**Get Your Ex-Lover Back** Anthony Ekanem 2016-06-26 There are many couples all over the world who have broken up with their partners for some very simple misunderstandings. It's sad to think that many of these break-ups could have been completely avoided if each person had a clearer understanding of what their partner was thinking and what they wanted from the relationship. Unfortunately, because men and women are biologically different, there are specific things we do that can easily drive a partner away rather than keeping them close as we had wanted. You might wonder why your relationship has ended at all. But the reality is that even good relationships do break up. If men and women had a little more awareness of how the opposite sex was thinking, then breakups would never happen. In fact, you could have turned your relationship with your ex-lover into a life-long happy partnership where neither of you would ever consider looking for another relationship. If you've recently broken up with the love of your life, don't feel that all is lost. There's still hope that you can win your ex-lover back and it's actually easier than you think. The problem is that we're not taught how the opposite sex thinks, so it's mostly a mystery to most people. We're stuck trying out tactics that we think may work without ever considering what our partner would prefer instead. Are you ready to bring your ex-lover back into your life? Are you really ready for them to fall in love with you, deeper and stronger than the first time around? Then read on.

**Get Your Ex Back Strategy** Oguz Tiras 2018-10-30 GET YOUR EX BACK STRATEGY STEP BY STEP STRATEGY The worst pain imaginable is having someone that you love tell you that they don't want to see you anymore. It's happened to me, it's happened to you and just about anyone else who has ever been fortunate

enough to fall in love. As you are sitting around with your heart feeling like it's been ripped out of your chest and fried up with liver and bacon, like something Hannibal Lector would eat, people will be telling you the following: You will get over it He/She was no good for you Time heals all wounds Move on (my personal favorite) It is his loss - you were way too good for him (or her, however the case may be). These are all tried and true things that people say to try to make you feel better. Some people will be bold enough to start trash talking your ex lover and telling you how they never liked his ears, how he was always burping in front of people and how he made a play for them when he was drunk at last year's Christmas party. This does not make you feel better. As a matter of fact, nothing that anyone says can make you feel better. Let's face it - your heart has been ripped out and trampled on. And no one can say anything to change that except me. I can tell you something that can make you feel better because I can tell you how to get your ex lover back. The first time I tried this, I was 19 years old. I had a boyfriend who I liked but I could tell that his interest in me was waning. I immediately felt that this was because of the fact that I wouldn't put out. But the truth of the matter was that I was too clingy. I began by liking him a little, started to like him a lot and started to show my feelings. 1.Introduction 2.The Break Up 3.Signs That Your Ex Wants You Back 4.The Post Breakup Phone Call5.Should You Date Your Ex? 6.The Coffee Date 7.The Post Breakup Meeting Date 8.How To Get Your Ex To Rekindle The Love For You Again 9.Avoid The Friendship Trap 10.Avoid Being Desperate 11.How To Get Confidence 12.Why You Should Not Be Needy With Your Ex 13.Elements Of Love 14.Playing Hard To Get 15.Tips For Playing Hard To Get 16.Why You Should Not Play Mind Games With Your Ex 17.Doing The Little And Simple Things For And With Your Ex 18.What Does Your Ex Want From A Relationship? 19.Behaviors To Avoid 20.A True Success Story 21.Conclusion "True love doesn't happen right away; it's an ever-growing process. How I Got My Ex-Girlfriend Back in 40 Days K. Mani 2017-03-08 Heartbreak and the loss of a significant other is a daily thing, it happens even to the best of us. Most people invest everything that they have in a relationship for certain periods of time only to end up disappointed when their partner walks away. While ladies are more aggressive and strategic in terms of getting back what they have lost, men are rather clueless. Opting to wallow in self-pity and fill themselves with meaningless entities in an effort to numb the pain. Well, wallow no longer. I have been in this very same position before, and unlike all other books that give you useless strategies, my book is a tad different. Rather than empty words, I will give you a 40-day strategy to help you get back with your ex-girlfriend. This can also work for fiancés. I hope that my story proves inspirational and my tactics effective. Warning, this is not a book for the cold-hearted manipulators who only seek to control the women in their lives. This is a book for those that are genuinely hurt, and desire to get a second chance to make things work. It is so sad to see the love of your life in the arms of another. This book will help you to get your love back and keep her. It is written from my perspective, following the actions in my life, and has worked for me. I hope you find as much success with the strategy as I have. There are two very crucial parts of getting back your ex, and the first happens in the very first days after the official breakup. You may separate, but not be officially broken up even a month after. It is exactly after this period that your actions begin to matter. This is when you start going through the stages of a breakup, and everyone has their own process. Some go through depression and anger and the likes while others just bury everything deep and move on. What you need to realize is that while you are going through all of this, your ex is also going through the same. There is always the common advice that you need to give her time and space. This is completely wrong. Because, with time and space, then she will go through the whole process of grieving and emerge from the other end with no thoughts or feelings for you. What you need to do is to ensure that you are still on her mind. The time for you to give her time and space will come later on, but now you need to ensure that you remain relevant to her, that you still mean something to her even after she ends it. This book will take you to the journey of getting your ex-girlfriend back after heart shattering break-up.

**How to Get Your Ex Girlfriend Back** C. Powell 2012-01-24 The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

**No More Mr Nice Guy** Robert A. Glover 2022-02-18 Originally published as an e-book that became a controversial media phenomenon, No More Mr. Nice Guy! landed its author, a certified marriage and family therapist, on The O'Reilly Factor and the Rush Limbaugh radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other

men, and to live up to their creative potential.

**Beyond the Breakup** Andrew Aitken 2015-04-21 Written by a man with extensive experience on the topic, Beyond the Breakup explains how men think about breakups, their ex-girlfriend, and how they perceive her behavior in the wake of a relationship's end. It also explains the implications this has for girls who are going through a breakup: what will and won't have an emotional effect on him, how to maximize your chances of getting him back, how and when you should contact him, what you should (and shouldn't) say, how to deal with seeing him again, and much more. The list of the chapter titles below give a good overview of the content. This book is not written for women with a weak spirit. It isn't going to tell you how to mitigate the pain you feel in the wake of a breakup, and it isn't going to tell you that everything is going to be fine. And while it will tell you how to maximize your chances of getting your ex back, it isn't going to pretend that there are any 'tricks' to make that outcome likely. However, it will do something much more important: it will give you a strong insight into your ex's state of mind and male psychology in general. This will give you the foundation you need to navigate the breakup and - more importantly - propel yourself into honest and successful relationships with the men in your future. **Win Your Partner Back After A Break Up?** Louisa Jackson 2021-05-08 Those that go searching for love only make manifest their own lovelessness - D.H. Lawrence If you're going through the agony of a break up and you long, desperately, to reunite with your partner - this book is for you. Perhaps you're still with your partner but they're losing interest or pulling away - this book is also for you. Not all relationships can be saved. However, given the right inner conditions, some relationships can - and do - heal. Here you will learn precisely how to cultivate those conditions. Author, Louisa Jackson, describes how her life spiralled downwards after the break-up of a relationship. This triggered a long and intense period of study. Immersed in quantum physics, spirituality and Law of Attraction principles, she started to experiment with these concepts in her day-to-day life. Slowly, her intense suffering transformed into deep peace and happiness. A completely new way of living emerged and miraculous changes to all areas of her life then followed. Her long-term battle with depression, social anxiety and bulimia came to an end. Financial and family difficulties also resolved. So, too, did the cycle of toxic and dysfunctional relationships that she kept repeating over and over. Louisa now enjoys a happy, long-term, relationship - one which was successfully rekindled after applying the techniques and principles outlined in this book. The focus here is what's going on inside you, rather than on the outer circumstances of your life. For when you transform your inner world, you'll find that your outer world transforms in equal measure - sometimes in miraculous ways. As you'll see, this isn't merely a spiritual concept but is backed up by quantum physics principles. This book gets right to the heart of your beliefs about love, happiness and the fundamental nature of reality. It's faulty beliefs in these areas which are so often at the root of dysfunctional relationships. You'll learn what real happiness is, and how to cultivate it. You'll also discover techniques for sustaining the honeymoon period and how to prevent a repeating pattern of heartbreak. With practice, you'll stop needing love and instead start to radiate love. When this happens, you cannot help but attract love, whether that's from your existing partner or a new one. This is a new way of 'being' which will radiate out into all areas of your life. Whether you want to save a long-term marriage or a short-term romance, the same formula applies. You may even find after reading this book that you no longer want, or need, your partner to return.

**Magnetic Partners** Stephen Betchen 2010-05-18 Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to: • Identify the core master conflict that is causing your relationship problems • Understand the origins of your conflict and how it drew you to your partner • Diagnose how the conflict is now pushing you apart • Come to new terms with the conflict to save your relationship As Dr. Betchen writes, knowledge of a master conflict is power, and Magnetic Partners is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience. **MIXED NUTS** Rick Cormier 2016-04-21 "Highly irreverent, but filled with wisdom and infused with deep caring, Mixed Nuts is a memoir of a life working in psychotherapy." "Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken."
