2020-02-08

From New York Times bestselling author Monica Murphy comes an angst-filled new adult romance featuring Drew + Fable's (One Week Girlfriend) daughter, Autumn Callahan! Asher Davis. My first crush. My first kiss. The boy who ripped my heart out of my chest again and again. Over and over. I let him have it every single time. Willingly. We are that toxic high school couple you hear about, the one you witness in the hallway as they avoid each other. You laugh at them in class when they're forced to work

together, their gazes full of hatred. We are the couple you gossip about when they win homecoming prince and princess their sophomore year... The back and forth is what kills me the most. I'm not his princess, I'm the girl he toys with when he's bored. And he's definitely not my prince, no matter how badly I want him to be. Finally it's our senior year and we're months away from never having to see each other again when disaster strikes-and brings us closer together. All it takes is one touch, and I'm burning for Ash. Hotter than I ever have. But will that burn turn into a

actually make it work this

The Dare - Elle Kennedy

2020-06-16

Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games,

and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible.

Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

Slow Play - Monica Murphy

He's the player of all players... Newly broke girl Alexandria Asher just wants to live a normal life. After her parents are sent to prison on embezzlement charges, she enrolls in college under her mother's maiden name and tries her best to pretend she's someone else. Tristan Prescott is everything Alex is trying to avoid. A seemingly egotistical, lazy, rich jerk, she dumps her beer on his head when he comes on to her one night at a party. This only spurs Tristan into action. He loves nothing more than a challenge. And the beautiful Alex is exactly the type of challenge that intrigues him. Despite her reluctance,

Alex finds herself quickly involved with Tristan.

Underneath that playboy exterior is a good guy, a sweet and sexy guy who she is undoubtedly falling for. What they both don't realize is the actions of Alex's parents are the reason for so much tragedy in Tristan's family. And when Tristan discovers who Alex and her family really is, can he forgive and forget?

Garden of Goodbyes - Faith Andrews 2017-03-14

When I closed the door on my past I didn't expect it to come back and haunt me. I was appalled when she called for my help, but she swore I was the one person who could save him-the only man I've ever loved. The man she stole from me. She's to blame for the mess of a man he's become, but I'm to blame for walking away. Anything good has been long forgotten. In its place is destruction, devastation and enough regret to last a lifetime. I came in hopes of making things right. But I never expected this. A broken man, a hopeless future, the beginning

of the end. Maybe between the two of us, we can save the man who owns our hearts. Loss, betrayal, addiction. Mix them together and the concoction will ruin you.

Unteachable - Leah Raeder 2014-10-14

An edgy, sexy USA TODAY bestseller about falling for the one person you can't have. Maise O'Malley just turned eighteen, but she's felt like a grown-up her entire life. The summer before senior year, she has plans: get into a great film school, convince her mom to go into rehab, and absolutely do not, under any circumstances, screw up her own future. But life has a way of throwing her plans into free-fall. When Maise meets Evan at a carnival one night, their chemistry is immediate, intense, and short-lived. Which is exactly how she likes it: no strings. But afterward, she can't get Evan out of her head. He's taught her that a hookup can be something more. It can be an unexpected connection with someone who truly understands her. Someone who

Novels Erotica For Men Rough Sex Erotica Manwhore

sees beyond her bravado to the scared but strong girl inside.

That someone turns out to be her new film class teacher, Mr. Evan Wilke. Maise and Evan resolve to keep their hands off each other, but the attraction is too much to bear. Together, they're real and genuine; apart, they're just actors playing their parts for everyone else. And their masks are slipping.

People start to notice. Rumors fly. When the truth comes to light in a shocking way, they may learn they were just playing parts for each other, too. Smart, sexy, and provocative, *Unteachable* is about what happens when a love story goes off-script.

The Freshman - Monica Murphy 2022-08-06

I started flirting with a guy while waiting for my car to be serviced. Now granted, he wasn't just any guy. Tall. Dark. Hot. Mysterious. Can you blame me for wanting to talk to him? He's in town visiting his parents. So am I. He goes to the same college as I do. Such a coincidence. Almost as if our meeting is destined... But I

shouldn't believe in that sort of thing. I am single as a Pringle and always ready to mingle. Until I keep running into Mr. Tall, Dark and Mysterious everywhere I go. Tony Sorrento. Turns out he's on the football team. I mean, I'm not one to chase after a sexy jock but, okay. I'm down. And did I mention he's only a freshman? Our fathers are business rivals, and they forbid us from dating. We need to keep this on the low. Can we remain friendly? Sure. Maybe turn our friendship into friends with benefits? Most definitely. Here's the thing though. I didn't plan on catching feelings for him so quickly. Seems like he's falling pretty hard for me too. Defying our fathers' wishes is only asking for trouble, but is being with Tony worth the risk?

Drew + Fable Forever
(Novella) - Monica Murphy
2014-01-14

How I ended up with NFL player Drew Callahan, the guy every woman wants, is beyond my wildest dreams. All I know is that once he chose me as his one and only, I sure wasn't looking back. I had past wounds and he showed patience and concern—even taking responsibility for my messed-up kid brother. Now, once again, he's found a way to blow my mind: an exotic wedding and honeymoon miles and miles away from home. What else could a girl ever ask for? Reality. Now the honeymoon's over. high school—because God knows our sorry excuse for a mother won't. I know Drew loves me with all his heart, and I'll always be over the moon about him. This just isn't how I imagined our life as newlyweds . . . dealing with the distance, missing him all the time. But we've gone through hard times before. We can get through this, too, right? We're Drew and Fable, together forever. At least I hope so. . . . Praise for Monica Murphy's One Week Girlfriend "A sweet and sexy read with a dash of angst. One Week Girlfriend - Monica Murphy 2013-01-10

Breakout sensation Monica Murphy takes the romance genre by storm with the deeply emotional, completely addicting story of Drew and Fable. Temporary. That’s the word I’d use to describe my life right now. I’m temporarily working double shifts—at least until I can break free. I’m temporarily raising my little brother—since apparently our actual mother doesn’t give a crap about either of us. And I always end up as nothing but the temporary girlfriend—the flavor of the week for every guy who’s heard the rumor that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is

upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that’s not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is . . . me. I don’t know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him—permanently. Praise for One Week Girlfriend “A sweet and sexy read with a dash of angst. It will hook you from page one!”—Under the Covers “The author had me hooked within the opening pages. What a great debut novel by Monica Murphy! . . .
