People who have bought this say:"The guide to texting men really changed my perception about texting guys. I would normally just speak my mind without thinking about how they would receive the message and how it would make them feel. I now know from reading the book that that's where I was going wrong. I applied this to a real-life scenario recently when a guy texted me and cancelled on me last minute. At first I was annoyed and I wanted him to know I was

disappointed but I remembered from reading the book that it is not WHAT you say but HOW you say it. So, I simply shifted the tone and language of the message to be understanding and empathetic but subtly letting him know I was disappointed. He responded really well and we organised another night! I feel so much more confident texting men now. Safe to say it's my texting bible!" - Brianna "This book offers so many interesting real-life examples and actionable tips on how to nail the texting game. It's an awesome read regardless of whether you're single or in a relationship." - Jen

The Power of Texting - Jaden James 2019-02-06
Have men CHASE AFTER YOU with these NEVER BEFORE SEEN texting secrets Do you know that feeling of guys just being attracted to the girls behind and next to you and even if they are talking to you, they are only doing so "just as friends"? Or maybe this situation sounds more familiar to you: "There is this one guy I completely ignore and whom I'm just not attracted to, but he's offering me the world. He is helpful and responsive, but I get annoyed every time I see his texts or calls. But then there is this other boy I really like, and I show that to him, but then he becomes aloof and ignores my texts." Or do you have the problem that you've been texting for a while with that "special" guy and out of the blue he stops texting and responding to you? And you just think to yourself: "Why did he stop texting me, everything was going so well..." I know these problems can be really frustrating and painful, but it doesn't have to be like this... Exactly what to text him to keep the conversation fun and interesting (The examples in the book are pure gold and will make you stand out from all the other women he is texting with). Project Everlasting - Mathew Boggs 2007-06-05
A heartwarming and revealing look at the wisdom drawn from successful marriages and the secrets to making love last, not from Ph.D.s or therapists but from more than 200 real couples who have walked the walk to more than forty years of marriage. Jaded by his parents' divorce, Mathew Boggs was a young man who'd lost all belief in lifelong love. After observing his grandparents who were madly in love after sixty-three years of marriage, Mat talked his best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of *Project Everlasting* is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through *Project Everlasting*—show their generation and generations to come how to build a marriage to last.

Make Him Yours - Mark Rosenfeld 2019-12-12
How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. you can assign to different girls you are texting.

- The science of projecting messages into the future.

He's Just Not That Into You - Greg Behrendt
2009-01-06

Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For

many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll

learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
