**Summer at the Highland Coral Beach** - Kiley Dunbar 2020-03-27

'Sweet, funny, and emotional...the perfect escape.' ☐☐☐☐☐ Reader Review Escape to the Highland Coral Beach and let the sunshine warm your heart... Beatrice Halliday needs a holiday. Booking a trip to the Highlands on a whim, Beatrice hopes learning Gaelic in a beautiful Scottish coastal village will be just the change her life needs. But Port Willow Bay isn't exactly as the website promised... Instead of learning a new language, she's booked in to learn the ancient skill of willow weaving, her hotel room is Princess and the Pea themed (with a stack of mattresses for her bed!) and her tutor is Atholl Fergusson, grumpy - but utterly gorgeous - landlord of the hotel where Beatrice is staying. Worse still, she's the only one booked on the course, meaning lots of time spent up close with Atholl (and his mesmerising blue eyes). But as Beatrice finds herself falling in love with Port Willow Bay and its people, and as she discovers the kind heart beneath Atholl's stony exterior, can she really leave? Escape to the beautiful

Scottish Highlands with this utterly romantic, feelgood book; one visit to Port Willow Bay and you'll want to come back! Fans of Sarah Morgan, Carole Matthews and Holly Martin will be captivated. Readers are loving Summer at the Highland Coral Beach!: 'Kiley Dunbar is a wonderful author! She knows how to spin a tale in a way that'll break your heart but make you stay for the happily-ever-after.' ☐☐☐☐☐ Reader Review 'I absolutely adored this book. The characters were so real that it sucked you in and made you feel a part of the story. You didn't want it to end!' Reader Review 'This a great and cosy escapism romance, focusing on hope, growth and a whole lot of healing. **This Is How You Lose the Time War** - Amal El-Mohtar 2019-07-16

Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked “Burn before reading. Signed, Blue.” So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they're the best, and they're alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning's what you do in war. Isn't it? A tour de force collaboration from two powerhouse

writers that spans the whole of time and space.

After the Rain - Jo Watson 2018-06-19

From the author of the 100,000 copy-selling rom-com, Love to Hate You! No one makes you laugh like Jo Watson! 'Jo Watson's writing puts you in a better mood. Brilliant' Goodreads reviewer If you love Sophie Randal, Sophie Kinsella and Paige Toon, you'll LOVE Jo Watson! Some opposites attract; some rip each other's clothes off. Stormy-Rain and Marcus could not be more different: she's a free-spirited, rainbow-haired hippie; he wears a suit and over-shines his already too-shiny shoes. She believes in auras; he's governed by logic and doesn't believe in Fate. But Fate believes in them... So what happens when their worlds collide - and they are forced to embark on an epic road trip to catch a plane to a wedding on the other side of the world? The clock is ticking...and they're seriously ticking each other off. But Stormy and Marcus are about to discover just how thin the line between love and hate really is. Don't miss Jo's laugh-out-loud rom-coms, Love You, Love You Not, Love to Hate You, Burning Moon, Almost A Bride, Finding You, After the Rain and The Great Ex-scape. Love funny, romantic stories? You don't want to miss Jo Watson: 'The perfect choice for fans of romantic comedies' Gina's Bookshelf 'It was amazing, it was

hilarious' Rachel's Random Reads 'A brilliant read from beginning to end' Hopeless Romantics **Toast** - David Brown 2009-12-21

*A Man Called Ove* - Fredrik Backman 2014-07-15

Now a major motion picture *A Man Called Otto* starring Tom Hanks! #1 New York Times bestseller—more than 3 million copies sold!

Meet Ove. He's a curmudgeon—the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. He has staunch principles, strict routines, and a short fuse. People call him “the bitter neighbor from hell.” But must Ove be bitter just because he doesn't walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove's mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents' association to their very foundations. Fredrik Backman's beloved first novel about the angry old man next door is a thoughtful exploration of the profound impact one life has on countless others. “If there was an award for ‘Most Charming Book of the Year,’ this first novel by a Swedish blogger-turned-overnight-sensation would win hands down” (Booklist, starred review).

... She's used to faking it. Now it's time to get real. It all started with a faulty elevator... A town with no internet is the ideal sanctuary, but Frankie has never done anything without sharing it on one of many apps she can't live without. After all, surely it's much more satisfying to take the perfect photograph of her breakfast than eat it? When Fate, in the form of a new four-legged companion, plays a hand in keeping her in the town, Frankie starts to make tentative but genuine connections with the people she meets. Suddenly every rule she's been living by seems far less meaningful and she begins to wonder if her apparently #blessed life

wasn't as real as she thought...
