Flower Composition Book Flower Books 2017-02-14 Looking for a composition notebook that is far superior to the boring, black and white comp book standard? We've got you covered. This composition notebook is college ruled on the inside so you can use it for school, work, or whatever you use these notebooks for, but the cover sets it apart from a normal comp book, making it a great gift for anyone who loves flowers. In fact, it's a cute gift idea for your friend that loves flowers and crafty stuff, and it's also useful, so the person you give it to is going to think about you every day, and isn't that the real purpose of any gift? The other thing that makes this composition notebook special (and what would make it a great gift for your mom, girlfriend, wife, or really, anyone who loves flowers) is that the cover of this notebook features hand-drawn images that can be colored like a regular coloring book. Once you (or your gift recipient) colors it, you have

a one-of-a-kind notebook, and if you (or they) happen to be feeling inspired, you (or they) can extend the drawing to the back cover of the book and color that as well. the drawing to the back cover of the book and color that as well. If you are looking for birthday gifts for mom, thank you gifts, unique gifts, a coloring book, a composition notebook that is anything but ordinary, or anything in between, this composition notebook is for you! Here are some things you can do with this lovely floral composition notebook: give it to your mom as a birthday gift, give it as a unique thank you gift, use it as a cheap yet thoughtful Christmas present, The original artwork pushes this over the top. Did we mention that this was lovingly hand-drawn by a 75 year old grandmother? Oh yes, it was. Tell your mother that when you give this to her as a Mother's Day gift. If you were to pair this with, say, a pair of colored pencils that you can also acquire from Amazon, that would maybe push it over the edge into the domain of the "best gift anyone has ever given anyone." Does this qualify as one of the most original gifts? We think so. Here's the thing. Amazon wants us to write 4,000 characters about this book, which is actually a lot. More than you would think. Like, even professional writers and publishers don't usually write that much about their books, and these are books that they spent YEARS writing. We could also tell you that the drawings are done with a black pen, then scanned and PhotoShopped and formatted as a composition book. We could tell you that people LOVE these books and that they are bestsellers. We could tell you that you can write your genius thoughts in here, or that you can do some drawings, or that this bad boy has 200 pages in it, or that once you experience the awesomeness of the colorable composition notebook, you are never going to want another notebook (ALL of which are true). Or, we could give you a list of words that might also apply to this title and its superiority as a gift: Christmas gift ideas, Christmas presents, gifts for girlfriends, ideas, gifts for her, mothers day gift ideas, gift ideas for girlfriend, present gift, perfect gift, good birthday gifts, good presents, xmas presents, ideas for Christmas, good gifts, last minute gift ideas, last minute gifts, Christmas gift ideas for

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between

themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Finding Shirley](#) Susan Stanich 2007-06 Excerpt from Finding

Shirley: This is my first meeting with Jim since agreeing to do this book. I am a little wary, hoping I haven't made a mistake. What if it turns out he is a real crackpot? Or just another small-minded bigot? But so far, so good. Finding Shirley is only marginally about Shirley Johnson, although her very real travails and her emergence from them (largely through the steadfast commitment of Jim Esala, the subject of this book) are recounted here. Mainly, this book is about Jim's conservative Christian life - as told by a skeptical liberal who had signed onto an American Civil Liberties Union lawsuit to get the Ten Commandments removed from public property. These two very different people came together to produce his biography, and their differences are recorded here. But they learned to bridge misconceptions and prejudices and to appreciate one another's differences; and in so doing, they found deeply common ground and became genuine and respectful friends. Jim Esala is a Navy veteran of World War II, a retired florist who also worked as Great Lakes sailor, carpenter and construction worker. He was a pioneer both in missionary work and in establishing churches in northeastern Minnesota. However, the pulpit was not for him, and he returned to his true calling: helping others directly in his marketplace ministry. Perhaps the most revealing evidence of his selfless work during his long life is that dozens of people truly consider him to be their best friend. Susan Stanich is an award-winning reporter who worked as staff writer for the Duluth News Tribune, freelance feature writer and stringer for the Washington Post, and editor of two biweekly newspapers. She is author of short stories and screenplays, and co-author of a travel book, *Insiders Guide to the Lake Superior Region*.
