continues to affect all facets of life throughout the subcontinent. Deaths related to AIDS have driven down the life expectancy rate of residents in Zambia, Kenya, and Uganda with far-reaching implications. This book details the current state of the AIDS epidemic in Africa and what is known about the behaviors that contribute to the transmission of the HIV infection. It lays out what research is needed and what is necessary to design more effective prevention programs.

Public Health Reports - 1994**Microlog, Canadian Research Index** - 1994

An indexing, abstracting and document delivery service that covers current Canadian report literature of reference value from government and institutional sources.

Sex and Gender - Hilary M. Lips 2017-05-19

Are sex and gender really two different things? How malleable is gender identity? Should we emphasize gender differences? These are only some of the questions Hilary Lips addresses regarding one of the most important dimensions of human life since time immemorial. Stereotypes, gender roles, and how social relationships function all combine to assign meanings to the male-female distinction that affects all aspects of social life. Taking advantage of the abundance of current research that reevaluates and resituates the

major issues of sex and gender, the Sixth Edition collects and distills this scholarship into a book that is readily accessible and relevant to today's readers. Lips incorporates knowledge gained from a range of social sciences, taking a critical approach to empirical research. Throughout the book, she emphasizes culturally, racially, and sexually diverse perspectives. A discussion of the role that gender plays in social relationships and power hierarchies illuminates the experience of inequality between men and women in business, education, politics, and the media. The ideas presented in Sex and Gender will raise readers' awareness of the issues contributing to that major social problem.

Annual Report of the Marine Mammal Commission - United States. Marine Mammal Commission 1992**Monthly Catalog of United States Government Publications** - 1991**Morbidity and Mortality Weekly Report** - 1992*Australian National Bibliography: 1992* - National Library of Australia 1988**Monthly Catalogue, United States Public Documents** - 1991**Annual Emergency Room Data** - 1992**Geography in America at the Dawn of the 21st Century** - Gary L. Gaile 2005

For anyone interested in recent American research on climate, cities, Geographical Information Systems, Latin America, or any of the other subfields in geography, this volume provides representative accounts of American geographers' contributions in 47 specialty areas. This wide range of specialties comprises both a comprehensive reference and a 'state of the discipline' report. - ;Geography in America at the Dawn of the 21st Century surveys American geographers' current research in their specialty areas and tracks trends and innovations in the many subfields of geography. As such, it is both.

SIECUS Report - 1990**Forthcoming Books** - Rose Arny 1991*Part-Time Prospects* - Colette Fagan 2002-01-31

The growth in part-time employment has been one of the most striking features in industrialized economies over the past forty years. Part-Time Prospects presents for the first time a systematically comparative analysis of the common and divergent patterns in the use of part-time work in Europe, America and the Pacific Rim. It brings together sociologists and economists in this wide-ranging and comprehensive survey. It tackles such areas as gender issues, ethnic questions and the differences between certain national economies including low pay, pensions and labour standards.
