*Back in the Burbs* Avery Flynn 2021-03-30 Two powerhouse authors bring you a hilarious tale of one woman's journey to find herself again. Ever have one of those days where life just plain sucks? Welcome to my last three months—ever since I caught my can't-be-soon-enough ex-husband cheating with his paralegal. I'm thirty-five years old, and I've lost my NYC apartment, my job, my money, and frankly, my dignity. But the final heartache in the suck sandwich of my life? My great-aunt Maggie died. The only family member who's ever gotten me. Even after death, though, she's helping me get back up. She's willed me the keys to a house in the burbs, of all places, and dared me to grab life by the family jewels. Well, I've got the vise grips already in hand (my ex should take note) and I'm ready to fight for my life again. Too bad that bravado only lasts as long as it takes to drive into Huckleberry Hills. And see the house. There are forty-seven separate HOA violations, and I feel them all in my bones. Honestly, I'm surprised no one's "accidentally" torched the house yet. I want to, and I've only been standing in front of it for five minutes. But then my hot, grumpy neighbor tells me to mow the lawn first and I'm just...done. Done with men too sexy for their own good and done with anyone telling me what to do. First rule of surviving the burbs? There is nothing that YouTube and a glass of wine can't conquer.

**The Poltergeist Prince of London** James Clark 2013-10-01 It began with a key. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here - by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history - but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all - Shirley herself.

It was just one night. Tomorrow I could get back to normal I told myself. When she turned up at my next meeting, normal was no longer on the horizon. Now, she is essential to defeating my enemy.
