**Frida Kahlo** - Gerry Souter 2005

"Behind Frida Kahlo's portraits, lies the story of her life - a body of work drawn from cries of anger and fury, blended into a potent, and artistically exceptional, combination. At six years of age, she suffered a bout of polio and she was just eighteen when a terrible bus accident changed her life forever, leaving her handicapped and burdened with constant physical pain. But her explosive character, raw determination and hard work helped to shape her artistic talent. Frida Kahlo managed to forge a place for herself in the macho society of Mexico despite the double handicap of her crushed body and her sex. Although an obsessive womanizer, the great painter Diego Rivera was constantly by her side. She won him over with her charm, talent and intelligence, and Kahlo learnt to lean on the success of her companion in order to explore the world, thus creating her own legacy whilst finding herself surrounded by a close-knit group of friends, one of the most charismatic of whom was the great Russian Revolutionary leader, Leon Trotsky. Her personal life was turbulent, as she frequently put her relationship with Diego to one side whilst she cultivated her own bisexual relationships. Despite this, Frida and Diego always managed to maintain their battered relationship. Frida Kahlo's work plays an important part in the artistic heritage of Mexico, her native country, with both its novelty and its multi-cultural values. The story and the paintings that Frida created reveal a rare and courageous account of a woman on a voyage of constant self discovery."--Publisher's website.

You are Always With Me - Frida Kahlo  
2019-04-30

Frida Kahlo is regarded as one of Mexico's greatest painters: her extraordinary personal style, her tragic story, her relationship with Diego Rivera (the more famous painter in their day) alongside her passionate paintings have made her a cult figure since she died over sixty years ago. But beyond the familiar images there is a private story about a daughter who confided in her beloved mama, Matilde Calderon Kahlo. Until now Frida's handwritten letters have only been available to scholars - and recently in Spanish in a book that appeared in 2016. Now for the first time we have over fifty of these

letters in English. And what a treasure. Funny, observant and honest, they chart Kahlo's relationship with her mother; a relationship that was sometimes fraught - as with most mother and daughters - but was always alive and honest. They begin in 1923 when Kahlo was sixteen and continue until the death of her mother in 1932. These letters tell us about Kahlo's anxieties, her feelings about her husband and friends and above all reveal the marvelous, critical painter's eye in her description of people and places from Mexico, San Francisco and New York. Edited, translated and introduced by Dr. Héctor Jaimes, Professor of Spanish, North Carolina State University (who edited the Spanish version) this book is published with paintings and photographs.

The Diary of Frida Kahlo - Carlos Fuentes  
2005-08-09

The intimate life of artist Frida Kahlo is wonderfully revealed in the illustrated journal she kept during her last 10 years. This passionate and at times surprising record contains the artist's thoughts, poems, and dreams; many reflecting her stormy relationship with her husband, artist Diego Rivera, along with 70 mesmerising watercolour illustrations. The text entries in brightly coloured inks make the journal as captivating to look at as it is to read. Her writing reveals the artist's political sensibilities, recollections of her childhood, and her enormous courage in the face of more than thirty-five operations to correct injuries she had sustained in an accident at the age of eighteen.

**Who Was Frida Kahlo?** - Sarah Fabiny  
2013-12-26

You can always recognize a painting by Kahlo because she is in nearly all--with her black braided hair and colorful Mexican outfits. A brave woman who was an invalid most of her life, she transformed herself into a living work of art. As famous for her self-portraits and haunting imagery as she was for her marriage to another famous artist, Diego Rivera, this strong and courageous painter was inspired by the ancient culture and history of her beloved homeland, Mexico. Her paintings continue to inform and inspire popular culture around the world.

*The Art of Frida Kahlo* - Frida Kahlo 1990

**The Heart: Frida Kahlo in Paris** - Marc Petitjean 2020-04-28

This intimate account offers a new, unexpected understanding of the artist's work and of the vibrant 1930s surrealist scene. In 1938, just as she was leaving Mexico for her first solo exhibition in New York, Frida Kahlo was devastated to learn from her husband, Diego Rivera, that he intended to divorce her. This latest blow followed a long series of betrayals, most painful of all his affair with her beloved younger sister, Cristina, in 1934. In early 1939, anxious and adrift, Kahlo traveled from the United States to France—her only trip to Europe, and the beginning of a unique period of her life when she was enjoying success on her own. Now, for the first time, this previously overlooked part of her story is brought to light in exquisite detail. Marc Petitjean takes the reader to Paris, where Kahlo spends her days alongside luminaries such as Pablo Picasso, André Breton, Dora Maar, and Marcel Duchamp. Using Kahlo's whirlwind romance with the author's father, Michel Petitjean, as a jumping-off point, *The Heart: Frida Kahlo in Paris* provides a striking portrait of the artist and an inside look at the history of one of her most powerful, enigmatic paintings.

*Viva Frida* - Yuyi Morales 2014-09-02

A 2015 Caldecott Honor Book A 2015 Pura Belpré (Illustrator) Award Frida Kahlo, one of the world's most famous and unusual artists is revered around the world. Her life was filled with laughter, love, and tragedy, all of which influenced what she painted on her canvases. Distinguished author/illustrator Yuyi Morales illuminates Frida's life and work in this elegant and fascinating book. A Neal Porter Book

*Frida* - Hayden Herrera 2018-06-28

The beautifully illustrated and utterly absorbing biography of one of the twentieth century's most transfixing artists Frida is the story of one of the twentieth century 's most extraordinary women, the painter Frida Kahlo. Born near Mexico City, she grew up during the turbulent days of the Mexican Revolution and, at eighteen, was the victim of an accident that left her crippled and unable to bear children. To salvage what she could from her unhappy situation, Kahlo had to learn to keep still so she began to paint. Kahlo 's unique talent was to make her one of the century

's most enduring artists. But her remarkable paintings were only one element of a rich and dramatic life. Frida is also the story of her tempestuous marriage to the muralist Diego Rivera, her love affairs with numerous, diverse men such as Isamu Noguchi and Leon Trotsky, her involvement with the Communist Party, her absorption in Mexican folklore and culture, and of the inspiration behind her unforgettable art.

**Frida in America** - Celia Stahr 2020-03-03

The riveting story of how three years spent in the United States transformed Frida Kahlo into the artist we know today "[An] insightful debut....Featuring meticulous research and elegant turns of phrase, Stahr's engrossing account provides scholarly though accessible analysis for both feminists and art lovers." —Publisher's Weekly Mexican artist Frida Kahlo adored adventure. In November, 1930, she was thrilled to realize her dream of traveling to the United States to live in San Francisco, Detroit, and New York. Still, leaving her family and her country for the first time was monumental. Only twenty-three and newly married to the already world-famous forty-three-year-old Diego Rivera, she was at a crossroads in her life and this new place, one filled with magnificent beauty, horrific poverty, racial tension, anti-Semitism, ethnic diversity, bland Midwestern food, and a thriving music scene, pushed Frida in unexpected directions. Shifts in her style of painting began to appear, cracks in her marriage widened, and tragedy struck, twice while she was living in Detroit. *Frida in America* is the first in-depth biography of these formative years spent in Gringolandia, a place Frida couldn't always understand. But it's precisely her feelings of being a stranger in a strange land that fueled her creative passions and an even stronger sense of Mexican identity. With vivid detail, *Frida in America* recreates the pivotal journey that made Senora Rivera the world famous Frida Kahlo.

*You are Always With Me* - Frida Kahlo 2018-09-06

Frida Kahlo is regarded as one of Mexico's greatest painters: her extraordinary personal style, her tragic story, her relationship with Diego Rivera (the more famous painter in their day) alongside her passionate paintings have made her a cult figure since she died over sixty

years ago. But beyond the familiar images there is a private story about a daughter who confided in her beloved mama, Matilde Calderon Kahlo. #### **Team Up: Frida Kahlo & Diego Rivera -**

Francesca Ferretti de Blonay 2023-10-26  
Mexico, the 1920s. The revolution is over and the country is rebuilding itself bit by bit, with two painters helping this revival through art. Diego Rivera, an established artist known for his murals, meets Frida Kahlo, a rising star in the art world and it is love at first sight. Their relationship is one of the greatest but most turbulent love affairs in art history. They painted each other, worked together and inspired each other for 25 years, and are probably the most legendary artistic couple of all time. A brand new series, Creative Partners/Team Up, celebrating the most iconic and important collaborations in history. From painters to singers, musicians, activists, athletes and trend setters, these books will show you how magic can happen when two talents meet, with accessible, easy-to-read text telling the stories of these partnerships and the brilliant creations they produced. This series pays tribute to sharing your talent with others, to achieving excellent together, and working as a team to create something special: behind every shining star, hides another one with potential to shine even brighter.

*In The Blue House* - Meaghan Delahunt 2021  
A multi-award-winning, richly imagined novel of politics and passion inspired by Trotsky's exile in Mexico, where he fatefully encountered artists Diego Rivera and Frida Kahlo. 'Brilliantly reconstructs the atmosphere of Trotsky's house, his circle of friends and, in particular, the place of artists Frida Kahlo and Diego Rivera in his entourage ... compelling' - Sunday Business Post 'The central imagined relationship, between Trotsky and Kahlo is conveyed with power and intimacy ... but *In the Blue House* is more than an imaginary love affair, it also records the relationship between a young Australian political activist and her Party figurehead, more than fifty years after his death' - The Scotsman 'Moves gracefully through the private histories of love, despair and deception ... brimming with energy and conviction' - Literary Review  
First published in 2001, *In the Blue House* won the Saltire Award for Best First Book in the Scottish Book of the Year Awards, the Commonwealth Writers' Prize in the South-East Asia and South Pacific section for a first work of fiction, and was shortlisted for the Christina Stead Prize for Fiction. It's been translated into Spanish, Italian, Greek, Turkish and Russian. Meaghan Delahunt is a multi-award-winning author and creative writing teacher. Her books include the award-winning *In the Blue House* (2001), *The Red Book* (2008) and *To the Island* (2011). Her most recent novel is *The Night-Side of the Country* (2020). For more information visit [meaghandelahunt.com](http://meaghandelahunt.com).

*Frida Kahlo and Diego Rivera* - Isabel Alcántara 1999

"Diego Rivera once characterized Frida Kahlo as the first woman in the history of art who--with a directness and brutal clarity--focused on subjects exclusively to do with women. Late twentieth-century perceptions of Mexican art are now dominated by Kahlo, whose work has gained enormous popularity. Her stormy relationship with the painter Diego Rivera is mirrored in many of her stunning paintings, which also combine motifs of folk art with deeply personal self-portraits. Book jacket."--BOOK JACKET.

*My Art, My Life* - Diego Rivera 2012-04-26

A richly revealing document offering many telling insights into the mind and heart of a giant of 20th-century art. "Engrossing as a novel." —

Chicago Sunday Tribune. 21 halftones.

**The Dynamics of an Artistic Relationship  
Diego Rivera and Frida Kahlo** - Susan Kay  
Gregg 1984

*Team Up: Frida Kahlo & Diego Rivera* -  
Francesca Ferretti de Blonay 2023-04-11

This series looks at the magic that can happen when two talents meet and work together. Frida and Diego's relationship is one of the greatest but most turbulent love affairs in art history. They painted each other, worked together and inspired each other for 25 years, and are probably the most legendary artistic couple of all time.

*Frida Kahlo* - Gerry Souter 2015-09-15

Behind Frida Kahlo's portraits, lies the story of both her life and work. It is precisely this combination that draws the reader in. Frida's work is a record of her life, and rarely can we learn so much about an artist from what she records inside the picture frame. Frida Kahlo truly is Mexico's gift to the history of art. She was just eighteen years old when a terrible bus accident changed her life forever, leaving her handicapped and burdened with constant physical pain. But her explosive character, raw determination and hard work helped to shape her artistic talent. And although he was an obsessive womanizer, the great painter Diego Rivera was by her side. She won him over with her charm, talent and intelligence, and Kahlo learnt to lean on the success of her companion in order to explore the world, thus creating her own legacy whilst finding herself surrounded by a close-knit group of friends. Her personal life was turbulent, as she frequently left her relationship with Diego to one side whilst she cultivated her own bisexual relationships. Despite this, Frida and Diego managed to save their frayed relationship. The story and the paintings that Frida left us display a courageous account of a woman constantly on a search of self discovery.

**Frida Kahlo** - Gerry Souter 2016-10-24

Behind Frida Kahlo's portraits, lies the story of both her life and work. It is precisely this combination that draws the reader in. Frida's work is a record of her life, and rarely can we

learn so much about an artist from what she records inside the picture frame. Frida Kahlo truly is Mexico's gift to the history of art. She was just eighteen years old when a terrible bus accident changed her life forever, leaving her handicapped and burdened with constant physical pain. But her explosive character, raw determination and hard work helped to shape her artistic talent. And although he was an obsessive womanizer, the great painter Diego Rivera was by her side. She won him over with her charm, talent and intelligence, and Kahlo learnt to lean on the success of her companion in order to explore the world, thus creating her own legacy whilst finding herself surrounded by a close-knit group of friends. **My Faraway One** - Sarah Greenough  
2011-06-21

Collects the private correspondence between Georgia O'Keeffe and Alfred Stieglitz, revealing the ups and downs of their marriage, their thoughts on their work, and their friendships with other artists.

**Frida Kahlo and Diego Rivera** - Isabel  
Alcántara 2011

Now available again, this bestselling book reveals the story of two creative geniuses, their important contributions to twentieth-century art, and their tumultuous romance. This captivating book delves into the forces that shaped Frida Kahlo and Diego Rivera's lives and art, and made them important painters in their own right. Elegant reproductions of their best-known works and historical photographs illustrate the thoughtful text, which explores the political, social, and cultural upheaval that was at the center of their relationship. What emerges is a portrait of the artists, the tension between their love for each other and their commitment to their work, and the indelible legacy of paintings, murals, and words they left behind.
