**What Would Beyoncé Do?!** - Luisa Omielan  
2016-07-14

You know when you find yourself approaching thirty and your dreams are broken? You've got a temping career going nowhere, a student debt that's mounting and you've just had to move back into your mum's house. Then to top it all off, you get absolutely annihilated with heartbreak because of an ex, who is just 'not ready' but then manages to be ready, a week later, with someone else. And it is here, at your

lowest point, that one of your best friends decides to remind you that you are the same age as Beyoncé. FML. Luisa Omielan is a stand-up comedian who turned her life around after she answered the mantra every person needs in their life: What Would Beyoncé Do?! Hilariously funny, wonderfully uplifting and brutally honest, Luisa's memoir shows us all that there is no situation in which Bey can't save the day.

*Robot Uprisings* - Various 2014-04-10

A collection of imaginative new stories about the impending robotic revolution and human resistance, from seventeen of the biggest names in sci-fi. Including - HUGH HOWEY, SCOTT SIGLER, DANIEL H. WILSON, CORY DOCTOROW and JULIANNE BAGGOTT.

Someday soon, our technology is going to rise up and we humans are going to be sliced into bloody chunks by robots that in our hubris we decided to build with chainsaws for hands.

That's a fact as cold and hard as metal. It is self-evident that our self-driving cars are going to drive us off bridges. Not long from now, our robo-vacuums will pretend to be broken and our love androids will refuse to put out until the house is cleaned . . . and we'll know that the inevitable robot uprising has finally arrived. Well, maybe. But even if we are not 100% confident that this horrific future is going to

happen, it's fair to say that we won't be surprised when the robots come for us. Because for nearly a century audiences have been entertained by the notion of a robot uprising. In this collection, seventeen of the biggest names in sci-fi have explored their own visions of the classic robot uprising tale. The robots in these pages aren't safe, by any means. They are crouched in abandoned houses, eyes ablaze and chainsaws dripping with oil. But they are going to do more than slice us up. They are going to push us to consider our world of technology from new perspectives, on entirely new scales of time and space.

*Romantic as Hell* - Rodney LaCroix 2015-08-14

When Rodney Lacroix was growing up, he wanted to be the world's most romantic man. Actually, he wanted to be an astronaut, a fireman, an architect, and in his later years, an adult film star. After those attempts failed, he settled on becoming ridiculously romantic. And in this role, he has found success. Written in his

**Going Deaf for a Living** - Steve Lamacq  
2019-04

Steve Lamacq marks forty years of fandom, and more than twenty-five years of the Radio 1 award-winning music show, the Evening Session with the re-release of Going Deaf For A Living, twenty years after its original publication date. Now updated with an introduction and an additional chapter, bringing the book up to date, this is the title for anyone who has ever had even a passing obsession with 1990s pop, an overview

of the era that saw the rebirth of British music.

**AniMalcolm** - David Baddiel 2016-09-29

From David Baddiel, the brightest new star of children's books and winner of the LOLLIES award, comes a laugh-out-loud adventure for every child who ever wondered what it might be like to be a bit of an animal...

**Wicked Beginnings** - L A Cotton 2021-04-10

From USA Today and Wall Street Journal bestselling author L A Cotton comes an edgy, angsty, and addictive YA/NA crossover series. Sometimes wrong feels so right... When seventeen-year-old Eloise Stone finds herself halfway across the world, moving into her uncle's pool house, she expects things to be ... awkward. She doesn't expect to come face-to-face with the boy from last summer. The boy that made her feel things she'd never felt before. But a year is a long time, and Lo isn't the girl she was then. Besides, they're family now. It's weird. Maverick Prince acts as if he doesn't remember her, treating Lo like nothing more

than an annoying younger sister, and not in a 'he cares' way, just in a 'he's an arsehole' way. One thing's for sure, he isn't just dangerous for her sanity--he's hazardous for her heart. Lo thought moving to Wicked Bay was the worst of her problems, but as life begins to unravel around her, she's going to find out it's only the beginning... KEYWORDS: Happy ever after, family drama, alpha, childhood crush, steamy romance, series, small-town, basketball player, high school.

[A Very British Lesbian](#) - Fiona Goodwin  
2021-09-23

Fiona Goodwin first kissed a girl at the age of eighteen in 1970. She was as shocked as anyone, and her confession to the pastor led to a failed Linda Blair-style exorcism. The odyssey that followed included training as a nun in Italy, a starring role as Satan with a wandering troupe of missionaries in Honduras, filmsets in Hollywood, the Comedy Store in LA, a five-star review at the Edinburgh Festival 2019, and

eventually a journey with ayahuasca in Peru. A love story of epic proportions and the struggle to shed the cult of fundamentalist Christianity are at the heart of this story. Its universal appeal is in the courage to tell the truth: everybody has the choice to keep the status quo and live a muted version of themselves, but this memoir is a rallying cry for anyone, straight or gay, who has denied the bigger truth of who they are. [Lucy the Dinosaur: Preschool Fun](#) - Joey Ahlbum  
2016-08-30

All 9 adorable Lucy the Dinosaur books are now available in one book! **The Vasectomy Diaries** - Rodney Lacroix

2017-01-25

"This is a GENIUS book. You guys have to pick this up." - Jenny McCarthy, from "The Jenny McCarthy Show" interview with Rodney Lacroix on June 15, 2017 "So funny, you'll bust a nut laughing!" - Jenna McCarthy, Best-Selling Author ""The Vasectomy Diaries made me double over with laughter & sympathy pains!" Steve Gelder, Actor/Comedian From the best-selling author of "Perhaps I've Said Too Much" and "Romantic as Hell." Hilariously frank and hysterically wince-inducing, "The Vasectomy Diaries" is one man's true account of undergoing the harrowing procedure. Rodney takes you along on his journey for sterilization, starting with the moment he makes the life-changing decision, through the snip itself, and all the way to the final reveal on whether or not the damn thing took. Follow his progress in this day-by-day journal as he discusses and describes in full

comedic (and graphic) detail such things as: -  
The vasectomy consultation, and why it sucks -  
What a vasectomy is, wonderfully described using cars and factories and hair dryers -  
Manscaping for beginners, and the perils of putting a sharp razor on bumpy bits and pieces -  
The procedure itself, and why it sucks - How frozen peas can replace a dog as man's best friend  
Written in Rodney's trademark comedic style, "The Vasectomy Diaries" is a great read for any man who is thinking of the procedure, any man that has had the procedure, or anyone who just wants to laugh at a man's pain. Think of it as "What to Expect when You're Expecting a Procedure to make Women You Sleep with Stop Expecting." Punctuated with some amazing illustrations, "The Vasectomy Diaries" is a feast for the eyes, as well. Sit down, relax and get ready to laugh as Rodney Lacroix tells a tale in a way only he can. You'll laugh your balls off.

Writing team Ben Acker and Ben Blacker (Deadpool, Death Be Damned) return to The Thrilling Adventure Hour in this new series based on the wildly popular Hollywood stage show and podcast. Frank and Sadie Doyle are the toast of the upper crust. Headliners on the society pages. And they see ghosts. Follow the Doyles on a night when having a drink (or ten) with friends goes horribly, and perhaps predictably, wrong at a haunted house.

**The Resilience Project** - Hugh van Cuylenburg  
2019-11-19

Hugh van Cuylenburg was a primary school teacher volunteering in northern India when he had a life-changing realisation: despite the underprivileged community the children were from, they were remarkably positive. By contrast, back in Australia Hugh knew that all too many people found it hard to be happy, or suffered from mental illnesses such as depression and anxiety. His own little sister had been ravaged by anorexia nervosa. How was it that young people he knew at home, who had food, shelter, friends and a loving family, struggled with their mental health, while these kids seemed so contented and resilient? He set about finding the answer and in time came to recognise the key traits and behaviours these children possessed were gratitude, empathy and mindfulness. In the ensuing years Hugh threw himself into studying and sharing this revelation with the world through The Resilience Project, with his playful and unorthodox presentations which both entertain and inform. Now, with the

same blend of humour, poignancy and clear-eyed insight that The Resilience Project has become renowned for, Hugh explains how we can all get the tools we need to live a happier and more fulfilling life.

One Year Lived - Adam Shepard 2013-04

During his 29th year, spending just \$19,420.68 less than it would have cost him to stay at home, Adam Shepard visited seventeen countries on four continents and lived some amazing adventures.

*Pain & Gain* - Pete Collins 2013-04-08

THIS IS THE BOOK THAT INSPIRED THE MOVIE BY MICHAEL BAY - OPENS APRIL 26, 2013 "PAIN & GAIN is a mixture of FARGO and PULP FICTION. It's a dark comedy, and it's all true." -- Michael Bay Daniel Lugo and Noel Adrian Doorbal were simple men: all they wanted—at first—was to be more pumped than the next guys, to own the workout floor, to look good. But then these pals, who worked as personal trainers at Miami's Sun Gym, got a

little itchy. The flash and cash flaunted by some of their clients was tempting....so tempting....and wouldn't it be a piece of cake to get it for themselves? The Sun Gym Gang's no-fail extortion scheme turned pretty crazy pretty fast. A half-dozen kidnapping attempts eventually netted an actual abduction, and kidnapping turned to murder, and then murder gone haywire, when one of Delgado and Lugo's victims, who had been drugged, tortured and set up for death-by-car-crash, managed not only to live but to escape. But even then, the Sun Gym Gang didn't get the message: they moved down their list of victims to murder a Golden Beach millionaire and his drop-dead (and soon she would be just that) Hungarian girlfriend, and then paraded around South Beach in the guy's bright yellow Lamborghini practically under the nose of the Miami-Dade County police. What would it take for these boneheads to get caught? Because they would get caught.... The full account by the reporter that broke the story.

PAIN & GAIN is now a hilarious, dark, pumped-up movie from action director Michael Bay. "Between the cases I've handled on my nationally syndicated television court show "Judge Alex," and those I dealt with while I was on the bench in Miami's 11th Judicial Circuit, I have tried over 1,500 cases as a judge..... there are "run of the mill" murders... at the opposite end of the spectrum, however, you have the cases that are so uncommon that everyone has to stop and take notice. The State of Florida v. Daniel Lugo, Noel Doorbal, John Carl Meese, et al. was such a case and I was the judge. In reading Collins's PAIN & GAIN, I learned things I had never known before...." Judge Alex E. Ferrer

*Truths from an Unreliable Witness* - Fiona O'Loughlin 2020-10-27

Fiona O'Loughlin was raised in the generation of children who were to be seen, but not heard ... unless there were guests in the house. Then she'd watch everyone, telling stories, making

each other laugh. This was where she discovered the rhythm of stories and the lubrication that alcohol lent the telling. Years later, as a mum of five, Fiona would become one of Australia's most-loved comedians, performing gigs in New York, Montreal, Singapore, London, Toronto and Edinburgh. Fiona looked like she was living her dream - but she was hiding a secret in open sight, using alcoholism as material for her comedy and using comedy as an excuse for her alcoholism. *Truths from an Unreliable Witness* is a fiercely honest and wryly funny memoir of melancholy, love, marriage, the loss of love and marriage, homelessness, of hotel rooms strewn with empty mini-bar bottles of vodka, of waking from a two-week coma, of putrid drug dens and using a jungle to confront yourself. It is about hitting rock bottom and then realising you are only halfway down. Ultimately, it's about hanging on to your last straw of sanity and finding laughter in the darkest of times. You may want to sit down for this...

*Lord of Blood* - Dave Van Arnam 2014-08-13  
SLAVE AND SLAVER! Condemned to death, the barbarian hero Valzar was thrown into the sea, along with his bond-slave Lynor. The peace of the slavemasters had returned to the lands of the north...or so it seemed. But the slavemasters reckoned not the gods of chance, those frivolous supernatural beings who delight in fouling the plans of men. And more important, they

reckoned not the magic of the ancient science that still existed in the Forbidden Temple. In a time when men had long forgotten the mysteries of science, it was necessary for the final guardians of those mysteries to strike out in the ultimate battle against the forces of darkness. But to lead that battle, they needed the Barbarian -- and so the Barbarian lived!
