*All of My Wives* - Dr. Tina Parkman, LPC, CAADC 2013-06-07

The book is for those who are "married" bachelors who struggle with polygamous friendships and emotional and serial affairs. Many men are married and still looking for their wife. Some are single and consummating illegal marriages. Others are still tied to the wife of their past. Some men are just, flat out, with the wrong woman; when the right one comes along they can't recognize her. So, you are married through soul ties desires for more than one mate. Webster's dictionary definition of polygamy is the having of a plurality of wives or husbands at the same time: usually, the marriage of a man to more than one woman, or the practice of having several wives, at the same time. Proverbs 5:21 says, "For the ways of man are before the eyes of the Lord." The Lord knows about your sex life. So, your secret is not a secret; and, your disgrace is

not unusual. Let's take the steps to recover and redeem our sexual wholeness. "All of My Wives" will show you how.

**The Bare Facts** - Josh McDowell 2011-07-01

Sex is everywhere. And misunderstandings about it are even more pervasive. Whether you have questions of your own and don't know who to ask, or you are being asked questions and don't know where to turn—this small book has the answers. Bestselling author and speaker, Josh McDowell believes that no question is off limits and that knowledge, not ignorance, is the key to youthful purity and a fulfilling marriage and family. This book builds on that approach with relevant, pertinent statistics, entertaining anecdotes, and real stories. This little book will be a very practical tool in the hands of anyone who is struggling, anyone who is curious, anyone who is nervous about asking a "dumb question," and most importantly, anyone who desires to learn how to honor God with his or her body. The Bible is clear on a lot of these issues and Josh's candor (and respect for young people) shines through as he shares these truths about sex. Much like Josh's apologetics books, this book will help equip a skeptical generation with the facts they are sorely missing.

**Christian Ethics and HIV/AIDS in Africa** - 2007

**An Atheist to a Christian** - Levi Matthew 2015-01-21

Levi grew up as the kid who would never believe in anything. His parents didn't take him to church, and it wasn't until he was seven years old that he began occasionally joining his friend Edwin to go to a house of God.

But even then, he did not know much about God, Jesus or the Bible. Spending time with Edwin and his family gave Levi a chance to escape his own unhappy home. He witnessed his mother cheating on his father and had to deal with his father's verbal and physical abuse. Through it all, he just wanted to be loved like other children. Levi went through high school drinking and struggling to fit in, and then he joined the Marines, all the while struggling to believe in God. Even when his son was thought to have Down syndrome—but was born healthy—he shrugged it off as the doctors being wrong in their diagnosis. The obstacles that Levi overcame and the wars he survived show that God loves everyone—even those who don't love Him back. He shares how he opened his eyes and went from Atheist to Christian.

Christianity? This book proposes a theory that marries faith and
