SEVEN COLORS OF LOVE - Pramod Rajput 2021-03-18

Raj turned back to look at Gauri. Her hair was disheveled. Her face was not glowing as before. For the first time, he saw a common girl in her and no longer an angel. Gauri was unable to see the tears in his eyes from that distance. Raj cried his heart out all the way home. The road was deserted except for his sobs which reverberated against the surrounding hills and rocks, turning into an echo that only his soul could hear. It was the echo of a broken heart that Raj heard for the first time.

ADVENTURES IN LEADERSHIP - Peter A. LaPorta 2014-02-21

Leadership is strength. Leadership is unfailing. Leadership is the hand that picks you up when you fall, guides you when you are lost, and provides a beacon of light when all is a fog. Leadership is the conductor at the front of the orchestra, raising his baton in defining rhythm. Leadership is the coach on the sidelines cheering on his players regardless of what the scoreboard reads. Leadership is the parent who supports their child in all of their endeavors and provides a net of safety for them to soar over. Leadership is so much more than the mundane tasks of management and not so much about the fancy title and the power over others. *Adventures in Leadership* is a journey that encompasses all aspects of leadership. The good times and the bad; the mishaps, mistakes and mayhem all rolled into extraordinary days and sleepless nights. *Adventures in Leadership* will make you laugh through tales of hiring, firing and slapstick antics. It will make you cringe at the actions of leaders gone bad and shrink away from visions of death in the workplace. Four time best-selling author, Peter A. LaPorta, brings over 30 years of leadership excellence to the stories contained within *Adventures in Leadership*. You will marvel in wonder about tales from his leadership at Walt Disney World, Universal Studios and so many other companies. Come along for the ride and you will see the shining stars in the sky and the best of the best that set the level of excellence far above the rest. Peter A. LaPorta is an award-winning speaker, a motivational author, and a leader heralded all over the globe for his excellence. He is the acclaimed host of *The Peter LaPorta Show* as his words resonate to audiences everywhere. Traveling the globe, he spreads powerful messages of motivation and service. The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life

around for the better. I hope it does the same for you.

Getting to Commitment - Steven Carter 2000

They wrote the definitive book of the fear of commitment, *Men Who Can't Love*. They also coined the term 'commitmentphobia'. Now, drawing from in-depth interviews, as well as his own personal struggle with commitment, Carter takes the next step with this book, offering concrete solutions for finding and keeping long-term love. Falling in love and staying in love requires its own kinds of heroism. Our hearts have to be brave as well as loving. That is because it takes real courage to love; it takes real courage to make a commitment. This book is about finding that courage.

Attached - Amir Levine 2012-01-05

"Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. *Attached* guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

13 Things Mentally Strong Women Don't Do - Amy Morin 2019-01-10

The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy offers thoughtful, intelligent advice, practical tips, and specific strategies; combining them with her personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women - and society at large - must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Insightful, grounded, and extremely timely, *13 THINGS MENTALLY STRONG WOMEN DON'T DO* can help every woman flourish - and Amy will take readers on this journey with her, every step of the way.

Never Let Me Go - Sachin Garg 2012

Legendborn - Tracy Deonn 2020-09-15

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy Legendborn offers the dark allure of City of Bones with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

The Rare Trilogy Omnibus - Diane Anthony 2022-11-06

This omnibus edition of The Rare series brings the entire trilogy together in one volume! The Rare Olivia Sloane doesn't want to live anymore. Her whole life is a struggle. Her health, her school, her social life, and even her relationship with her mother are all a mess. The world itself is a mess. With lethal acid rain and stifling, ever-present fog, nothing thrives in her home city, and it's even worse outside—or so she's been taught. Her best friend, David, also has a hard life, but he has hope. He's convinced that there's something better hidden beyond the fence surrounding their city and has always suggested escaping together. Olivia has never taken it seriously. But after a failed suicide attempt, her stay in the mental ward leads to a series of suspicious encounters with her mother and a fight at school. Feeling like there is nothing left to lose, she decides to give David's idea a shot. Despite their poor health and reports of killer beasts, Olivia and David brave the wilderness. The truth they discover there—not just about their society but about themselves—is more astonishing than anything they ever imagined. The Remnant Now that Olivia and David have discovered that their life in the city was a lie, their pursuit of the truth gives them a newfound purpose. Is there more to their Rare abilities than what they've discovered so far? Is there something about them that the government is trying to keep hidden? Taken captive and tortured by her oppressors, Olivia narrowly escapes with help from an unexpected source. She rejoins what's left of her new friends, only to find their home destroyed and coalition forces closing in to finish them off. Running for their lives, they set out on a

desperate quest to find the Haven, a mysterious city that is rumored to be harboring and protecting Rares. This journey will take them deep into the wilderness and bring them to the edges of another coalition stronghold before they find their way. But the danger in front of them is rivaled only by the danger closing in behind them, and Olivia's new abilities will be put to the test. As they discover more secrets, the ones they bring with them may be the most important of all. The Return The moment Olivia's family is finally together in Uncle Eli's camp, violence comes between them when Matthias shoots her mother, who has proven untrustworthy too many times. But not all is lost because of her mother—with the help of Uncle Eli, they find out the rumors they have been chasing are true. The Haven is real. Freedom is in sight. At least, it will be once David and Olivia cross the DMZ. But that's easier said than done: assuming they don't freeze or starve in the bleak of winter, they must survive an irradiated no-man's-land reclaimed by the wilderness. With Eli's suspicious camp, the Coalition on their trail, and in-fighting among their own group, they're running out of time and options to find a way across. What happens when Olivia and David are forced to make painful choices between ideals and safety?

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." But there's hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
