**Finding My Way Back to Love 2** - Diamond Johnson 2017-09-06

“One of the secrets, Mustafa didn’t even know about, because if he did, I’m pretty sure that I would have already been dead by now. The way skeletons like to pop out the closet around here, I’m pretty sure that that secret will resurface one day, although I was hoping that it never had to.” Kennedy spoke those words in part one of Finding my Way Back to Love, but what was she talking about? What is this secret that Kennedy’s speaking of that Paris is the only one to know about? Along with that, we left off with Mustafa leaving Logan at the altar. The drama doesn’t just end there. He will have to eventually face Logan, and they have to somehow come to some sort of agreement. Mustafa has made it clear that he wants his family back, but sometimes, it’s just not that easy. If Mustafa and Kennedy can get it right, they can actually be one of the best couples around, but the secret that she’s been holding in won’t stay buried much longer. Everyone wants nothing more but for Mustafa Strong and Kennedy Strong to become one again, but do they really have what it takes to cross that line and become a family again?

**Finding My Way Back to Love 3** - Diamond Johnson 2017-10-10

This is the final ride for Kennedy and Mustafa. Sometimes, it’s better to just walk away from certain things, than to keep stringing it along because you only continue to hurt each other. That’s what’s happening between Kennedy and Mustafa. The two of them have been through so much to the point that it’s hard for them to get it right. Although Mustafa seems to be over what took place between Kennedy and Marcus years ago, will he ever be able to fully trust Kennedy again? Not only that, but what will happen between Marcus and Mustafa? Is he really ready to risk his freedom and risk being absent in his children’s lives just so he can handle Marcus? This book is filled with so many twist and turns, but hopefully when it all comes down, Kennedy and Mustafa will be able to find their way back to love.

**Finding My Way Back To Jesus** - Christina Carney 2022-08-01

One of the greatest lessons we can ever learn in our walk with Jesus is to trust in Him, knowing that He will help us overcome any obstacle that stands before us and knowing that whatever happens in our lives, the greatest pains and tragic events we could ever experience, He will always be right there with us, walking right beside us, giving us that assurance that we are not alone. Once we realize that Jesus is with us through it all, even in the darkest of times, peace will fill our hearts and minds that was never there before. There is nothing He cannot do, and there is everything we cannot do without Him. He is our purpose, our hope, and our reason for existence. When we finally see that and believe in that, His love will surround us, live within us, and flow through us so that others will too see His light and experience His love.

She's been introverted ever since, a workaholic who refuses to risk her heart again. Tarik Logan is a former truck driver for the McNeal Corporation. He loved Zoe McNeal with all his heart and wanted a future with her. The death of his mother sent him away to handle his family affairs. He'd always thought he would return, but seeing his father's devastation made him nervous about love- and afraid of losing that love. So he dropped out of Zoe's life, hoping that closing himself off from love would prevent a devastating loss like the one his father suffered when his mother died. Three years later, he still loves Zoe just as much and realizes his mistake in letting her go. To prove himself, he has come back, bringing his small trucking company to merge with the McNeal Corporation. Zoe is wary of his motives, and still hurt by his abandonment, so she refuses to even give him a chance. But ignoring Tarik's advances, as well as her own heart, is going to be harder than she thought.
