For one thing, Paul is a gay virgin who has never had anal sex with anyone. He's not only terrified of anal sex he doesn't even know how to be a gay bottom. **Gay Men and Anal Eroticism** - Steven G. Underwood 2012-11-12

Gay men reveal their preference—and the reasons behind it! *Gay Men and Anal Eroticism: Tops, Bottoms, and Versatiles* is a no-holds-barred examination of one of society's most persistent taboos. In a remarkably candid collection of frank and forthright interviews, 21 gay men talk about the role anal sex plays in their lives and relationships and their choices to act as insertive ("top") or receptive ("bottom") partners—or both ("versatile"). Ranging in age from 21 to 65, the men discuss the reasons behind (and consequences of) their choices; how they define their sexual roles (and how those roles are defined by gay society); issues of power, trust, and vulnerability; and the concept (in both straight and gay society) that tops and

bottoms are socially and morally unequal. These unique interviews, conducted by the author in the Boston and Provincetown areas, celebrate choice in gay men's sexuality while debating whether preference is genetically based or socially formed—a debate largely ignored in social science studies. The men interviewed—including gay porn icon Cole Tucker—discuss perceptions muddled by stereotypes, preconceived notions, and exaggerated scenarios, and the meanings gay men assign to anal sex, including dominance and submission roles related to masculine/feminine, aggressive/passive implications. The interviews also cover each subject's personal history as a gay man, safe sex in the AIDS era, childhood traumas, first-time sexual encounters, loves, desires, and obsessions. The interviews for *Gay Men and Anal Eroticism* provide insights that are equal parts thoughtful and outrageous, humorous and heartbreaking: Aaron, age 24: "I sort of fell into this image of myself as being a very aggressive bottom, a guy who knew what he wanted and who didn't want any wimps applying." Danny, 21: "There's a mindset about being a top ... it's kinda like maintaining the ship." Sam, 36: "I hate to say it, but I'm a bottom ... I don't like to be identified like that because I feel it turns me into something all the way from my feet up to my head." Eddie, 42: "I guess I enjoy more being a top than a bottom because I haven't found a good top." and Cole Tucker: "A physical act doesn't really make you a top or a bottom. It's a function, an organic function of what you do. It's the dynamics of where you come from." The revealing disclosures of *Gay Men and Anal Eroticism* show equality in man-to-man sex to be as varied as the number of individuals who pursue it. Addressing traditional misunderstandings and misconceptions of gay men as either "limp-wrested fairies" or masculine "trade," the book uncovers that there is much more to this complex issue than personal preference.

bonus stories "Division Rivals" and "Tailgating Trio" Bottom of the Ninth Sam, a confident and fiercely sexual gay man works his way into straight and hunky right-fielder Eric Sanderson's bedroom. Soon they develop a tradition—a wild sex romp during the bottom of the ninth—but the tradition can last so long and they are running out of daring places to play. Sam is more than willing to raise the stakes to keep the tradition alive and their romps more dangerous. Bottom of the Ninth Dustin admires the male form like no other, so he chronicles male beauty on his blog. By day, he is the lead journalist for the Rochester Renegades football team.

Quarterback Trent 'Tiger' Thompson is the finest specimen he's ever seen, but he's barely seen what he has to offer, even in the locker room. When Dustin chronicles Trent, with a sexy shower picture, he is confronted with the choice to lose his job or live out his dreams. Wrestling with Desire Dave has a third degree case of the hots for hunky Irish pro wrestler Darcy Ryan. When he attends a live match to see his best friend square off against Darcy, an accident foils what could have been a classic match. Dave must know whether it was an accident or if Darcy did it on purpose. In either case, Dave is determined to advance upon the man of his lusty dreams and to have his way. Banging my Bowling Buddy Rich knows all about sexual tension. People don't even have to like each other to experience copious amounts of it. But, when it strikes, he believes they must act on it and that they are a sexual ticking time bomb. Such tension is brewing between him and his bowling buddy Stephen. He accepts an invitation to a private, late-night bowling session to prove his theory.

**The Boy Is a Bottom** - Barry Lowe 2013

Some guys will go all the way to get to the top. In some cultures it's still seen as 'unmanly' to take a cock up your ass, although it's hard to associate the image of someone supposedly 'less than a man' with some of the muscle studs who grunt like a pig to get fucked. Let's face it, oft times it's the bottom who's the power behind the fuck, using his sphincter in such a way that a whole universe of pleasure resides in one tight black hole. In these eleven stories you'll meet power bottoms from Victorian England and the Renaissance, vampires, marines, men at the top of the world, an elf who discovers humans make the best tops, a group who take out their frustration on a mate's boyfriend's ass, a straight boy who'll do anything to get ahead, a net date who's horny for Satan's dick, and a student aching for hard Arab cock. The Boy Is A Bottom includes, Marine Biology, Marine Animals, Attack of the Ass Bandits, The Arab Downstairs, The Extraordinary Victorian Clockwork Derriere, Creaming the Party Dip, Top of the World, Route 666: Signal Driver, The Butler Did Him, Fifty Shades of Fey, and Spinning the Bottom, all previously published as individual eBooks by loveyoudivine Alterotica. Excerpt from Marine Biology: The sight that greeted me as I opened my bedroom door was the hairy butt crack and dangling scrotum of my beefy big bro, Karl. There wasn't time for it to register as erotic as I watched him slide the entire length of his substantial cock into his girlfriend du jour before he screamed, "Get the fuck outa here!" That he'd glanced over his shoulder to see who the intruder was meant that he didn't mind sharing. Just not with his kid pro bro. If I hadn't forgotten my key, of course, none of it would have happened. But I was in such a hurry to surprise my parents for their thirtieth wedding anniversary, I pretty well floored the Toyota Camry for two hundred miles from my uni

campus in the capitol to Redneck Central, as I not-so-fondly called my home town. It didn't feel much like a home town any longer. I was particularly out of favor with the populace, as I'd become an outspoken opponent of the country's military policy. Perhaps not a good idea in a town that supplied a rather large contingent to the Marine Corps. They were heroes. I was a traitor. They'd seen action in a war zone. I'd been on the receiving end of a police baton charge at an anti-war demo. I had a cabinet full of swimming medals. Karl had a chestful of bravery awards. It was a no brainer. My brother and his marine buddies are all big gorillas of men. Karl is 6'4" of almost solid muscle and, I'm pleased to say, an increasing amount of fat, and weighs in at 240lbs. Cropped dark hair and an attitude so belligerent that it would feed the messianic zealotry of any medium level dictator. Naturally, he attracts chicks like horse manure attracts flies. Me, I take after mom. She's petite, dwarfed by my dad, with blonde hair and the friendliest disposition you'd ever care to meet. I take after her-except for the disposition. Like my brother, I get that from my dad. And, of course, like my dad, I have a dick. Besides that, I have blond hair, a slim pro swimmer's body that weighs in at 120lbs, and a face that's much too pretty for its own good. Got me beat up a few times. And it's a constant source of friction between me and my bro and his buddies who call me 'Pretty Boy' to my face, as well as behind my back. It's not meant as a compliment. Our parents discourage mutual homecomings, and we're both happy to oblige. This, however, was one occasion where there was a scheduling error. Now the 'wrong' son was crashing the party. I could have turned around and driven away to a hotel or back to the college, but I was simply too stinking tired. And too stinking poor. I banged loudly on the door and there was a whoop from inside. "The chicks are here at last!" The door was yanked open. The smile of expectation became a snarl of recognition...
