Coming Out of Darkness Latasha Brandon 2019-05-03 Coming Out of Darkness is about moving forward in life. In our dark places, nothing is visible. We struggle to find our way. It makes one wonder why they are there and where they are going. Reality doesn't exist, and everything seems to be a lie. Coming out of Darkness is a God-inspired book, written to encourage others and be a witness that there is light at the end of the tunnel. By the grace of God, one can obtain deliverance, forgiveness, and true love while fulfilling the purpose God has willed for them. "For I know the thoughts I think towards you said the Lord, thoughts of good and not of evil to give you an expected end" (Jer. 29:11). Darkness comes to bring fear and doubt in our minds and hearts. But God has not given us the spirit of fear. The Lord has given us power, spirit of love, and a sound mind (2 Tim. 1:7). In the moment when you are about to throw in the towel, God strengthens your faith in him.

Defining Love Rod Charles 2020-02-29 Recently I was thinking of a way to define love. I will use a visual illustration to look at love. There are many different inaccurate uses of the word love as it applies to the material world. From the "heartfelt love", I see that there are two ways to define love. (One) To fill a void in our lonely lives, we find a kind of love that I refer to as a "superficial" love. To illustrate this I will use a glass of water. Once the water is consumed the glass is empty as is life and the lonely heart returns to find another glass of water. That is why the divorce rate in the world is so high. This kind of love is very definable as you can see. (Two) Again, I will use the same glass of water to illustrate this second kind of love. The glass is full of water as before; however, when the water is consumed the glass is still full. It does not matter how much water is consumed the glass remains full, there is no way to explain or define the reason why this phenomenon exists. It is a kind of meaningful everlasting love. You can live this love through the deep feelings from an unknown source within our hearts and our inner beauty. (Inner beauty is defined as living life from the heart). These deep feelings of love remain undefinable. We feel this love, but we will never know why and we really do not need to know why. This love is just there and all the relationships last until death do us part. For centuries, philosophers, sages and countless other individuals have tried to define these inner unknowing feelings of love. All efforts have failed and will continue to fail for as long as time exists. These words I have written here, I hope will inspire the readers to look at life a little differently.

The Day I Learned to Love Myself Sonya Durant 2019-11-20 Dear little Black girl, Hi, I'm Sasha and recently, I found out I'm a princess, destined to be a queen; and as are you. I used to think I was not so beautiful and my family doesn't have much money. My clothes were not the best and no one was really nice to me, not even me. But I have to tell you a magnificent secret. We are a wonderful creation! We are wise and beautiful and strong. We are smart and kind and unique in every way. Our skin is dark so that it may shine even at night. Our lips are larger and wider so that we may speak clearly and be a voice for the ones who cannot. Our hair is a reflection of us- big, strong, and healthy. We are leaders little black girls! Let us never forget that. Love always, Sas

Tumbleweeds George Burras 2011-01-20 Tumbleweeds are stories of mostly ordinary or normal people placed in or finding themselves involved in freakish or bizarre circumstances. They are, we believe interesting and unusual stories worth reading. Tumbleweeds are cleanly written with little or no profanity despite some violent incidences described therein. It is our belief that all of us are like tumbleweeds in that we too are subjected to the winds that scatter the tumbleweeds in all directions. Just remember that once that bond of birth is broken, the winds of destiny start blowing and never cease throughout our entire lives.

Dear Zoe || Love Dad: Our Journey through IVF to the NICU to your 1st Birthday Ryan Richardson 2012-01-01 I began writing to my unborn child as soon as my wife and I decided to have a child. Never could I have imagined what an amazing journey was set in motion. These intensely personal letters capture my hopes and fears as my wife and I progress through the various stages of IVF, our daughter's stay in the NICU, and our first year as a family. From giving my wife daily shots to staring at the various screens monitoring my newborn daughter, the book attempts to capture the emotions of a loving husband and father trying to be the man both his girls need. The book concludes with my honest, unadulterated reflections on having going through IVF and the NICU. My hope is that my candid sharing may help others gain a greater sense of the emotions involved in having an IVF or NICU baby.

She speaks four languages fluently and is a married working mum, with two young children and currently lives in Barcelona. Goldie's passion for writing started quite accidentally when she was not more than twelve years old. Her father used to write long letters to her at boarding school and this letter writing involved intricate descriptions of her daily life, which both father and daughter encouraged mutually, since their communication was otherwise limited. This then led to diary writing, where her thoughts began to occupy pages, making room for even the most minor incidents that took place around her. As an eagle-eyed and observant woman, Goldie has learned to pay attention to the details and often tries to identify with a situation that she either hears about or visualises and later her thoughts give birth to a poem or an article. Thoughts Translated is a collection of pieces, which have been inspired by conversations, observations, real life situations, all lived by the writer or people who surround her. Goldie has covered subjects that affect both men and women, from basic relationships to marriage, giving birth to seeing death, love and betrayal and even writes about her passion for fitness and running. Goldie is passionate and spiritual towards the things she really cares for, and these feelings are mirrored through every piece in Thoughts. Thoughts is the journey of a woman who tries her best to enjoy the little things in life, for it's these Thoughts which one day will be regarded as precious memories. Thoughts seeps deep into the mind of Goldie and one can read her fears, passions, loves, opinions and even her most unsaid intimate emotions.

The Sunday at Home 1887

Once Upon a Lifetime Daniel J. Praz 2011-07-25 One chance encounter can change lives forever! An up and coming rock star becomes obsessed with the potential girl of his dreams after an ever so brief encounter one night in a downtown music club. Completely obsessed with the woman's vision, the smitten guitarist devises a unique formula to capture the love of this young woman, even though he knows nothing about her not even her name! He writes and sends to her romantic elaborate poems that show his love of her, and signs his name Rumpelstiltskin, from the Brothers Grimm fairy tale, whose muse was you'll never know my name. Set against a backdrop of sex, drugs and rock and roll of the music scene of that time, and with a cast of characters who prove that truth is stranger than fiction, this completely true modern fairy tale is the story of real love and romance that will change both of their lives forever! From the time he first saw her, to the time he took and held her hand, to the time he kissed those hands, to the time he kissed her lips, to the time he first touched her body, to the time he could have died in her arms, to the time he knew she was his one true soul mate, he knew this was not the ordinary. This was not the typical. This was once in a lifetime, his once in a lifetime.

Love Letters in a Box E. W. Boening 2018-08-09 Love Letters in a Box By: E. W. Boening For author E. W. Boening, a simple gathering one day at a friend's house ended up turning into something much more than simple. While talking and enjoying each other's company, her host jumped up, left the room, and, when she returned, she brought a box of letters to Boening. These letters took Boening's breath away, as they were filled with such beautiful words of love, which she felt had to be shared with the world. Love Letters in a Box gives us a peek into American history from 1902-1912 and the lost art of love letter writing.

Vietnam Paradox Autumn Rose 2018-12-20 Vietnam is a nation with a long and storied history, but this novel touches upon one of its most horrifying chapters: the war between North and South Vietnam in the 1960s and '70s. Life before that time was quiet for most people in the South, who lived on the riches of the land in peace with their neighbors. Sadly, that changed as the war spread across the countryside. Innocents were killed by landmines, "traitors" to the revolution were brutally murdered, and fear spread like a terrible disease. Despite that, life went on for River Ha, an innocent young girl whose determination got her through high school in Saigon. That same determination propelled her into Law University in hopes of protecting women and the poor. In the

midst of the atrocities of a brutal war, River Ha found love with a young American soldier, Steven. Can their love survive the horrors of war? Will they be reunited, or will fate keep them apart? Vietnam Paradox is a novel of love, family, hope and survival through a brutal and horrifying war and into the ensuing years after the war ended in 1975. When the communist government took control of the country in 1975, they confiscated the homes and savings of many South Vietnamese and sent large numbers of the educated population and former military officers to 'education camps' in the North. The conflict between North and South Vietnam claimed more than a million lives, and the changes it wrought made life infinitely more difficult for the survivors. This novel, based on the experiences of author Hong Thu Thi Vo (Rose Thu) and her friends and family, offers a heart-wrenching look at life in a country torn apart by war.

Poetry To Warm The Heart With Werner W.J.F. Toelen 2004-08-16 Mr. Toelen's work is based on his life. His poetry has been inspired by the love of his life. He found in Candice his lost soul mate. After five years he found her back on the Internet. Feeling love, happiness and sorrow of this girl and her son. The people in his life, the hurt of losing love. Broken friendship, and more feeling are written. To bring you laughter and tears in each single poem. Many people have already read his work. It has inspired them deeply. He's been through tough lessons in his life. It encourages him to write with his heart. He thanks his Friends and Family. For all the support they have given him. God bless you all. Van der Veur 2006 Principles of Anatomy and Physiology is designed to be comprehensive enough to provide the background necessary for those courses not requiring prerequisites and yet is concise so as not to confuse and overwhelm students. The Tate text features realistic illustrations and exceptional photographs that, along with clear, straightforward writing and an emphasis on clinical material help students develop a solid understanding of anatomy and physiology concepts. Explanations have just the right amount of detail, with usually only one example instead of two or three. Other texts use several complex figures to illustrate many concepts—Tate uses less, but more efficient, art. The result is a shorter, simplified textbook that covers all of the major points found in more lengthy texts, but is easier to read and more economical in price.
