Teach Yourself Great Sex -

Paul Jenner 2007-01-26

Add some spark to your love making If you are seeking a more exciting sex life, Teach Yourself Great Sex focuses on both the physical and spiritual sides to sexuality. It draws on the latest psychological techniques and research to help you overcome inhibitions that might prevent you from getting the most enjoyment of sex. In addition to exploring the role the mind plays in arousal, Teach Yourself Great Sex includes unique commentary on sex after 50.

Notorious Pleasures -

Elizabeth Hoyt 2011-02-03

Their lives were perfect . . . until they met each other. Lady Hero Batten is perfect, well-mannered and beautiful with an impeccable pedigree. After years of waiting for a

gentleman to sweep her off her feet, she has decided to do her duty and settle for a proper society marriage to Thomas Remmington, the Marquess of Mandeville. True, the marquise is a trifle dull and lacks a sense of humour, but he is handsome and rich. Griffin Remmington, Lord Greyson, the Marquess' younger brother, is not at all perfect. In fact, some have called him the most notorious rake in London. When Griffin meets Hero he thinks that she is much too intelligent for society, let alone his brother. Their duel of words soon sparks a fire in them both, despite the fact that Hero's marriage to Thomas is drawing ever nearer. . .

Handbook of the New Sexuality Studies -

Steven Seidman 2007-03-12

As the field of sexuality studies

has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines, the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience.

Addressing this imbalance, this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates. Breaking new ground, both substantively and stylistically, this book offers students, academics and researchers an accessible, engaging introduction and overview of this emerging field. Its central premise is to explore the social character of sexuality, the role of social differences such as race or nationality in creating sexual variation, and the ways sex is entangled in relations of power and inequality. Through this novel approach, the field of sexuality is considered, for the first time, in multicultural, global, and comparative terms

and from a truly social perspective. This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies, and interviews with twelve leading scholars in the field which convey some of the most innovative work being done. Each contribution clearly conveys the latest research with examples. Ideal for students of gender and sexuality studies, this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies.

How to Make Love All Night (and Drive a Woman Wild) - Barbara Keesling 1994

Drawn from ancient wisdom and modern research, this manual helps men, and the women who love them, get the most possible pleasure out of sex by learning how to make love longer and more intensely.

The Dare - Harley Laroux 2021-01-26

Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she

deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is

advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Free Play - Stephen Nachmanovitch 1991-05-01
Free Play is about the inner sources of spontaneous creation. It is about where art in the widest sense comes from. It is about why we create and what we learn when we do. It is about the flow of unhindered creative energy: the joy of making art in all its varied forms. Free Play is directed toward people in any field who want to contact, honor, and strengthen their own creative powers. It integrates material from a wide variety of sources among the arts, sciences, and spiritual traditions of humanity. Filled with unusual quotes, amusing and illuminating anecdotes, and original metaphors, it reveals how inspiration arises within us, how that inspiration may be blocked, derailed or

obscured by certain unavoidable facts of life, and how finally it can be liberated - how we can be liberated - to speak or sing, write or paint, dance or play, with our own authentic voice. The whole enterprise of improvisation in life and art, of recovering free play and awakening creativity, is about being true to ourselves and our visions. It brings us into direct, active contact with boundless creative energies that we may not even know we had.

Yearning - Kate Belle
2013-04-01

It's 1978 in an Australian country town and a dreamy teenaged girl's world is turned upside down by the arrival of the substitute English teacher. Solomon Andrews is beautiful, inspiring and she wants him like nothing else she's wanted in her short life. Charismatic and unconventional, Solomon easily wins the hearts and minds of his third form English class. He notices the attention of one girl, his new neighbour, who has taken to watching him from her upstairs window. He

assumes it is a harmless teenage crush, until the erotic love notes begin to arrive. Solomon knows he must resist, but her sensual words stir him. He has longings of his own, although they have nothing to do with love, or so he believes. One afternoon, as he stands reading her latest offering in his driveway, she turns up unannounced. And what happens next will torment them forever - in ways neither can imagine.

Introducing the New Sexuality Studies - Nancy L. Fischer 2016-07-11

Introducing the New Sexuality Studies is an innovative, reader-friendly anthology of original essays and interviews that introduces the field of sexuality studies to undergraduate students. Examining the social, cultural, and historical dimensions of sexualities, this anthology is designed to serve as a comprehensive textbook for sexualities and gender-related courses at the undergraduate level. The book's contributors include both well-established

scholars, including Patricia Hill Collins, Jeffrey Weeks, Deborah L. Tolman, and C.J. Pascoe, as well as emerging voices in sexuality studies. This collection will provide students of sociology, gender, and sexuality with a challenging and broad introduction to the social study of sexuality that they will find accessible and engaging.

Soulful Sex - Victoria Lee
1997-05

Sadly, after the first blush of romance and passion fades, most couples become routine and hurried in their sexual intimacy. This guide to the spiritual aspects of sexuality teaches readers how to become as conscious about their sexuality as they are about every other part of their lives. Author workshops.

Breaking new ground, both substantively and stylistically, *Introducing the New Sexuality*

Studies, Second Edition offers students and academics an engaging, thought-provoking introduction and overview of the social study of sexualities. Its central premise is to explore the social construction of sexuality, the role of social differences such as race or nationality in creating sexual variation, and the ways sex is entangled in relations of power and inequality. Through this approach the field of sexuality is considered in multicultural, global, and comparative terms, and from a truly social perspective. The second edition of this definitive textbook consists of over seventy-five short, original essays on the key topics and themes in sexuality studies. It also includes interviews with fourteen leading scholars in the field, which convey some of the most innovative work currently being undertaken. Each contribution is original, presenting the latest thinking and research in clear and accessible terms, using

engaging examples to illustrate key points. This topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies, gender studies and LGBTQ studies.
