

Get Her Act Together

Get Your Act Together - Lindy Jones 1986

Life Lessons - Michael Garland
2023-03-16

Throughout the course of a life, we're surrounded by decisions of every kind. There is no instruction manual for life, but there is this book, *Life Lessons: Getting Your Act Together*, to help get you through some of those confusing or, even impossible, choices we're faced with in life.

Getting Your Act Together - How to Put the Show Into Business - Barbara Turino
2011-12

Getting Your Act Together presents common-sense, professionally and personally tested theatrical techniques designed to revitalize employees and generate award-winning performances that directly impact and increase customer loyalty,

employee satisfaction and most importantly, sales and profits. The chapters illustrate how to use theatrical techniques and tools to put the "show" into business, and they examine many of the skills needed to be successful in business and life. Get Your Act Together - J. Robert Evans 1979

I'm Getting My Act Together and Taking it on the Road - Nancy Ford 1980

A nightclub singer who changes her act to reflect her changing personal life meets with opposition with her manager.

Getting Our Act Together - Anne Schwenkenbecher
2020-12-30

Together we can often achieve things that are impossible to do on our own. We can prevent something bad from happening, or we can produce something good, even if none

of us could do it by ourselves. But when are we morally required to do something of moral importance together with others? This book develops an original theory of collective moral obligations. These are obligations that individual moral agents hold jointly but not as unified collective agents. The theory does not stipulate a new type of moral obligation but rather suggests that to think of some of our obligations as joint or collective is the best way of making sense of our intuitions regarding collective moral action problems. Where we have reason to believe that our efforts are most efficient as part of a collective endeavor, we may incur collective obligations together with others who are similarly placed as long as we are able to establish compossible individual contributory strategies towards that goal. The book concludes with a discussion of 'massively shared obligations' to major-scale moral problems such as global poverty. Getting Out Act

Together: A Theory of Collective Moral Obligations will appeal to researchers and advanced students working in moral, political and social philosophy, philosophy of action, social epistemology and philosophy of social science. *Get Your Act Together* - Sally Eichhorst 2005

How To Get Your Act Together - Suki Sandhu
2022-03-03

'Obligatory reading for anyone - straight, white and male or otherwise - who wants to do better but doesn't know where to start.' - People Management
'A pivotal guide for going from awareness to action in creating a more diverse and inclusive workplace and society.' - Marc Benioff, CEO of Salesforce -----
- EVERYTHING YOU NEED TO CREATE AND LEAD AN INCLUSIVE, DIVERSE TEAM
The business case for diversity and inclusion is clear - it drives innovation, profit and employer

brand. But how can male white leaders help implement this change? There's no denying it's difficult - perhaps you feel left out of the conversation, afraid to make mistakes, and confused about the evolving language of diversity and inclusion. In this practical guide, leading diversity specialists Felicity Hassan and Suki Sandhu OBE teach you how to create an inclusive environment for your employees and have educated conversations about diversity, navigating what can sometimes be tricky territory with humour and heart. ----- 'A must-read and a powerful call to seize the opportunity that lies in embracing and celebrating people for who they are.' - Richard Branson, CEO & Founder of The Virgin Group 'It takes a good deal of self-awareness and continuous learning to really ingrain the behavioural changes that are needed. This book holds up a mirror and then guides us - skilfully and persuasively - to the actions we all need to be taking.' - Alan Jope, CEO of

Unilever

Compass Points - Get Your Act Together - Jenny Roche

Confidence is essential for any stand-up comic and having confidence in your material is the first step to having greater confidence on stage. It is said that proper preparation makes for professional performance and this book provides the tools to achieve this, offering down-to-earth practical advice and a logical progression from identifying your stage persona, thinking about your audience and the craft of honing comedy material to fit your persona and audience, through to structuring your stand-up set, preparing for when things might go wrong, and last but not least - progressing your career. Get Your Act Together is a book for anyone who wants to be serious about becoming a stand-up comic and wants to do it well.
