

# Blackout Girl Growing Up And Drying Out In America

*To Say Nothing of the Dog* - Connie Willis 2013-05-09

Ned Henry is a time-travelling historian who specialises in the mid-20th century - currently engaged in researching the bombed-out Coventry Cathedral. He's also made so many drops into the past that he's suffering from a dangerously advanced case of 'time-lag'. Unfortunately for Ned, an emergency dash to Victorian England is required and he's the only available historian. But Ned's time-lag is so bad that he's not sure what the errand is - which is bad news since, if he fails, history could unravel around him ... Winner of the Hugo Award for best novel, 1999

Introduction by Pat Cadigan

*Blackout Girl* - Jennifer Storm 2009-06-03

A riveting memoir of what happens to a teenage girl whose life is awash in alcohol, drugs, and the trauma of rape. Jennifer Storm's *Blackout Girl* is a can't-tear-yourself-away look at teenage addiction and redemption. At age six, Jennifer Storm was stealing sips of her mother's cocktails. By age 13, she was binge drinking and well on her way to regular cocaine and LSD use. Her young life was awash in alcohol, drugs, and the trauma of rape. She anesthetized herself to many of the harsh realities of her young life--including her own misunderstandings about her sexual orientation--which made her even more vulnerable to victimization. *Blackout Girl* is Storm's tender and gritty memoir, revealing the depths of her addiction and her eventual path to a life of accomplishment and joy.

*When Rabbit Howls* - Truddi Chase 1990-04-01

A woman diagnosed with dissociative identity disorder reveals her harrowing journey from abuse to recovery in this #1 New York Times bestselling autobiography written by her own multiple personalities. Successful, happily married Truddi Chase began therapy hoping to find the reasons behind her extreme anxiety, mood swings, and periodic blackouts. What emerged from her sessions was terrifying: Truddi's mind and body were inhabited by the Troops--ninety-two individual voices that emerged to shield her from her traumatizing childhood. For years the Troops created a world where she could hide from the pain of the ritualized sexual abuse she suffered at the hands of her own stepfather--abuse that began when she was only two years old. It was a past that Truddi didn't even know existed, until she and her therapist took a journey to where the nightmare began... Written by the Troops themselves, *When Rabbit Howls* is told by the very alter-egos who stayed with Truddi Chase, watched over her, and protected her. What they reveal is a spellbinding descent into a personal hell--and an ultimate, triumphant deliverance for the woman they became.

*Leave the Light On* - Jennifer Storm 2010-04-01

Shows how a young person can rebuild his or her life after addiction and trauma.

**Book Review Index - 2009 Cumulation** - Dana Ferguson 2009-08

Book Review Index provides quick access to reviews of books, periodicals, books on tape and electronic media representing a wide range of popular, academic and professional interests. The up-to-date coverage, wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool. More than 600 publications are indexed, including journals and national general interest publications and newspapers. Book Review Index is available in a three-issue subscription covering the current year or as an annual cumulation covering the past year.

*Blackout* - Sarah Hepola 2015-06-23

'Extraordinary... Writing with warmth and wit' Independent 'It's such a savage thing to lose your memory, but the crazy thing is, it doesn't hurt one bit. A blackout doesn't sting, or stab, or leave a scar when it robs you. Close your eyes and open them again. That's what a blackout feels like.' For Sarah Hepola, alcohol was 'the gasoline of all adventure'. She spent her evenings at cocktail parties and dark bars where she proudly stayed till last call. Drinking felt like freedom, part of her birthright as an enlightened twenty-first-century woman. But there was a price. She often blacked out, waking up with a blank space where four hours should be. Mornings became detective work on her own life. What did I say last night? How did I meet that guy? Publicly, she covered her shame with self-deprecating jokes, and her career flourished, but as the blackouts accumulated, she could no longer avoid a sinking truth. The fuel she thought she needed was draining her spirit instead. THE NEW YORK

TIMES BESTSELLER A memoir of unblinking honesty and poignant, laugh-out-loud humour, *BLACKOUT* is the story of a woman stumbling into a new adventure--the sober life she never wanted. Shining a light into her blackouts, she discovers the person she buried, as well as the confidence, intimacy, and creativity she once believed came only from a bottle. Her tale will resonate with anyone who has been forced to reinvent themselves or struggled in the face of necessary change. It's about giving up the thing you cherish most--but getting yourself back in return. A raw, vivid and ultimately uplifting memoir of addiction and recovery for anyone who is looking to find their way.

**The SAGE Encyclopedia of Alcohol** - Scott C. Martin 2014-12-16

Alcohol consumption goes to the very roots of nearly all human societies. Different countries and regions have become associated with different sorts of alcohol, for instance, the "beer culture" of Germany, the "wine culture" of France, Japan and sake, Russia and vodka, the Caribbean and rum, or the "moonshine culture" of Appalachia. Wine is used in religious rituals, and toasts are used to seal business deals or to celebrate marriages and state dinners. However, our relation with alcohol is one of love/hate. We also regulate it and tax it, we pass laws about when and where it's appropriate, we crack down severely on drunk driving, and the United States and other countries tried the failed "Noble Experiment" of Prohibition. While there are many encyclopedias on alcohol, nearly all approach it as a substance of abuse, taking a clinical, medical perspective (alcohol, alcoholism, and treatment). The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon, as well--both for good and for ill--from the earliest days of humankind.

*New Books on Women, Gender and Feminism* - 2008

*Broken* - William Cope Moyers 2007-08-28

Candid, shocking, and unforgettable, *Broken* is a haunting and clear-eyed tale that offers hope for all those wrestling with addiction Unlike some popular memoirs that have fictionalized and romanticized the degradations of drug addiction, *Broken* is a true-life tale of recovery that stuns and inspires with virtually every page. The eldest son of journalist Bill Moyers, William Cope Moyers relates with unforgettable clarity the story of how a young man with every advantage found himself spiraling into a love affair with crack cocaine that led him to the brink of death--and how a deep spirituality allowed him to conquer his shame, transform his life, and dedicate himself to changing America's politics of addiction. "William Cope Moyers's lucid, measured tale of his own plunge into crack-addled hell [is] frightening in its very realism." -USA Today

*Without Shame* - Barbara Theodosiou 2020-02-25

Barbara Theodosiou and her family reveal the pain, loss, and connection that emerge from addiction, trauma, codependency, and recovery in this unique view into the heart of a national crisis. The ringing phone startles Barbara during another sleepless night. She knows it must be Daniel, her big-hearted, intelligent son who has spent years cycling through hospitals, jails, and treatment centers. Although Daniel's childhood struggles started much earlier, he was sixteen when Barbara discovered he was horribly addicted to DXM, the drug found in many over-the-counter cough medicines. After picking up the pieces from one more of her son's relapses, Barbara seeks support in the online refuge she created when she had nowhere else to turn: *The Addict's Mom*. There, she can "Share Without Shame" with others who understand. These other mothers know that it can become normal to hope your son will be locked up so he isn't sleeping on the street. These other moms understand how it feels to realize you have not just one addicted child but two--Barbara discovered her oldest son Peter's addiction just six months after Daniel's. And when that happens, sometimes all a mother can do is try to save herself. But this isn't just a mother's story. Without Shame encompasses Daniel's own poetry and prose, Peter's story of healing against all odds, their sister Nicole's story of balancing compassion and independence, and other often unheard voices. This multifaceted story reveals what it truly means to describe addiction as a family disease.

*Picking Up the Pieces without Picking Up* - Jennifer Storm 2011-10-14

Educational material on criminal proceedings and victims' rights

presented in an accessible way make this a unique resource.

*High on Arrival* - Mackenzie Phillips 2011-08-04

Not long before her fiftieth birthday, Mackenzie Phillips walked into Los Angeles International Airport. She was on her way to a reunion for *One Day at a Time*, the hugely popular 70s sitcom on which she once starred as the lovable rebel Julie Cooper. Within minutes of entering the security checkpoint, Mackenzie was in handcuffs, arrested for possession of cocaine and heroin. Born into rock and roll royalty, flying in Learjets to the Virgin Islands at five, making pot brownies with her father's friends at eleven, Mackenzie grew up in an all-access kingdom of hippie freedom and heroin cool. It was a kingdom over which her father, the legendary John Phillips of *The Mamas & the Papas*, presided, often in absentia, as a spellbinding, visionary phantom. When Mackenzie was a teenager, Hollywood and the world took notice of the charming, talented, precocious child actor after her star-making turn in *American Graffiti*. As a young woman she joined the nonstop party in the hedonistic pleasure dome her father created for himself and his fellow revelers, and a rapt TV audience watched as Julie Cooper wasted away before their eyes. By the time Mackenzie discovered how deep and dark her father's trip was going, it was too late. And as an adult, she has paid dearly for a lifetime of excess, working tirelessly to reconcile a wonderful, terrible past in which she succumbed to the power of addiction and the pull of her magnetic father. As her astounding, outrageous, and often tender life story unfolds, the actor-musician-mother shares her lifelong battle with personal demons and near-fatal addictions. She overcomes seemingly impossible obstacles again and again and journeys toward redemption and peace. By exposing the shadows and secrets of the past to the light of day, the star who turned up *High on Arrival* has finally come back down to earth -- to stay.

**Loving Our Addicted Daughters Back to Life** - Linda Dahl 2015-05-25

The latest information on gender-specific treatment of addiction and recovery can be found in this go-to manual for parents seeking direction to help their daughters. Step-by-step guidelines present tools for recognizing substance abuse in young women; communicating with them and their care providers; dealing with relapse and long-term recovery; and managing parental shame, guilt, fear, anger, and loving detachment. Linda Dahl is the author of six books, including *Morning Glory* (2012), chosen as a *New York Times* Notable Book of the Year. A mother of two, she currently resides in New York.

**Awakening Blackout Girl** - Jennifer Storm 2020-10-06

In this honest and practical guide, rape survivor and victim advocate Jennifer Storm shares the information, tools, and resources she has gained from more than twenty years of personal and professional experience to help fellow survivors recover from co-occurring sexual trauma and substance use. In recent years, the #MeToo and Time's Up movements have exposed the truth that many already knew: sexual violence, victimization, and rape culture are real, pervasive, and causing widespread trauma for millions of survivors. This newfound visibility is also shedding light on the lack of resources available for victims to cope and heal from their pain. Perhaps it's not surprising that many turn to whatever coping mechanisms are close by, which often include alcohol, other drugs, and unhealthy behaviors. How can people in recovery from both sexual trauma and substance use heal in a place where victim-blaming and addiction stigma collide? Jennifer Storm is living proof that there is hope. In her memoir *Blackout Girl*, she shared her story and showed survivors that they are not alone. In *Awakening Blackout Girl*, Jennifer goes further by providing the road map she used to wake herself up from the drug-fueled numbness that was killing her and to achieve a fulfilling life of recovery and advocacy. With more than twenty years of experience helping other victims through the criminal justice system, Jennifer knows what survivors face. In this guide, she provides the exercises, tools, and wisdom they need to heal. While covering crucial subjects ranging from shame and self-harm to sex and relationships, Jennifer's message is this: Neither your pain, nor your offender, nor anyone else who doubts your strength gets to finish your story. You have the power to write your ending. You can survive, you can heal, and you can thrive.

**Out of the Dust (Scholastic Gold)** - Karen Hesse 2012-09-01

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. *Out of the Dust* joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! "Dust piles up like snow across the prairie. . . ." A terrible accident has transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that

might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

**The Publishers Weekly** - 2008

*Echoes of Penn State* - Jennifer Storm 2012-06-15

Award-winning author and nationally recognized victim's rights advocate, Jennifer Storm, has written a powerful response to the Jerry Sandusky adolescent sex abuse case. Mixing elements of her own story of victimization with a stunning critique of the handling of the case, she has created a document that is required reading for anyone trying to find answers in this unfolding tragedy.

*Why Does He Do That?* - Lundy Bancroft 2003-09-02

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: • The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can't • And how to get out of an abusive relationship safely "This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

*Blackout Girl* - Jennifer Storm 2020-08-25

The coronavirus pandemic has made vulnerable people more vulnerable, and brought trauma into many lives that were already unsteady. A powerful testament to personal survival, this story of sexual violence and its effects on mental health, abuse, and addiction also offers insight into how the recovery and mental health treatment communities can change to address these issues more effectively. In this brutally honest and compelling memoir, Jennifer Storm revisits the trauma of her childhood rape and ensuing addiction and how she channeled her pain into a healing life of advocacy. Sexual assault, addiction, and other traumatic experiences can leave both physical and emotional scars. For Jennifer Storm, these scars serve as a reminder--both of the darkness and suffering she once experienced, and of how far she has come. When she was first assaulted at age twelve, Jennifer turned to alcohol to dull the emotional pain. After a string of childhood traumas, she fell into crack use and self-harm. Once Jennifer finally found treatment after surviving the last of multiple suicide attempts, she discovered that it was possible to heal her shame. She could start to recover by uncovering the secrets she had kept hidden for years. *Blackout Girl* is the heartbreaking, enlightening, and inspiring story of Jennifer's narrow escape from her own self-destructive instincts when all of the odds, and systems, were stacked against her. Since *Blackout Girl* was first published in 2008, Jennifer has seen the #MeToo and Times Up movements empower countless brave survivors to reveal the truth of their experiences. Yet, our society is only just beginning to truly understand and support victims and recognize the importance of trauma-informed care. Now more relevant than ever, Jennifer's story and professional insights expose the societal failures these victims have endured, and how we can all help each other heal. If you are still experiencing or recovering from victimization, Jennifer's story shows you are not alone. For those struggling to understand a loved one's experience of addiction and trauma, Jennifer's recovery provides hope. This new edition of *Blackout Girl* includes additional chapters with more details of Jennifer's story, new insights on the societal changes of the past decade, and a powerful foreword by survivor advocate and founder of the End Rape Statute of Limitations movement, Caroline Heldman, PhD. *Blackout Girl* is a must-read both for those looking to learn about the personal effects of widespread sexual assault and addiction and for those who already hold these issues dear.

**Now What?** - William Cope Moyers 2012-10-09

Addiction and recovery insider and expert William Cope Moyers answers the question "Now What?" for addicts and their loved ones, every step of their journey from contemplation through intervention, treatment, and recovery. Addiction and recovery insider and expert William Cope

Moyers answers the question "Now what?" for addicts and their loved ones along every step of their journey through contemplation, intervention, treatment, and recovery. As the survivor of multiple relapses and near-fatal experiences with his addiction to alcohol and other drugs, William Cope Moyers knows what it's like to desperately need, but not know how to find, a good treatment program. As Moyers was struggling, his parents--television journalist Bill Moyers and his wife, Judith--were also battling to understand what was happening to their son and what to do about it. Thanks to a successful intervention, intensive inpatient treatment, and a rigorous Twelve Step program, Moyers has been clean

and sober since 1994, and has devoted his life to guiding others in getting the help they need. In the course of his work as a recovery advocate and ambassador with Hazelden Foundation, Moyers has talked with hundreds of alcoholics, addicts, and their families and has been a lifeline in helping them get the treatment they need. Drawing from both his own journey and the experiences of those he's helped, Moyers applies his passion and trademark down-to-earth, style to lead readers through the process of recognizing when someone needs help, finding a quality treatment program, navigating the treatment process, and establishing a support system after treatment.
