Company for Three: MMF Menage Romance Zoey Thames 2019-07-29 Two billionaire rivals and the woman who stands between them... Cara Ross is the manager of a non-profit ranch specializing in horse rescues. When she attends a fancy New York fundraiser, she meets the sexy James Lebray and the handsome Deacon Frost. Both men are interested in becoming donors, so Cara invites them to the ranch for a tour, and things only heat up from there. But Cara's self-doubt haunts her. She's not rich, not famous, and she certainly can't fit into any of those size-zero dresses that the New York models wear. So why would two scorching-hot billionaires be interested in a plus-sized girl more comfortable wearing jeans and rescuing horses? And why does she suddenly feel like a prize they're battling each other to win—and she's cheering for them both? Deacon Frost has been wildly successful since leaving the military and starting his company years ago. These days, the biggest thorn in his side is billionaire James Lebray, a competitor who's as driven to win as he is handsome. James Lebray is a man who smiles too much and looks too good doing it—and he's a problem. Not only is James locked in a bidding war with Deacon for a company they each want for very different reasons, but he's also moving in on the fascinating Cara Ross. And Deacon isn't going to let her go without a fight. James always plays to win. Cara's a pretty puzzle that immediately fascinates him, but his biggest rival, Deacon Frost, is clearly interested in the curvy woman too. Normally, James would be confident in his chances to win Cara's heart, but he's always had a thing for Deacon. The man is drop-dead gorgeous, and that alpha military bearing of his has sparked many a fantasy. Clearly, the only thing a sane man can do is kiss the guy and see what happens. He intends to win both Cara and Deacon. But emotions run hot and competition runs deep, threatening any chance the three of them have at happiness. Can enemies truly become lovers? Cara might be the one who bound them together, but will she be the thing that forever drives them apart? Reader note: contains MMF menage, BBW and billionaires, hot romance elements, enemies to lovers, male male love, and a happily ever after

Desire for Three Leah Brooke 2008-11 DESIRE FOR THREE [Siren Menage Amour #15: Erotic Contemporary, Menage a Trois Romance, M/F/M, with Dom/sub BDSM] With her fortieth birthday approaching and a bad marriage behind her, Jessica Tyler wants a fresh start. Marriage left her an emotionless shell and she vows never to get involved with a man again. Giving in to her sister, Jesse agrees to visit her in Desire, Oklahoma. But Desire is a small town unlike any other. Dom/sub and menage relationships are the norm in a town where ranchers and cowboys adore and protect their women in ways that leave Jesse...fascinated. She's first intrigued, then alarmed when two gorgeous over-protective brothers, Clay and Rio Erickson, rush to claim her for their own. Yanked from her protective shell, threatened by her ex, Jesse is determined to stay strong, even as her two formidable lovers are intent on possessing her. Will her independence be smothered or will love give her the strength to change all three of their lives forever? *** "I've always loved alpha males who know how to treat a woman. Of course, such men would have very strong ideas of what they want and how to get it. Those who are Doms or want a menage relationship may want to live where such things were the norm. And what woman wouldn't want to live where they're adored?" Leah *** 5 Blue Ribbons: "Desire for Three is the first book in Leigh Brooks' DESIRE, OKLAHOMA series. A series involving a small town in Oklahoma founded entirely by people who had a 'desire' to live their lives as they choose without being judged by others in the community. I have to admit, I love this idea. As I read this book I couldn't help but feel a little envious. The men's adoration of the women in their lives and the protectiveness of every woman in the community really endeared this story to me. There's simply a sense of happiness in just being 'you' that really captured my attention. Jesse, Clay and Rio are a wonderful trio who all deserve a happily-ever-after and kept me enthralled in each and every page of this storyline. I'll now be eagerly awaiting the next story in this series - Blade's Desire, which is Kelly and of course, Blade's story. She was abused in her former relationship and Blade, a Dom, has his eyes set on her. From the sparks flying between these two in this story it should really be interesting to learn how they come together." -- Chrissy Dionne, Romance Junkies Reviews

Siobhan's Desire : Fae Lovers, Book 2 Siera Saunders 2013-11-10 Siobhan! Unseen, Lachlan had watched her grow from child to woman. Drawn to her as he'd been to no other through the long centuries of his life. Unlike the other humans that he and his brother had played with, a single night of bed sport with Siobhan would never be enough. Lachlan intended to claim her body and soul—for all time. Drawn repeatedly to the border of the crumbling estate where she'd played as a child, Siobhan had resisted the haunting allure of the place and the compelling presence she felt watching her. But when the delectable Lachlan invaded her dreams and called to her, Siobhan could resist no longer. Today she would cross the border and damn the consequences. **Please note that this is the second book in the "Fae Lovers" series. The series is available as individual stories or as a collection titled "To Play With The Fae - Fae Lovers Collection, Volume 1." The collection contains "Stranded," "Siobhan's Desire," and "Sister Mary Does A Faery." READER ADVISORY: This is an erotic, paranormal short story (approximately 7,900 words / 37 pages in length) featuring hot, graphic scenes involving the magical Fae (also known as faeries - though most definitely not of the Tinkerbell variety). Enjoy! EXCERPT: Firm lips brushed Siobhan's in the lightest of caresses. A soft sigh granted her lover further access to explore and his tongue boldly stroked hers, twining and teasing; his taste as sweet and decadent as the richest chocolate. Siobhan ran her fingers through his long, silky hair then down his back, delighting in the feel of ridged muscle under warm skin. She pulled his lean body closer, her aching nipples rubbing against his chest. Abandoning her mouth to trail his lips down her neck, he kissed a tantalizing path to her breasts, suckling first one hard bud and then the other as she moaned with pleasure. Siobhan wrapped her legs around his waist and dug her heels into his butt, eager for the hard erection pressing so deliciously between her thighs. He rocked his hips, his penis sliding in her slippery juices, the head of his c*ck abrading her cl*t as he moved back and forth in languorous temptation. Siobhan reached between them, wanting—needing—that hard c*ck inside of her. She guided him in, groaning at the perfect melding as their bodies joined. Lachlan! His beautiful eyes met hers, desire a hot, molten glow in their green depths. With slow relish he smiled and then rotated his hips, wringing a gasp of pleasure from Siobhan. His c*ck pulsed inside of her as he began to thrust, leisurely at first, then faster, f*cking her with consummate skill. Running her hands down his chest, Siobhan encircled his penis, the tips of her fingers lightly caressing the sensitive underside of his c*ck as he pumped in and out of her wetness. Tension wound tighter in her belly each time he withdrew to his crown and then buried himself to the hilt in her soft, yielding flesh. Close to the edge, Siobhan loosed a wrenching whimper of dismay when he severed their intimate connection. But her disappointment was short-lived. Crouching between her spread legs, he put his mouth to her pussy and flicked her cl*t with his tongue, teasing and laving the tender flesh until Siobhan was writhing helplessly under him. With exquisite timing, he re-entered her in one smooth, deep thrust. Opening her knees wider, Siobhan dug her fingers into his firm ass and drove her hips upward, eager to be filled, shivering at the sensual friction of his erection stroking her sensitized flesh. Panting, teetering on the cusp of ecstasy, Siobhan cried out as her muscles clenched his c*ck in shuddering orgasm. Wave after wave crashed over her, her pussy gripping his penis and milking him of every last drop of hot seed.

Menage a Trios Kent Burt 2014-11-06 menage a trios: the beauty of shared love: a collection of passionate love stories for lovers only First Print Edition, 2014 (c) All rights reserved Praise for Kent Oliver Burt "Once again, one of your erotic stories has blown my mind. You have done an incredible job of the descriptors. If I quoted all the lines that made me smile (and wet), I'd quote the whole story, or maybe simply because I smiled knowing YOU" "Wow. Once I started reading it, I could not put it down until finished. Very Interesting! Kudos to my old friend, Kent Oliver Burt." "The story drew me in immediately. Each character's depiction was so spot on that I found myself in each moment of time feeling their feelings. I was right there watching it all unfold as a spectator and at times being in their shoes. This book, though categorized as Adult Erotica, has so much more to offer than titillating raw sex (though extremely Hot!!). I was enthralled with different emotions as each chapter unfolded. It left me wanting more, to know more about each character, past and present. I'm looking forward to many more great stories from the author." "What a great read. I finished the whole thing in one sitting (the best compliment I could ever give a book). Kent Oliver Burt has a unique ability to put the reader 'there'. Excellent job, I'm thoroughly impressed." "This is a piece that is comparable to the author's short story Duty. The dark emotional turmoil is very evident, the descriptions are absolutely incredible. I wanted to bold the whole damn thing ya know, but I know that is unrealistic. I loved the whole story. I bow my head to this incredible glimpse at the unexplored talent you have hidden inside you. Bravo!!!!" Dedicated to: To all the red hot lovers out there, who believe in love and passion, and who are not afraid to share their passion or their flesh or their lovers or their stories with their lovers! These stories were written to be shared, where possible, to be read out loud to your lover, or lovers, in or out of be

Let It Snow K.D. West 2018-12-24 Sometimes, darkness gives way to light Helen was supposed to be heading on her honeymoon — off on a sexy trip to Fiji with her long-time fiancé. Her cheating, sleaze-bag, lying fiancé. And so she is off on a trip to the mountains with her best friend Tommy and Tommy's husband Al. Instead of sun and sand, she's heading off to silence and snow. And snow. And snow. A blizzard traps Helen and the two men in their car overnight, where they discover a path to happiness that turns out to have been as inevitable as it is unexpected. (FMM bisexual romance, polyamory) Preview: After another minute or three of awkward silence, Helen muttered, "So. You guys feeling as uncomfortable as I am?" "Yes," said Tommy through gritted teeth. "No," said Al, a smirk clearly present in his voice. "No?" Tommy snapped. His husband chuckled. "No, Tommy. Because I've figured this was coming for about four years." "This?" Helen and Tommy asked together. "You'll forgive me, both of you, but there are three things that have been clear to me for a long time. One: my husband and his best friend find each other very attractive. Two: I am very drawn to you myself, Helen, and get the sense that you find me less than repulsive." Helen let out a grunt of assent. "And three: Helen's Ben preferred the company of twinks." Al's hand patted Helen's hip in apology. "I'm sorry I didn't say anything, Helen. I assumed you knew." "Not your fault I was stupid." "Not stupid. Just in love with the wrong guy." He hugged her, his lips brushing her ear. "Fair." And suddenly Helen was very clear about what this was. This was her and two men she trusted — even now, when she couldn't trust herself — sharing intimacy she'd been hungry for for a month. And, as she granted the rightness of Al's statements, she also had to grant it was something her body had wanted for a lot longer than that. "Tommy?" He was shivering against her, teeth chattering, and tightly as they were packed, Helen was fairly sure it wasn't because of the snowy night. "Helen. Al." "Hey, Al?" A flare of complete abandon roared through Helen then, melting any of the ice that the cold and the end of her relationship with Ben might have left. "Yeah?" "Did watching me prance around the office in my undies really get Tommy excited?" "Oh, yeah." Tommy gave a laugh that sounded more than a little like a sob. Helen couldn't stand it. She leaned the few inches between them and placed her lips against his. Frozen for a moment — cold, unmoving — at last Tommy melted into the kiss.

Indiscretions Madelynne Ellis 2015-05-08 "Holy hotness Batman, this book was so steamy; I needed a cool towel." Goodreads Reviewer. Viscount Lucerne Marlinscar is caught in the middle of a constant tug o' war between the decadent and perverse Marquis of Pennerley, and the woman with whom he eloped, seductive heiress Miss Bella Rushdale. All three are bound together in a scandalous and highly volatile ménage a trois. As a result, Lucerne is careful never to favour one of his lovers over the other. However, considering the recent efforts Vaughan and Bella have poured into tormenting one another, he's beginning to wonder if it's not he who's the outsider in their relationship. What's a considerate lover supposed to do besides compromise? Is it even possible for three people to find a happy ever after together? When Lucerne calls time-out for the night, petty jealousies have to be put aside for the bonds between them to be forged anew. *Indiscretions* is a Regency-set romance novella with a high heat including M/F, M/M and M/M/F interactions. Expect ribald language, diabolical behaviour, and extreme decadence. You are advised to keep the smelling salts at hand. "A fast paced saucy historical full of ambience, that brings a bygone era alive." JERR " Ms. Ellis does an excellent job of

showing the conflict of each individual in this volatile menage. I found myself rooting for the three to find happiness together.” - Seriously Reviewed. Her Only Choice: A dark & dangerous MC (menage) romance C.M. Wick Maddox and Carson have always been like night and day opposites. One a cop. The other...not. For eight years now, I've quietly loved them from afar while they jumped from one hook-up to the next, seemingly only committed to one woman. Me. Just not as anything more than their best friend. Or so I thought. When we suddenly find ourselves at the mercy of a deadly motorcycle club dragging us into their violent world, Carson and I have no choice but to do what we need to survive. Now, everyone's watching our every move—including Maddox from the outside. And that's when the real trouble begins. Author's Note: Be advised that this is a menage romance, as well as one of my darker/dirtier CM Wick titles, content-wise. The heroine is a curvy girl (of course) like most of my other books, but these heroes definitely have more edge and grit than my typical heroes (facing some deadly reasons for their extreme measures). Enjoy this darker wickedly Wick title! Previously published as Shield Her (c) 2015, edited throughout with two new extended epilogues from Maddox and Carson.
