Dreams That Speak Antoinette M. White 2009-11-06 Birth from her mother womb as the mouth piece for God, evolved the anointed infallible, woman of God, Prophetess Antoinette M. White. As God molded her in His hands, He purposed her for His works and for His people. From the cradle to the pulpit this Prophetess was destined to bring forth the word of God with the anointing and power. Hearing the call in her tender years, Antoinette began her ministry with a Yes Lord, her am I, and sojourns her call in the path of ministerial greatness. With an ear to hear His voice, and her affections toward heavenly matters, this Prophetess is unmovable and unstoppable on her mission. In her childhood years it was evident Antoinette was a gifted child; peculiar, anointed and called to ministry. As the gift of prophecy manifested through her voice, and prophetic dreams became perceptible through full materialization, the mantel as Gods Prophetess was apparent. Prophetess White is the wife of the powerful Apostle Michael S. White Jr. and mother of six children. These two anointed vessels established Remnant Apostolic Prophetic Outreach ([www.wrapoutreach.org](http://www.wrapoutreach.org)).

**Your Child's First Crush - What It Means and How To Talk About It** Cynthia Malu 2012-03-04 ABOUT THE BOOK From the giggly four-year old who proclaims that he wants to marry his teacher to the pre-teen who gushes over the cute boy who sits next to her in class, your child's first crush is a new frontier, and its best to prepare yourself long before it happens. is help your child feel comfortable communicating with you. A crush is no more than an infatuation. Unlike a true romantic relationship, when two individuals acknowledge their deep feelings for one another, a crush is often a one-sided attraction. When children have a crush, they are not focused on loving the object of their affection as an entire person, flaws and all. Instead, they build up a fantasy of sorts in their minds, and spend time daydreaming about what it would be like to be together. EXCERPT FROM THE BOOK Try to find out how your child's crush is responding to him. Ask him if his crush talks to him at school. This will help you gauge the level of intensity and the direction things are headed. If his crush returns his feelings, he may be on the verge of a relationship. While you won't be able to change the eventual outcome of your son's crush, you can guide him as he navigates the unfamiliar waters of romantic feelings. The way you approach the subject will depend on your child's age. For a young child, be positive but truthful when you talk about the crush. Explain that it's normal to have strong feelings for people when you like their looks and behavior, but make sure your child knows that it's not necessary to act on those feelings. Guide him or her in making appropriate decisions. For instance, if your daughter wants to give a gift to a boy she likes on Valentine's Day, help her choose something that won't be overwhelming for either party. If the object of your young child's affection is an adult, don't be overly concerned. According to Dr. Laura Rocker, a pediatric physician, children often experience their first crush on a celebrity or an adult they find attractive. This behavior is normal, and as a child grows older, he or she will become interested in peers his or her own age... Buy a copy to keep reading! The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't
