The Best Interface Is No Interface - Golden Krishna 2015-01-31

Our love affair with the digital interface is out of control. We've embraced it in the boardroom, the bedroom, and the bathroom. Screens have taken over our lives. Most people spend over eight hours a day staring at a screen, and some "technological innovators" are hoping to grab even more of your eyeball time. You have screens in your pocket, in your car, on your appliances, and maybe even on your face. Average smartphone users check their phones 150 times a day, responding to the addictive buzz of Facebook or emails or Twitter. Are you sick? There's an app for that! Need to pray? There's an app for that! Dead? Well, there's an app for that, too! And most apps are intentionally addictive distractions that end up taking our attention away from things like family, friends, sleep, and oncoming traffic. There's a better way. In this book, innovator Golden Krishna challenges our world of nagging, screen-based bondage, and shows how we can build a technologically advanced world without digital interfaces. In his insightful, raw, and often hilarious criticism, Golden reveals fascinating ways to think beyond screens using three principles that lead to more meaningful innovation. Whether you're working in technology, or just wary of a gadget-filled future, you'll be enlightened and entertained while discovering that the best interface is no interface.

How to Be a Good Girlfriend and Keep Your Boyfriend Happy -

Andres Munsel 2015-04-12

Why should the women of today - who want to be treated equally to men - be motivated to go above and beyond in their relationship? The truth is, some women don't feel any desire to go out of their way to make their partners especially happy, and that's their prerogative. But contributing that bare minimum to a relationship makes you far from perfect, and makes the relationship far from perfect too. Even more so now that 21st century men are increasingly realizing their own shortcomings and attempting to correct them. Luckily, you're here reading this now because you probably aren't among the status quo: You're ready to take a path of self-improvement for the benefit of your relationship and the happiness of your boyfriend. Kudos! The perfect woman (in the opinion of most men) is an assertive and confident leader at work, a gourmet chef at home, a goddess in bed, and a master organizer. She's not only skilled, intuitive, intelligent, well-read, witty, and positive, but can put her hair in a pony-tail and whoop ass better than the best, when needed. Sure, this massive expectation isn't exactly fair, but that's the meaning and price of perfection. Getting into a relationship is easy, but keeping a relationship happy is hard work - even more so if you wish to be the unequivocal owner of your man's heart and mind.

Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

Tax Amnesties - Mr.Eric Le Borgne 2008-07-29

Tax amnesties remain as popular as ever as a tool for raising revenue and increasing tax compliance. International experience, however, shows that the costs of tax amnesty programs often exceed the programs' benefits. This paper weighs the advantages and disadvantages of tax amnesties, drawing on results from the theoretical literature, econometric evidence, and selected country and U.S. state case studies. The authors conclude that "successful" tax amnesties are the exception rather than the norm. Improvements in tax administration are the essential ingredient in addressing the main problems that tax amnesties seek to address. Indeed, the most successful amnesty programs rely on improving the tax administration's enforcement capacity. ?Given the potential drawbacks of tax amnesties, a few alternative measures are discussed.

Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • BY QUEERS, FOR QUEERS: This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • EXCITING DEBUT AUTHOR: In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts

refreshing vulnerability and remarkable wisdom. • GORGEOUS ILLUSTRATION: Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • AMAZING GUEST EXPERTS: Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the *Ex-Girlfriend* zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic novels and art [The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want

to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
