I Was a Trophy Wife - Shannon Page 2020-09-26

Shannon Page has been a backwoods hippie child, a nude model, a trophy wife, a failed realtor, a successful copy editor, and a wine enthusiast. She has been monogamous and polyamorous, vegetarian and enthusiastically carnivorous, poor and rich. But she has always been a writer. In this engaging collection of essays on topics ranging from personal growth to money to relationship styles to life on a remote island in the Pacific Northwest, Page explores the pressing questions of life, such as why she never wanted children, why do we have to wear bras anyway, how to make cassoulet, what to do when you're snowed in, what it was like to pose for Playboy, and how to write a novel in three weeks. Other essays include reflections on the loss of parents, money and inequality in relationships, reclaiming a yoga practice after falling badly out of shape, and waiting (or NOT waiting) for permission to do what you really want to do. Tying all these threads together is Page's warm and welcoming voice. So get comfortable, put your feet up, and have a favorite beverage by your side—because once you start reading, you won't want to stop.

**Searching for Self - in Pursuit of Inner Peace** - K R V HARI  
2020-12-25

About the Book: This book explores our ideas of self, repeatedly revealing "who we are not" to gently bring us into peace without attempting to alter our external conditions. It is well known that when we dissociate ourselves from all our worldly identities, we will naturally come to peace. This book lays out a clear roadmap to achieve enduring peace through detachment. But detachment does not mean renouncement of all types of pleasures and living a life of inactivity and boredom. In truth, detachment can relieve us of all the burdens and baggage we carry, leaving us free to enjoy all the genuine pleasures available on earth to the fullest. The only condition is that we must not cling to the pleasures but be ready to let them go freely. Hence our life here can be one of unending joy and achievement. About the Author: Born in 1960 in the rich culture of South India and educated in English, he was exposed to two opposing world views enabling him to achieve synergy and realize true harmony. He belongs to the linguistic community "Saurashtra" who were silk weavers patronised by kings of yore. His ancestors are said to have migrated from the western part of India to Tamil Nadu in the south several centuries ago. Born to a father who served in the lower ranks of the Indian Central Government and a mother who was less educated, he was brought up by his grandmother, a

very traditional woman, in the extended family. With his two younger brothers he was afforded English education from the beginning that enabled him to become fluent in the language right from his childhood. Graduating in Agriculture from the Tamil Nadu Agricultural University in Coimbatore in 1982, he secured the prestigious position of Probationary Officer in State Bank of India, the premier bank in India. After a dedicated service of over two decades, he ventured out on his own to learn about real life outside the cocoon of privileged living that his parents and his job had offered him till then. Growing up in the country as India underwent its pangs of Westernisation, he was able to synthesise the self-oriented Western perspective with the community oriented native one to arrive at a wholesome concept of self after considerable efforts and experimentation. This book is the culmination of decades of efforts in discovering his real place in the world. Married to Vijayashree with a daughter Meenalochani, who has gifted him with a lovely granddaughter, he lives in the Southern Indian cities of Bangalore and Coimbatore with his family and his aged aunt.

Professor Kelli's Guide to Finding a Husband - M. S. W. Kelli Miller  
2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okarats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I've been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For

many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Win Your Breakup: How to Be The One That Got Away - Natasha Adamo 2022-01-11

You picked up this book because your breakup has been reduced to something that you feel you must "win" to emotionally survive and move on. This reduction can only take place if you were involved with a toxic person. Toxic people are selfish, empathetically bankrupt, and have a limited relationship with reality. Anyone who feels validated by exploiting your hunger for theirs is toxic-to your peace, your life, and your mental health. Breakups aren't won by game-playing or vilifying your ex. They're won by realizing that winning is losing a partner who has proven to be a dead end. A new life is waiting for you at the end of this journey. In *Win Your Breakup*, relationship and self-help coach Natasha Adamo presents the opportunity for a life with relationships that you don't have to tolerate and eggshell-walk your way through. It's a life in which your ex regrets the day they ever decided to breach your trust and break your heart; a life in which those who took you for granted wish you could find

a way back into theirs. In this life, you can choose to walk away from toxicity-no more trying to be the person someone may want, may commit to, may be honest with, and may treat with respect. This life is about to be your own.

**Get Over Yourself!** - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • **Getting Over What?** Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • **Almost Over It** Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • **Over It** Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.
