Songs of a Ruin Scottshak 2017-02-20 Songs of a Ruin is an anthology of poems that attempts to open our eyes to things we don't pay heed to. It mocks the robots that we have become, and endeavours to pull us toward the sentient light. These poems appreciate the rarity of an actual emotion. Songs of a Ruin relates profusely with visionaries and builds rivers of hope. Maybe we still have a shot. Maybe everything's not lost. Life isn't order. So you don't often find one pressed against the book's poetic lines. It is the turmoil that struggles in its alluring pages that sets its rhymes apart. Songs of a Ruin is written in pain, with it, and by it. It is an epitome of a ruin's rediscovery in an ugly world of decadence. It screams for your slightest nod. Come, fall in love with the fallen.

The Prophet Kahlil Gibran 2019-04-16 ALMUSTAFA, the chosen and the beloved, who was a dawn unto his own day, had waited twelve years in the city of Orphalese for his ship that was to return and bear him back to the isle of his birth. And in the twelfth year, on the seventh day of Ielool, the month of reaping, he climbed the hill without the city walls and looked seaward; and he beheld his ship coming with the mist. Then the gates of his heart were flung open, and his joy flew far over the sea. And he closed his eyes and prayed in the silences of his soul. BUT as he descended the hill, a sadness came upon him, and he thought in his heart: How shall I go in peace and without sorrow? Nay, not without a wound in the spirit shall I leave this city. Long were the days of pain I have spent within its walls, and long were the nights of aloneness; and who can depart from his pain and his aloneness without regret? Too many fragments of the spirit have I scattered in these streets, and too many are the children of my longing that walk naked among these hills, and I cannot withdraw from them without a burden and an ache.

Cursed Bunny Bora Chung 2022-12-06 FINALIST FOR THE 2023 NATIONAL BOOK AWARD IN TRANSLATED LITERATURE A wildly original debut from a rising star of Korean literature—surreal, chilling fables that take on the patriarchy, capitalism, and the reign of big tech with absurdist humor and a (sometimes literal) bite. Pre-order YOUR UTOPIA, the new book written by Bora Chung and translated by Anton Hur, coming February 2024! From an author never before published in the United States, *Cursed Bunny* is unique and imaginative, blending horror, sci-fi, fairy tales, and speculative fiction into stories that defy categorization. By turns thought-provoking and stomach-turning, here monsters take the shapes of furry woodland creatures and danger lurks in unexpected corners of everyday apartment buildings. But in this unforgettable collection, translated by the acclaimed Anton Hur, Chung's absurd, haunting universe could be our own. "The Head" follows a woman haunted by her own bodily waste. "The Embodiment" takes us into a dystopian gynecology office where a pregnant woman is told that she must find a father for her baby or face horrific consequences. Another story follows a young monster, forced into underground fight rings without knowing his own power. The titular fable centers on a cursed lamp in the shape of a rabbit, fit for a child's bedroom but for its sinister capabilities. No two stories are alike, and readers will be torn whether to race through them or savor Chung's wit and frenetic energy on every page. *Cursed Bunny* is a book that screams to be read late into the night and passed on to the nearest set of hands the very next day. "Like the work of Carmen Maria Machado and Aoko Matsuda, Chung's stories are so wonderfully, blisteringly strange and powerful that it's almost impossible to put *Cursed Bunny* down." —Kelly Link, bestselling author of *Get In Trouble*
