interested in Harry, too. Charli makes the mistake of sharing him with her female friends and lovers. Harry takes Charli home with him to Dallas, where he owns three houses next to each other, all equipped with all the technology a cam girl would need. Three female students rent rooms from Harry while they are going to school, and when they see what Charli and the others do for a living and how much money they make, they become part-time cam girls under the tutelage of Charli and her best friend, Kat. Together, they start Cam Central and attract other girls to work with them. They are very successful. Here is the story of Charli, the girls, and Cam Central. It is also the story of how a Fantasy Lover is more than just a handsome, wealthy man who is a great lover. Charli realizes that and takes back control of her life without the pains of being in love with an unfaithful man.

Dealing with Dragons Patricia C. Wrede 2015-09-15 Meet the princess who rescues herself and the female dragon who would be king in this first fantasy adventure in the Enchanted Forest Chronicles. chosen career as a dragon's princess is sometimes more than she can handle. But fear not! Our intrepid heroine has just what it takes to keep her dragon, Kazul, safe and happy, while learning to fireproof herself, organize the treasure trove, and stay free from the clutches of pesky princes. This updated edition features a new introduction by the author. "The story is full of excitement, sly references to the staples of fantasy and fairy tales, and good humor. Cimorene is of a sisterhood that includes Menolly, the dragonsinger of Anne McCaffrey's *Dragonsong*; and Avi's Morwenna of *Bright Shadow*, but Wrede's delightful voice is all her own."—School Library Journal (starred review). "What a charmer! A decidedly diverting novel with plenty of action and . . . laugh-out-loud reading pleasure."—Booklist (starred review) "Smoothly written and ingenious fantasy. Both Cimorene and her dragon are firmly drawn, tough-minded females who refuse to conform to stereotypes (being female doesn't prevent a dragon from becoming king). The touch of feminist persuasion only adds to the story's charm."—Kirkus Reviews "This was a delightful read, in every sense."—SFF Book Reviews

Night Pleasures Sherrilyn Kenyon 2009-12-03 Amanda Devereaux has a crazy family. Her mother and older siblings are witches and psychics, and her twin sister is a vampire hunter. All Amanda wants is a quiet, normal life. Only when she finds herself the target of an attack meant for her twin, she wakes to find herself handcuffed to a sexy, blond stranger. He is Kyrian of Thrace. And while Amanda's first thought is that this might be another of her sister's attempts at extreme match-making, it soon becomes clear that Kyrian is not boyfriend material. For Kyrian is a Dark-Hunter: an immortal warrior who has traded his soul for one moment of vengeance upon his enemies. Kyrian spends his eternal days hunting the vampires and daimons that prey upon mankind. He is currently on the hunt for a very old and deadly daimon named Desiderius who has deemed it sport to handcuff Kyrian to a human while he hunts him. Now Kyrian and Amanda must find a way to break their bond before they give into their dangerous attraction to one another. Or Desiderius kills them both.

But Silver is now Verlis. If he was perfection before, he is now like a god. Yet he is more human than his creators think - or fear. But when she gets to court she discovers that nothing is what it seems, least of all the man she married. Fantasy Lover Sherrilyn Kenyon 2009-12-03 It might sound like a man's favorite fantasy - to live forever, destined to be the lover of thousands of women. But for Julian of Macedon, it's a nightmare. Once he was a proud Spartan general; now he's a love-slave, his essence magically held captive in a book, cursed to spend all eternity pleasing women. Then, one day, Grace Alexander summons Julian to fulfill her passionate dreams - and sees beyond the fantasy to the man himself. Long years as a sex therapist, listening to other people's bedroom problems, have taken a lot of the fun out of the physical side of love for Grace. But with or without sex, the rules of the enchantment cannot be changed - Julian is hers for the next month. And, as their time together slips by, Julian and Grace find more to share than sympathy and conversation and they begin to wonder if love might be within their grasp. That leaves only one question. Is love enough to break a 2,000-year-old curse?
