**Being the Other Woman** Micalle A. Culver 2012-02-16 In 2002, Micalle was swept off her feet by a man who spoke rapturous words to her heart, whisked her away to exotic locations, and made her laugh to no end. Like kindred souls, the two connected instantly, leading to a euphoric romance. The catch: He's married. As one promise after another was broken, the storybook love affair began to unravel. Wrought with confusion, Micalle set out to discover how she could have allowed passion to overrule logic and wondered about the likelihood of their situation resulting in happily-ever-after. The other woman, Micalle discovered, walks into an affair blind and leaves wishing she were. Worse, there is hardly a book on the shelf to comfort her, awaken her, or better yet; stop her from making a disaster of her life. Finding little material to glean from, Micalle began asking her own questions. What she found was that her experience wasn't entirely unique. This epitome led to several years of research into the triangle of affairs and who the other woman really is. Being the Other Woman was written to illuminate her path. In sometimes humorous but often painful detail, Micalle gives the raw story of her own affair, countless interviews from women who became mistresses, and research into the psychology of the other woman and the man who cheats. What is really going on in the mind of the mistress? Her lover? His wife? Being the Other Woman will help the reader identify in what type of affair the other woman is involved and provide guidance as to whether or not the husband will really leave his wife, how to make smart relationship decisions, and how to heal from the tremendous pain one is bound to experience either by being the other woman or having one in your life.

**Verity** Colleen Hoover 2021-10-05 Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of Too Late and It Ends With Us. #1 New York Times Bestseller · USA Today Bestseller · Globe and Mail Bestseller · Publishers Weekly Bestseller Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

**Shopping for Pleasure** Erika Rappaport 2021-06-08 In Shopping for Pleasure, Erika Rappaport reconstructs London's Victorian and Edwardian West End as an entertainment and retail center. In this neighborhood of stately homes, royal palaces, and spacious parks and squares, a dramatic transformation unfolded that ultimately changed the meaning of femininity and the lives of women, shaping their experience of modernity. Rappaport illuminates the various forces of the period that encouraged and discouraged women's enjoyment of public life and particularly shows how shopping came to be seen as the quintessential leisure activity for middle- and upper-class women. Through extensive histories of department stores, women's magazines, clubs, teashops, restaurants, and the theater as interwoven sites of consumption, Shopping for Pleasure uncovers how a new female urban culture emerged before and after the turn of the twentieth century. Moving beyond the question of whether shopping promoted or limited women's freedom, the author draws on diverse sources to explore how business practices, legal decisions, and cultural changes affected women in the market. In particular, she focuses on how and why stores presented themselves as pleasurable, secure places for the urban woman, in some cases defining themselves as instrumental to civic improvement and women's emancipation. Rappaport also considers such influences as merchandizing strategies, credit policies, changes in public transportation, feminism, and the financial balance of power within the home. Shopping for Pleasure is thus both a social and cultural history of the West End, but on a broader scale it reveals the essential interplay between the rise of consumer society, the birth of modern femininity, and the making of contemporary London.

**The Art of Resistance in Islam** Yafa Shanneik 2022-01-20 Examining different forms of resistance among Shi'i women in the Middle East and Europe, this book studies the performance of sectarian and gender power relations as expressed in Shi'i ritual practices. It provides a new transnational approach to researching gender agency in contemporary Islamic movements in both the Middle East and Europe.

**Ruth Bader Ginsburg: The Last Interview** MELVILLE HOUSE 2020-12-01 The newest entry in the increasingly popular series collects fascinating and in-depth interviews with Bill Moyers, Nina Totenberg, and more, and conversations (with Antonin Scalia and high school students) from throughout the long, ground-breaking career of one of the greatest, most influential, and most exciting legal minds in American history. From her start in Depression-era New York, to her final days at the pinnacle of the American legal system, Ruth Bader Ginsburg defied convention, blazing a trail that helped bring greater equality to women, and to all Americans. In this collection of in-depth interviews -- including her last, as well as one of her first -- Ginsburg details her rise from a Brooklyn public school to becoming the second woman on the United States Supreme Court, and her non-stop fight for gender equality along the way. Besides telling the story behind many of her famous court battles, she also talks openly about motherhood and her partnership with her beloved husband, her Jewishness, her surprising friendship with her legal polar opposite Justice Antonin Scalia, her passion for opera, and, in one of the collection's most charming interviews, offers advice to high school students wondering about the law. It is, in the end, both an engrossing look into a fascinating life, and an inspiring tribute to an American icon.

**Muslim, Christian, and Jew** David Liepert 2010 Virtually every other religious book portrays the act of believing-the decision a believer makes to accept that his or her own religion's particular assumptions and explanations are true-as if it is a good thing. Frankly, I think believing is dangerous. . . . The thrust of my argument is simple: All of us think that our religion is "good" and that those in apparent (and often politically motivated) opposition to it are "bad." But the real truth is that all of our religions are equally guilty of being used to promote violence, and-thanks to centuries of political manipulation that have distorted the way we read our holy books-all of us are equally guilty of not following what our religions really say. . . . The later chapters of this book explore belief and human nature in a new light to explain how Freud's theories of the subconscious and quantum physics' model of the subatomic universe offer some of the best proof we have that God exists; show us a way to restore religion to its rightful role in our lives and our world; and conclude that we're all a lot closer to where we should be than we think.

How to Talk to Girls Simplified - Full Version German Muhlenberg 2018-03-09 - If you have trouble starting a chat with a girl you like.- If you always end up in boring conversations or do not know what to say.- If you want to know what to do on a date to make it a fun, exciting and interesting experience.- If you want her to really enjoy being with you and to feel attracted - If you have already searched through various Videos, Blogs or Wikihow and they did not help you.Then this is the right book for you!Some of the questions they ask me most frequently are: How do I start a conversation? What do I say to a girl? Should I have certain phrases prepared in advance?One of the main problems when striking up a conversation with a woman is that everything seems to be going well and then suddenly her interest seems to simply disappear, her answers are shortened and you might even start feeling like a disaster, wishing you had the ability to know what she was thinking.It's happened to all of us some time or another that we don't know what to say when entering into a conversation or that there are some uncomfortable silences. The truth is that it is not as difficult as many think, and yet many men end up in boring conversations and girls rarely have unforgettable nights with them.Why? Because they end up doing the same boring, predictable, and tedious things than the last 100 previous guys did and they simply don't work. Imagine that one girl is on a date with a random guy she doesn't know and he starts asking her the same questions she always hears."So where do you come from?", "What is your job?", "What do you study?", "Why did you choose that university?", "Where would you like to live?", "Where would you like to go on vacations?", or even talk about the WEATHER! Yes! That last one, definitely, is the topic of conversation of an unforgettable night ...The worst thing is that there is a belief that the solution to this is "openers" or pre-set phrases and I have to admit that I used to think that way too. Once a guy wrote to me: "If I just had a perfect phrase to start a conversation everything else would just flow."In the same way many men also look for that perfect phrase, that all-encompassing opener, in order to get attention instantly and make any girl attracted towards us ... but I'm sorry to say that it doesn't work this way. The people who unconsciously feel like techniques or pick-up phrases are necessary is because they do not feel good enough themselves to win the ladies' attention. The most successful men are those who don't put women above themselves. That way your game becomes simple and natural. In this book I will give you the tools to improve conversations, flirt, and connect with women in a sexual way.

**Women and Revolution** Lydia Sargent 1981 "Women and Revolution, edited by Lydia Sargent is the second volume in the South End Press Political Controversies Series on contemporary political theory and practice. The lead article THE UNHAPPY MARRIAGE OF MARXISM AND FEMINISM by Heidi Hartmann argues that "the marriage of marxism and feminism has been like that between husband and wife depicted in English common law; marxism and feminism are one, and that one is marxism... To continue the metaphor further, either we need a healthier marriage or we need a divorce." The twelve contributors to this discussion are: Iris Young, Christine Riddiough, Gloria Joseph, Sandra Harding, Azizah al-Hibri, Carol Ehrlich, Lise, Vogel, Emily Hicks, Carol Brown, Katie Stewart, Ann Ferguson & Nancy Folbre, Zillah Eisenstein." --

**Whisper Bound** Bonnie Elizabeth 2020-12-01 Falling out of bed when the earth shakes and bleeding from a head wound starts Private Investigator Meg Barringer's day. Which means she's not at her best when she gets a call about investigating the death of a woman buried alive. Meg's investigation leads her to the charismatic and mysterious Peter Eresh, who may be the most unusual Whisper resident of all. As Meg's inquiries take her deeper into dangerous territory, she stumbles onto a deadly plot. Not your average Pacific Northwest town, things happen in Whisper Washington that don't happen anywhere else. Residents don't mind, not even Meg, when she isn't being stalked by something inhuman. Unfortunately for her, outsiders trying to control the very land upon which Whisper is built have come to town. Their interference could cause disaster for the town and could cost Meg her life. Because now, the ground itself is out to get her. Whisper Bound is the first book in the captivating Whisper series. The mystery in Whisper Bound is a complete book in itself but readers can return to Whisper and read more about Meg, Rain, and Peter in Taken by the Sound.

German Women Writers and the Spatial Turn: New Perspectives Carola Daffner 2015-07-01 In the last few decades, the phrase "spatial turn" has received increased attention in German Studies, inspired by developments within the discipline of geography. The collection of essays, German Women Writers and the Spatial Turn: New Perspectives, connects spatial studies, German studies, and women's writing, and emphasizes a return to the written word as an original site of cultural interrogation.

Befreiung Am Ende? Am Ende Befreiung! Europäische Gesellschaft für die Theologische Forschung von Frauen. Internationale Konferenz 2002 This volume collects the key-note addresses on feminist theology and feminist theory given at the international conference of the ESWTR held in Salzburg in August 2001, together with other papers given at that conference and relating to this theme. It explores the interactions between

liberation theology and feminist theory in European and other contexts, considering particularly aspects crossing boundaries: gender, national, disciplinary. The papers are complemented by a comprehensive bibliography of relevant literature and by an extensive review section.

*The Morning After* Cynthia Enloe 1993-10-10 Cynthia Enloe's riveting new book looks at the end of the Cold War and places women at the center of international politics. Focusing on the relationship between the politics of sexuality and the politics of militarism, Enloe charts the changing definitions of gender roles, sexuality, and militarism at the end of the twentieth century. In the gray dawn of this new era, Enloe finds that the politics of sexuality have already shifted irrevocably. Women glimpse the possibilities of democratization and demilitarization within what is still a largely patriarchal world. New opportunities for greater freedom are seen in emerging social movements—gays fighting for their place in the American military, Filipina servants rallying for their rights in Saudi Arabia, Danish women organizing against the European Community's Maastricht treaty. Enloe also documents the ongoing assaults against women as newly emerging nationalist movements serve to reestablish the privileges of masculinity. The voices of real women are heard in this book. They reach across cultures, showing the interconnections between military networks, jobs, domestic life, and international politics. *The Morning After* will spark new ways of thinking about the complexities of the post-Cold War period, and it will bring contemporary sexual politics into the clear light of day as no other book has done.

**EBOOK: Domestic Violence: A Multi-professional Approach for Health Professionals** June Keeling 2008-05-16 This book takes a multi-agency approach to domestic violence and looks at a large range of issues that impact on those working in the health and social care field. It begins with identification of situations where abuse may occur, including intimate partner violence, child and adolescent abuse, same-sex violence, and elderly abuse. The book considers the commonalities for survivors of abuse - such as the right to feel safe and protected from violence - and evaluates how health and social care professionals can work towards a positive outcome for all of the individuals involved. The book is divided into four parts, Recognition, Reaction, Involvement and Outcome and includes chapters on: Sexual Coercion and Domestic Violence Abuse and the Elderly Treatment and Alcohol Multi-Disciplinary Working Relationship Conflict and Abuse Outcomes Domestic Violence is a key reference resource for students and professionals across a wide range of health and social care occupations. *Difficult Conversations Just for Women* Sofia Santiago 2016-06-21 2018 EDITION"From the very first chapter, readers will know that they have stumbled onto something valuable, beginning with the authors' advice about the importance of not avoiding difficult conversations aimed at changing another person's behavior . . . Any woman who picks up this book will feel inspired, upon reaching its end, to courageously speak her mind."-Publisher's Weekly"Difficult Conversations Just for Women: Kill the Anxiety. Get What You Want carries a message that every woman needs to know, especially in this day and age; an expert guide on handling difficult conversations. The title of this book may lure readers into checking it out, but they won't be disappointed. What is most interesting about this book is that it offers just what readers need to know. . . No fluff, no babbling."-Readers' Favorite Every woman intuitively knows that the strategies recommended for men won't work for women. Men will be called leaders and women who do the same things will be called "bossy" (or worse). If she says "I feel" she may be considered hormonal. That's why other conflict-management books shortchange women in two crucial ways:1) They fail to acknowledge and address the challenges that women face, but men don't. (And I'm not talking about having to turn a banana sideways when eating it in public.)2) They neglect to explain that many of the strategies they recommend-when followed by a woman-will carry backlash. When it comes to difficult conversations, women struggle to find the right balance between being seen as too passive ("a doormat") or too aggressive ("a bitch.")Those and many more are the reasons why women avoid confrontation at all costs, make fewer requests for themselves than men, and end up not getting what they want or deserve. This book is based on scientific research, and it has been written just for women. Presented in a lively and entertaining style, DIFFICULT CONVERSATIONS JUST FOR WOMEN gives women specific techniques and wording to feel confident before, during, and after a difficult conversation, and to tackle confrontations effectively.

*The No Club* Linda Babcock 2022-05-03 A practical guide for bringing gender equality to the workplace with a new imperative: unburden women's careers from work that goes unrewarded. THE NO CLUB started when four women who were crushed by endless to-do lists banded together over \$10 bottles of wine and vowed to get their work lives under control. Running faster than ever, they nevertheless trailed behind their male colleagues. And so, they vowed to say no to requests that pulled them away from the work that mattered most to their careers. This book reveals how their over-a-decade-long journey and groundbreaking research uncovered that women everywhere are unfairly burdened with "non-promotable work", a tremendous problem we can - and must - solve. All organizations have work that no one wants to do: planning the office party, screening interns, attending to that time-consuming client, or simply helping others with their work. From office housework to important assignments that inevitably go unrewarded, a woman, most often, takes on these tasks. In study upon study, professors Linda Babcock (bestselling author of WHY WOMEN DON'T ASK), Brenda Peyser, Lise Vesterlund, and Laurie Weingart - the original "No Club" - document that women are disproportionately asked and expected to do this kind of work. This imbalance leaves women overcommitted and underutilized as companies forfeit revenue, productivity, and top talent. But it doesn't have to be this way. THE NO CLUB walks you through how to make small, yet important, changes to your own workload and empowers women to make savvy decisions about what they take on. At the same time, the authors illuminate how lasting change calls for organizations to reassess how they assign and reward work to level the playing field. With hard data, personal anecdotes from women of all stripes, practical self- and workplace-assessments, and innovative advice from consulting in Fortune 500 companies, this book will forever change the conversation about how we advance women's careers and achieve equality in the twenty-first century.

**Lean In** Sheryl Sandberg 2013-03-12 Sheryl Sandberg's *Lean In* is a massive cultural phenomenon and its title has become an instant catchphrase for empowering women. The book soared to the top of bestseller lists internationally, igniting global conversations about women and ambition. Sandberg packed theatres, dominated opinion pages, appeared on every major television show and on the cover of *Time* magazine, and sparked ferocious debate about women and leadership. Ask most women whether they have the right to equality at work and the answer will be a resounding yes, but ask the same women whether they'd feel confident asking for a raise, a promotion, or equal pay, and some reticence creeps in. The statistics, although an improvement on previous decades, are certainly not in women's favour - of 197 heads of state, only twenty-two are women. Women hold just 20 percent of seats in parliaments globally, and in the world of big business, a meagre eighteen of the Fortune 500 CEOs are women. In *Lean In*, Sheryl Sandberg - Facebook COO and one of *Fortune* magazine's Most Powerful Women in Business - draws on her own experience of working in some of the world's most successful businesses and looks at what women can do to help themselves, and make the small changes in their life that can effect change on a more universal scale.

*Women Are Creating the Glass Ceiling and Have the Power to End It* Nancy E. Parsons 2021-05-21 "I love the candor in Nancy Parsons's *Women Are Creating the Glass Ceiling and Have the Power to End It*. It's time to start having real conversations about the years of ineffective measures to break the glass ceiling, and Nancy Parsons's data-driven approach to uncover its true root cause is the critical first step toward achieving actual change. Every executive team needs to read this book and rethink their current D&I initiatives. We simply can't have another 40 years at this rate of progress. Nancy's passionate, insightful words are igniting the right conversations and will help accelerate us to a place where the entire concept of the glass ceiling is obsolete."

**Women and Economic Activities in Late Medieval Ghent** S. Hutton 2011-04-11 Contrary to the widespread view that women exercised economic autonomy only in widowhood, Hutton argues that marital status was not the chief determinant of women's economic activities in the mid-fourteenth century and that women managed their own wealth to a far greater extent than previously recognized.

**That You Might Believe - Study on the Gospel of John** Robert L. Deffinbaugh 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book. It is frequently the first book of the Bible we encourage non-Christians to read in the hope that its message will lead them to faith in Christ. After all, that is the purpose of the book. See John 20:31. For Christians, the Gospel of John is a source of much truth about our Lord and the Gospel. But it is much more than that. It is an opportunity for us to follow Him as we read, and to identify with the disciples as their knowledge of Him continues to expand. It is our opportunity to get to know the heart of the Savior, and to fellowship with Him through His Word. If men of old found their hearts set on fire as they listened to Him teach in person (Luke 24:32), so we will find our hearts warmed as we seek to listen to Him through this Gospel. I challenge you to join me in making the Gospel of John the subject of your study. May God use it to help you see and serve Jesus Christ as the Lamb of God, who takes away the sin of the world (John 1:29).

**Crimes Unspoken** Miriam Gebhardt 2016-12-20 The soldiers who occupied Germany after the Second World War were not only liberators: they also brought with them a new threat, as women throughout the country became victims of sexual violence. In this disturbing and carefully researched book, the historian Miriam Gebhardt reveals for the first time the scale of this human tragedy, which continued long after the hostilities had ended. Discussion in recent years of the rape of German women committed at the end of the war has focused almost exclusively on the crimes committed by Soviet soldiers, but Gebhardt shows that this picture is misleading. Crimes were committed as much by the Western Allies - American, French and British - as by the members of the Red Army, and they occurred not only in Berlin but throughout Germany. Nor was the suffering limited to the immediate aftermath of the war. Gebhardt powerfully recounts how raped women continued to be the victims of doctors, who arbitrarily granted or refused abortions, welfare workers, who put pregnant women in homes, and wider society, which even today prefers to ignore these crimes. *Crimes Unspoken* is the first historical account to expose the true extent of sexual violence in Germany at the end of the war, offering valuable new insight into a key period of 20th century history.

**Just One More Song** Herbert Appleman 2019-03-04 *Just One More Song* is Herb Appleman's account of coping with loss and grief following the death of his wife, Dee. It's also the celebration of a marriage that was a love affair for forty-six years. The book takes the form of a diary that Herb kept during his first fifteen months of widowhood, and the entries are, for the most part, his conversations with Dee. These weren't mystical experiences but, as Herb says, "as real as memory, imagination, and love are real." They came about because he couldn't sleep. Even sleeping pills didn't help. Nothing did, until one night, when he remembered a scene from the movie *Sleepless in Seattle*. It was a scene in which Tom Hanks played a character who'd been recently widowed and was having trouble sleeping. Out of the blue, he imagined his dead wife sitting on the other end of the sofa, talking to him, and he felt comforted. Herb thought he'd give it a try and imagined talking to Dee. It worked. From then on, knowing he could talk to her at the end of the day gave him something to look forward to, and after they talked, he found it easier to sleep. Their conversations were triggered by things that happened on a particular day but ranged, as conversations often do, over the whole of their lives. The tone of the book is set in the dedication, which begins, "Nearly every night before going to sleep, Dee liked me to sing to her. The song she'd pick would depend on her mood or the occasion, if the day was special, or simply on the time of year. On the first day of fall, when the colors began to change, she'd always pick 'Autumn Leaves.' More often than not, after I finished, she'd say, 'Just one more song. This time you pick it.'" The dedication ends: "For Dee, in loving memory, just one more song." *Just One More Song* is enhanced by personal photos and reproductions of Dee's artwork; it's a book to treasure and tell your friends about, especially if they're in mourning or if they still believe that romantic love can last a lifetime. And longer.

**Talking Back** Bell Hooks 1989 bell hooks writes about the meaning of feminist consciousness in daily life and about self-recovery, about overcoming white and male supremacy, and about intimate relationships, exploring the point where the public and private meet.

**The Conversation** Angelo E. Volandes 2015-01-13 In this "enlightening" (Jane Brody, *New York Times*) book, Harvard Medical School physician Angelo E. Volandes offers a solution to traumatic end-of-life care: talking,

medicine's oldest tool. There is an unspoken dark side of American medicine--keeping patients alive at any price. Two thirds of Americans die in healthcare institutions, tethered to machines and tubes at bankrupting costs, even though research shows that most prefer to die at home in comfort, surrounded by loved ones. Dr. Angelo E. Volandes believes that a life well lived deserves a good ending. Through the stories of seven patients and seven very different end-of-life experiences, he demonstrates that what people with a serious illness, who are approaching the end of their lives, need most is not new technologies but one simple thing: The Conversation. He argues for a radical re-envisioning of the patient-doctor relationship and offers ways for patients and their families to talk about this difficult issue to ensure that patients will be at the center and in charge of their medical care. It might be the most important conversation you ever have.

*A Good Girl's Guide to Murder (A Good Girl's Guide to Murder, Book 1)* Holly Jackson 2019-05-02 The New York Times No.1 bestselling YA crime thriller that everyone is talking about. Soon to be a major BBC series! THE WINNER OF THE BRITISH BOOK AWARD'S CHILDREN'S BOOK OF THE YEAR 2020 SHORTLISTED FOR THE WATERSTONES CHILDREN'S BOOK PRIZE 2020

James Ivory in Conversation Robert Emmet Long 2005-04-21 James Ivory in Conversation is an exclusive series of interviews with a director known for the international scope of his filmmaking on several continents. Three-time Academy Award nominee for best director, responsible for such film classics as *A Room with a View* and *The Remains of the Day*, Ivory speaks with remarkable candor and wit about his more than forty years as an independent filmmaker. In this deeply engaging book, he comments on the many aspects of his world-traveling career: his growing up in Oregon (he is not an Englishman, as most Europeans and many Americans think), his early involvement with documentary films that first brought attention to him, his discovery of India, his friendships with celebrated figures here and abroad, his skirmishes with the Picasso family and Thomas Jefferson scholars, his usually candid yet at times explosive relations with actors. Supported by seventy illuminating photographs selected by Ivory himself, the book offers a wealth of previously unavailable information about the director's life and the art of making movies. James Ivory on: On the Merchant Ivory Jhabvala partnership: "I've always said that Merchant Ivory is a bit like the U. S. Government; I'm the President, Ismail is the Congress, and Ruth is the Supreme Court. Though Ismail and I disagree sometimes, Ruth acts as a referee, or she and I may gang up on him, or vice versa. The main thing is, no one ever truly interferes in the area of work of the other." On Shooting Mr. and Mrs. Bridge: "Who told you we had long 18 hour days? We had a regular schedule, not at all rushed, worked regular hours and had regular two-day weekends, during which the crew shopped in the excellent malls of Kansas City, Paul Newman raced cars somewhere, unknown to us and the insurance company, and I lay on a couch reading *The Remains of the Day*." On Jessica Tandy as Miss Birdseye in *The Bostonians*: "Jessica Tandy was seventy-two or something, and she felt she had to 'play' being an old woman, to 'act' an old woman. Unfortunately, I couldn't say to her, 'You don't have to 'act' this, just 'be,' that will be sufficient.' You can't tell the former Blanche Du Bois that she's an old woman now." On Adapting E. M. Forster's novels "His was a very pleasing voice, and it was easy to follow. Why turn his books into films unless you want to do that? But I suppose my voice was there, too; it was a kind of duet, you could say, and he provided the melody." On India: "If you see my Indian movies then you get some idea of what it was that attracted me about India and Indians...any explanation would sound lamer than the thing warrants. The mood was so great and overwhelming that any explanation of it would seem physically thin....I put all my feeling about India into several Indian films, and if you know those films and like them, you see from these films what it was that attracted me to India." On whether he was influenced by Renoir in filming *A Room with a View* "I was certainly not influenced by Renoir in that film. But if you put some good looking women in long white dresses in a field dotted with red poppies, and they're holding parasols, then people will say, 'Renoir.'" On the Critics: "I came to believe that to have a powerful enemy like Pauline Kael only made me stronger. You know, like a kind of voodoo. I wonder if it worked that way in those days for any of her other victims—Woody Allen, for instance, or Stanley Kubrick." On Andy Warhol as a dinner guest: "I met him many times over the last twenty years of his life, but I can't say I knew him, which is what most people say, even those who were his intimates. Once he came to dinner with a group of his Factory friends at my apartment. I remember that he or someone else left a dirty plate, with chicken bones and knife and fork, in my bathroom wash basin. It seemed to be a symbolic gesture, to be a matter of style, and not just bad manners."
